[The Remains of an Altar](#) Phil Rickman, 2013-09-03 Merrily Watkins parish priest single mother and Deliverance Consultant to the Diocese of Hereford heads for the Malvern Hills to investigate an alleged paranormal dimension to a spate of road accidents in the sleepy village of Wychehill Merrily is called in when two people are killed in a head on crash that is also linked to the revamped local pub which it seems has injected the valley with a shattering strobing surge of inner city nightlife and drugs When a dealer is found savagely murdered below the great earthen hillfort of Herefordshire Beacon police ask is it a ritual killing a gangland disposal or a cry of outrage As Merrily and the police follow separate paths towards the truth Merrily s teenage daughter Jane faces the consequences of her own obsession with a possibly prehistoric site in their home village of Ledwardine Until on a night of frenzied violence in a place at the centre of an ancient universal mystery the final shocking connections are made

**To Dream of the Dead** Phil Rickman, 2013-09-03 December and the river is rising The village of Ledwardine has never been flooded in living memory Within days it will be an island There s no electricity The church is serving as a temporary mortuary for two people who drowned Only one man feels safer An aggressively atheist author has been moved for his own safety Rushdie style into a secluded house just outside the village Fundamentalist Christians have hated him for years Now he s offended the Muslims Bad move Meanwhile

archaeologists assisted by Merrily's teenage daughter Jane are at work in Coleman's Meadow unearthing an ancient row of standing stones which some people would rather stay buried. The atheist's temporary home is close to the site. And his young wife is becoming conspicuously agitated. Is it the fear of discovery or the kind of fear that she of all people could never disclose? One thing is clear: the last person who's going to be welcome in that house is an exorcist. With the flood water washing up Church Lane towards the vicarage and the shop running out of cigarettes it looks like a cold and complex Christmas for Merrily Watkins in an ancient community forced to untangle its own history against the swirling uncertainty of the future.

**The Fabric of Sin** Phil Rickman, 2013-09-03 The Master House close to the Welsh border is medieval and slowly falling into ruins. Now the house and its surrounding land have been sold to the Duchy of Cornwall. But the Duchy's plans to renovate the house and its outbuildings are frustrated when the specialist builder refuses to work there. This is a place he tells the Prince's land steward that doesn't want to be restored. Directed by the Bishop of Hereford to investigate deliverance consultant Merrily Watkins discovers ancient connections between the house and the nearby church built by the Knights Templar whose shadow still envelopes isolated Garway Hill and its scattered communities. Why did all the local inns have astrological names? What deep history lies behind the vicious feud between two local families? And what happened here to intimidate even the great Edwardian ghost story writer M. R. James? When Merrily learns that she and even her daughter Jane are under surveillance by the security services she's ready to quit. But a sudden death changes everything and she returns to Garway to uncover fibres of fear and hatred stitched into history and now insidiously twisted in the corridors and the cloisters of power.

**To Dream of the Dead** Philip Rickman, 2008 Archaeologists are unearthing an ancient row of standing stones in Coleman's Meadow which some people would rather stay buried. Merrily Watkins looks like having a cold and complex Christmas in an ancient community forced to untangle its own history against the swirling uncertainty of the future.

**Merrily Watkins Collection 3** Phil Rickman, 2013

**The Magus of Hay** Phil Rickman, 2013-11-07 The 12th instalment in the Merrily Watkins series. When a man's body is discovered near the picturesque town of Hay on Wye his death appears to be unnatural in every sense. Merrily Watkins, priest, single mother and exorcist is drafted in to investigate. A man's body is found below a waterfall. It looks like suicide or an accidental drowning until DI Frannie Bliss enters the dead man's home. What he finds there has him consulting Merrily Watkins, the Diocese of

Hereford's official advisor on the paranormal. It's nearly forty years since the town of Hay on Wye was declared an independent state by its self-styled king. A development seen at the time as a joke. But the pastiche had a serious side. And behind it, unknown to most of the townsfolk, lay a darker design, a hidden history of murder and ritual magic, the relics of which are only now becoming visible. It's a situation that will take Merrily Watkins on her own for the first time in years and facing public humiliation over a separate case to the edge of madness.      **The Secrets of Pain** Phil Rickman, 2011-09-01

THE 11th INSTALMENT IN THE MERRILY WATKINS SERIES The elite warriors of the Hereford-based SAS know all about pain and the enduring of it. Syd Spicer, ex-SAS trooper, has found himself back the Regiment this time as its chaplain responsible for the spiritual welfare of the hardest men in or out of uniform. Faced with a case which would normally be passed discreetly to Hereford diocesan exorcist Merrily Watkins, Spicer is forced for security reasons to try and handle it himself and is coming close to a breakdown. Meanwhile the scattered communities along the Welsh border have their own crisis. With recession biting deep, urban crime has spilled into the countryside and old barbaric evils are revived. When a wealthy landowner is hacked to death in his own farmyard, the senior investigating officer DI Frannie Bliss is caught in the backlash, his private life in danger of exposure. With the framework of her own world beginning to crack, Merrily Watkins is persuaded to venture into areas where neither a priest nor a woman is welcome to unearth secrets linked with the border's pagan past. Secrets which she knows can never be disclosed.      *The Ghost and the Church Lady* Bobbi Holmes, Anna J McIntyre, 2022-01-27
