Rossate, 2001-05-17 Timothy Flynn Farrell wondered if he was alive and living this experience if he was dead and this was the afterlife he had earned or if he was only unconscious and this was all a dream The pain he could feel from the struggle he d gone through last night made him truly believe that this was all real He d operate on that premise and that meant that he d better be on guard Flynn as he preferred to be called had begun his month on the battlefield of Kuwait It had been September of 1991 Over the last ten days he had traveled halfway around the world with his Marine unit and ended up in San Diego From there he had traveled back east to Boston and from there up north to North Conway only to arrive a few minutes after his mother was killed in an automobile accident ironically while coming to pick him up Then he had buried her and begun to set his own life back on track suddenly he was blindsided by a recall which cut his leave to those few days What had happened that mysterious night He remembered only driving into a fog and thinking that he was in some kind of a gas attack When he awoke he was thrust back in time to 1941 Not only that but also he was thrust into a confrontation with his own grandfather His grandfather had never been a part of Flynn s life because the man had run off with some woman before Flynn s own father had been born Today Flynn had been able to prove that had not been the truth He knew without a doubt that his grandfather the man who had been scorned by his former friends and neighbors had not run off with the girl No his grandfather had been a hero He had gone to the girl s defense when she was being attacked and he had sacrificed his life and his future in a vain attempt to save her Today Flynn by his presence had changed all of that He d been unable to save the girl Anne Dean she had lost her life He had however saved his grandfather at least he was still alive today He might live and he might not live but in any event if he died it would be as a hero not as a scoundrel Flynn knew that his task now would be to aid in keeping his grandfather alive Sheriff Roberds Eddy Cunningham and Johnny Blue were not nice people and they would do everything in their power to destroy Flynn and Leroy Brown the black man who they still didn t realize was Anne s husband Roberds and Cunningham brother s in law who had a pact and a still unknown history of

killing women were to be feared Not so much for themselves but rather their connections which might allow them to avoid punishment for their crime Johnny Blue he was not going to be a problem because he was merely a hanger on Doctor Ray Ward and Father John Logan were two people that Flynn could count on for support They along with Ray s wife Liddy were the only one s who knew that Flynn was a time traveler Others knew Flynn as Ray s handyman no one special Here he was out of the commotion of the emergency room and in a situation he still didn t grasp The only thing that was making sense was that he Flynn was probably the one with the best understanding of what had happened and therefore the one who could control what was going to happen Now he had to see how this played out *1981-1985 Supplement to Crime Fiction, 1749-1980* Allen J. Hubin,1988 **Climate Incorporated** John Russell Fearn,2015-06-30 When meteorologist Alvin Brook invents a means of controlling the weather he imagines it will lead to his becoming a world benefactor with riches for him and his family Instead Brook and his wife are murdered and his invention stolen and misused by industrialist Marcus Denham Denham creates the mighty empire of Climate Incorporated controlling the world s weather and holding nations to ransom but he does not anticipate that outraged Nature and Brook s son will take their revenge *Girl, Going on 17: Pants on Fire* Sue Limb,2010-10-12 It s never fun when a great summer comes to an end Particularly when one argues with one s adorable but grossly insensitive boyfriend the night before school starts It s such a terrible fight Jess doesn t know are they broken up Should she apologize Too bad Jess is spending all her time in detention and can t talk to Fred to figure it out A sadistic new English teacher has decided Jess needs an attitude adjustment and Jess can t seem to stop making terrible mistakes When she ends up pantless in her own backyard Jess is left to ask herself Where did she go wrong And what can be done to make it up to Fred and salvage this horrible horrible year From the Hardcover edition
