*The Automatic Millionaire* David Bach, 2003-12-30 What's the secret to becoming a millionaire? For years, people have asked David Bach, the national bestselling author of *Smart Women Finish Rich*, *Smart Couples Finish Rich*, and *The Finish Rich Workbook*, what's the real secret to getting rich. What's the one thing I need to do now? In *The Automatic Millionaire*, David Bach is sharing that secret. *The Automatic Millionaire* starts with the powerful story of an average American couple: he's a low-level manager, she's a beautician, whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes, debt-free, put two kids through college, and retire at 55 with more than \$1 million in savings. Through their story, you'll learn the surprising fact that you cannot get rich with a budget. You have to have a plan to pay yourself first—that is, totally automatic—a plan that will automatically secure your future and pay for your present. What makes *The Automatic Millionaire* unique? You don't need a budget. You don't need willpower. You don't need to make a lot of money. You don't need to be that interested in money. You can set up the plan in an hour. David Bach gives you a totally realistic system based on timeless principles with everything you need to know, including phone numbers and websites, so you can put the secret to becoming an Automatic Millionaire in place from the comfort of your own home. This one little book has the power to secure your financial future. Do it once; the rest is automatic.
