Huk,2004-12-10 In this first book length study of Stevie Smith Romana Huk reassesses the work of this major twentieth century woman writer as emerging not only from the practices of female literary modernism but also from within the tumultuous cultural context of mid century Europe Huk considers both the poems and the novels in the light of their cultural and literary context Amongst the work treated here is Smith's rarely discussed trilogy of novels *Novel on Yellow Paper* *Over the Frontier* and *The Holiday* **The Celebrated Elizabeth Smith** Lucia McMahon,2022-10-21 Elizabeth Smith a learned British woman born in the momentous year 1776 gained transnational fame posthumously for her extensive intellectual accomplishments which encompassed astronomy botany history poetry and language studies As she navigated her place in the world Smith made a self conscious decision to keep her many talents hidden from disapproving critics Therefore her rise to fame began only in 1808 when her posthumous memoir appeared In this elegantly written biography Lucia McMahon reconstructs the places and social constellations that enabled Smith's learning and adventures in England Wales and Ireland and traces her transatlantic fame and literary afterlife across Britain and the United States Through re telling Elizabeth Smith's fascinating life story and retracing her posthumous transatlantic fame McMahon reveals a larger narrative about women's efforts to enact learned and fulfilling lives

and the cultural reactions such aspirations inspired in the early nineteenth century Although Smith was cast as exceptional by her contemporaries and modern scholars alike McMahon argues that her scholarly achievements travel explorations and posthumous fame were all emblematic of the age in which she lived Offering insights into Romanticism picturesque tourism celebrity culture and women s literary productions McMahon asks the provocative question How many seemingly exceptional women must we uncover in the historical record before we are no longer surprised *Charlotte Smith and the Sonnet* Bethan Roberts,2019 This book explores Charlotte Smith s Elegiac Sonnets and clarifies its place understood in multiple ways in literary history It argues that Smith s work engages more deeply with tradition than has hitherto been realised and revises our understanding not only of Smith s career but also of the sonnet in eighteenth century England **Romanticism and Women Poets** Harriet Kramer Linkin,Stephen C. Behrendt,2021-10-21 One of the most exciting developments in Romantic studies in the past decade has been the rediscovery and repositioning of women poets as vital and influential members of the Romantic literary community This is the first volume to focus on women poets of this era and to consider how their historical reception challenges current conceptions of Romanticism With a broad revisionist view the essays examine the poetry these women produced what the poets thought about themselves and their place in the contemporary literary scene and what the recovery of their works says about current and past theoretical frameworks The contributors focus their attention on such poets as Felicia Hemans Letitia Elizabeth Landon Charlotte Smith Anna Barbauld Mary Lamb and Fanny Kemble and argue for a significant rethinking of Romanticism as an intellectual and cultural phenomenon Grounding their consideration of the poets in cultural social intellectual and aesthetic concerns the authors contest the received wisdom about Romantic poetry its authors its themes and its audiences Some of the essays examine the ways in which many of the poets sought to establish stable positions and identities for themselves while others address the changing nature over time of the reputations of these women poets *Finding List of the Chicago Public Library* Chicago Public Library,1884 **The Cambridge bibliography of English literature. 3. 1800 - 1900** Frederick Wilse Bateson,1940 *Catalogue of Books in the South End Branch Library of the Boston Public Library* Boston Public Library.
