SKYLARK

THE PRIDE OF KANSAS PRIDE AND PAIN

Two years have passed, and Sarah, the mail-order bride from Maine, is now part of the Warring family. She and Jacob have fallen even more deeply in love, and his two young children have truly become her own. They live a simple but rich life on the Kansas prairie... until a terrible drought ravages the land. They watch helplessly as one by one, their friends and neighbors abandon their farms... but they vow to stay together and fight for their home as a family. When wells run dry and flash fires threaten their very lives, they, too, are finally forced to make a painful decision that will tear them from their home... and from each other. Separated by miles, but bound together by love, they learn that devotion is what makes them a family... and that love is even more powerful than nature.
