## **Skywriting By Word Of Mouth:**

*Skywriting by Word of Mouth* John Lennon, 1987-10-09 John Lennon wrote *Skywriting by Word of Mouth* an impressive collection of writings and drawings during Yoko Ono's pregnancy with Sean and always planned to have it published. The book's publication was a wish that seemed to end with Lennon's assassination in 1980 and the theft of the manuscript from the Lennons home in 1982. When it was recovered and first published in 1986, *Skywriting* received immediate critical and popular acclaim. Filled with Lennon's extraordinary creative powers and lavishly illustrated with his own drawings, the collection reveals his fertile creative spirit up close and in full force. Included in *Skywriting* are *Two Virgins* written when the public learned that John and Yoko were living together as husband and wife and John's only autobiography *The Ballad of John and Yoko*. In addition, there are notes on his falling in love with Yoko, the breakup of the Beatles, his persecution by U.S. authorities, and his withdrawal from public life. This is a book with John Lennon's spirit on every page, a spirit the world needs to remember.

***The Art And Music Of John Lennon*** Peter Doggett, 2009-12-17 From his childhood paintings to the song he recorded on the day he died, here is a complete catalogue of Lennon's work across many fields: songwriting, performing, drawing, painting, film, poetry, prose, and conceptual art. This magnificent book also contains detailed information about all of the Lennon recording sessions, as part of the Beatles, as a solo artist, and with Yoko Ono. Plus a complete UK and US discography, home demo recordings, composing tapes, studio outtakes, live recordings, collaborations, and interviews. Peter Doggett's fascinating book traces the story of a unique creative adventure that ended too soon but left behind an incalculable legacy of words, images, and music from a giant of rock n roll who always searched for the truth beyond the limits of his frame. Beatles Historian Peter Doggett provides the definitive guide to the imaginative work of John Lennon. This comprehensive account details a man whose life and work were indivisible. Whether it was his amusing drawings to amuse classmates, recording million-selling hits with the Beatles, or making avant garde with Yoko Ono, John Lennon never stopped being a creator. And Doggett explores his vivid imagination across many different Lennon projects spanning many years and creative forms.

***Read the Beatles*** June Skinner Sawyers, 2006-10-31 A must-have volume for all Beatles fans, a career spanning selection of writings about the Fab Four. There are, of course, many books on the Beatles, but this is the only one available that is a comprehensive career-spanning collection of journalism about the legendary band, before and after the breakup. Consisting of more than fifty articles, essays, interviews, record and movie reviews, poems, and book excerpts, many of them rare and hard to find, *Read the Beatles* is an unprecedented compilation that follows the arc of the Fab Four's iconic and idiosyncratic career from their early days in Liverpool through their tragic and triumphant histories after the group's split. The book also includes original essays from noted musicians and journalists about the Beatles' lasting influence and why they still matter today.

***The Beatles Encyclopedia*** Kenneth Womack, 2014-06-30 A fascinating look at the history of the Beatles.

from their formative years through the present day as detailed in hundreds of entries chock full of information never before shared with the public The Beatles have sold at least 2 3 billion albums achieved 6 Diamond 24 Multi Platinum 39 Platinum and 45 Gold albums in the United States alone and continue to experience impressive commercial success now more than at any other time What is it about this iconic group which continues to draw attention from each successive generation even more than 40 years after their disbandment The Beatles Encyclopedia Everything Fab Four provides casual fans and aficionados alike with a comprehensive study of the historical cultural and musical influence of the Beatles providing hundreds of insightful entries that address the people places events and other details that have contributed to the band's status as a global phenomena

**Across the Lines** ,2022-05-16 This third volume of ASNEL Papers covers a wide range of theoretical and thematic approaches to the subject of intertextuality Intertextual relations between oral and written versions of literature text and performance as well as problems emerging from media transitions regionally instructed forms of intertextuality and the works of individual authors are equally dealt with Intertextuality as both a creative and a critical practice frequently exposes the essential arbitrariness of literary and cultural manifestations that have become canonized The transformation and transfer of meanings which accompanies any crossing between texts rests not least on the nature of the artistic corpus embodied in the general framework of historically and socially determined cultural traditions Traditions however result from selective forms of perception they are as much inventions as they are based on exclusion Intertextuality leads to a constant reinforcement of tradition while at the same time intertextual relations between the new literatures and other English language literatures are all too obvious Despite the inevitable impact of tradition the new literatures tend to employ a dynamic reading of culture which fosters social process and transition thus promoting transcultural rather than

intercultural modes of communication Writing and reading across borders becomes a dialogue which reveals both differences and similarities More than a decolonizing form of deconstruction intertextuality is a strategy for communicating meaning across cultural boundaries
