Earthquake Research in ESSA, 1969-1970, 1970 During the past several years the ESSA Earthquake Research Committee ERC has conducted an annual scientific review of all Earthquake Research being done in ESSA This year the scientific review meeting was held in Boulder Colorado on 8 and 9 July 1970 All organizational elements of ESSA were encouraged to be represented by qualified working scientists who could properly review their entire Earthquake Research program This review was to include all work being done for ESSA by outside grantees and contractors as well as in-house research The grantees and contractors in most cases were invited to attend and present their own work Introduction

"Uncool and Incorrect" in Chile Stephen M. Streeter, 2023-02-21 The military coup that toppled Chilean President Salvador Allende in 1973 led to one of the most repressive military dictatorships in Latin American history Although the coup's full origin remains one of the great mysteries of the Cold War most assume that powers in Washington were largely to blame given the long history of U S interventionism in Latin America These assumptions were only strengthened by ongoing suspicions about the Nixon administration's role in a failed campaign to prevent Allende's inauguration in 1970 Providing a comprehensive account of the Nixon administration's efforts to undermine and unseat Allende the book relies heavily on newly declassified records addressing several crucial questions regarding U S involvement The author explores several counterfactual scenarios to highlight important turning points and crucial decisions which contributed to the failure of Chilean democracy
