Phelan, Jr.,2000-12 Today we live in an age of information Television radio newspaper magazines and now the Internet inundate the Lord s people with tons of information While there is nothing wrong with healthy information and knowledge much of what we see today is bent upon destroying the foundation of homes families marriages and the faith that was once delivered to the Saints Not only have I observed the damage that this has done in the lives of others I have personally had my faith shaken by Satan s propaganda Day after day being exposed to such information my heart was stirred to raise up a banner not only to teach but to challenge false information and tear down Satan s strongholds The first 14 articles deal with the subject of creation This subject alone has been under constant attack All of the articles are suitable for devotional material They may also be used by parents to teach their children many biblical truths from God s word Each article is short concise simple enough for the child yet deep enough for the theologian **An Old Testament Theology of the Spirit of God** Wilf Hildebrandt,2019-08-19 Wilf Hildebrandt carefully explores the meaning of the Spirit in the Old Testament He examines the role of God s Spirit in creation in the establishment and preservation of God s people in prophecy and in Israel s leadership He unveils the central role that the Spirit plays in creatively bringing about the directives of God Through the Spirit God brings order out of chaos ushers the invisible into reality makes a separation between the sacred and the profane enables specific people to meet particular needs and supersedes natural laws This work sheds light on the Spirit of God in both the Old Testament and the New Testament Wisdom Is a Tree of Life David Melin,2020-11-23 The book of Proverbs was written to develop skillful living and thinking Its wisdom will benefit the inexperienced as well as the mature The title of the book comes from Proverbs 3 18 where the father urges his son to pursue wisdom saying She is a tree of life to those who lay

hold of her The commentary opens with an explanation of the long lectures of the father to his son Then each of the short proverbs are grouped together in common topics This commentary covers the entire book of Proverbs *Journal of a Mad Man* Derrick McCarson,2014-02-19 What is the meaning of life The question has been asked by the brightest philosophical minds for centuries Still to this day answers vary greatly depending on the worldview Solomon the wisest king in Israel s history set all his energies to search for the ultimate meaning of life under the sun His conclusions may shock and surprise you vanity chasing after the wind absurdity vanishing smoke Are these the musings of a genius or of a mad man If you are looking for a candy coated appraisal of life then go ahead and put this book down However if you are looking for a no frills brutally honest ragged edged assessment of reality then you have discovered an indispensable volume In *Journal of a Mad Man* pastor and author Derrick McCarson will carefully guide readers verse by verse through Solomon s meditations recorded in the Old Testament book of wisdom Ecclesiastes Not only will readers attempt to plumb the depths of some of mankind s most vexing questions but they will also discover Solomon s secrets for wise living in a warped world
