It takes no advertising, has no axe to grind and is written by Leocha together with an international team of prize-winning ski and snowboard journalists. The writers let skiers and snowboarders know whether the resort is a cluster of condominiums clinging to a steep slope or a traditional mountain village exuding old world atmosphere and whether they should pack a sequined gown or simply blue jeans for the nightlife. They also give a no-nonsense accurate and dependable rating of the ski terrain. Ski Snowboard America includes expanded up-to-date coverage of more than 100 resorts in the U.S. and Canada. Readers will learn about cross-country trails surrounding the resorts as well as details about current prices for lift tickets and ski school programs, complete children and day care programs, plus lodging, dining and nightlife. Simply more important details than any other guide.
