The Small Acts-Performance Tim Etchells,2000 Small Acts documents the work of fourteen performance artists who marked the personal and political resonances of the new Millennium in a series of site specific actions back cover

Photography - A Queer History Flora Dunster,Theo Gordon,2024-02-29 Photography A Queer History examines how photography has been used by artists to capture create and expand the category Queer It bookmarks different thematic concerns central to queer photography forging unexpected connections to showcase the diverse ways the medium has been used to fashion queer identities and communities How has photography advanced fights against LGBTQ discrimination How have artists used photography to develop a queer aesthetic How has the production and circulation of photography served to satisfy the queer desire for images and created transnational solidarities Photography A Queer History includes the work of 84 artists It spans different historical and national contexts and through a mix of thematic essays and artist centred texts brings young photographers into conversation with canonical images Making Site-Specific Theatre and Performance Phil Smith,2018-09-27 This practical accessible and far reaching guide to making site specific theatre and performance emphasises the diversity of approaches to the practice and explores key principles of space and site Phil Smith draws on a wide range of interdisciplinary and international performance examples and uses an innovative variety of exercises to show students and aspiring performance makers how to find a site and generate a performance beyond the theatre building

Queer exceptions Stephen Greer,2018-11-23 Queer exceptions is a study of contemporary solo performance in the UK and Western Europe that explores the contentious relationship between identity individuality and neoliberalism With diverse case studies featuring the work of La Ribot David Hoyle Oreet Ashery Bridget Christie Tanja Ostojic Adrian Howells and Nassim Soleimanpour the book examines the role of singular or exceptional subjects in constructing and challenging assumed notions of communal sociability and togetherness while drawing fresh insight from the fields of sociology gender studies and political philosophy to reconsider theatre s attachment to singular lives and experiences Framed by a detailed exploration of arts festivals as encapsulating the material entrepreneurial circumstances of contemporary performance making this is the first major critical study of solo work since the millennium Making a Performance Emma Govan,Helen Nicholson,Katie Normington,2007-05-14 Making a Performance traces innovations in devised performance from early theatrical experiments in the twentieth century to the radical performances of the twenty first century This introduction to the theory history and practice of devised performance explores how performance makers have built on the experimental aesthetic traditions of the past It looks to companies as diverse as Australia s Legs on the Wall Britain s Forced Entertainment and the USA based Goat Island to show how contemporary practitioners challenge orthodoxies to develop new theatrical languages Designed to be accessible to both scholars and practitioners this study offers clear practical examples of concepts and ideas that have shaped some of the most vibrant and experimental practices in contemporary performance

Authenticity as Performativity on Social Media Allan S. Taylor, 2022-10-11 Authenticity is a highly prized concept on social media but given the history of the term has it been adequately scrutinised This book provides an alternative definition of authentic social media practice and suggests that rather than being an achievable ideal authenticity reveals itself as an unrepeatable temporary interval Applying a post structural lens of performativity Taylor analyses the resurgence of the authentic as a cultural trend and argues that the professionalisation of social media has given rise to a neoliberal authentic that equates productivity with self actualisation questioning whether society should present this as a cultural ideal Using a new critical framework Taylor recontextualises authenticity in a variety of social media practices This includes authentic self representation authentic influence and its effect in influencer culture as well as meme production as an attempt to find authenticity Part reader part manifesto the book asks readers to reappraise authenticity and provides a working definition for future practice

Performance, Transport and Mobility F. Wilkie, 2014-11-13 Performance Transport and Mobility is an investigation into how performance moves how it engages with ideas about movement and how it potentially shapes our experiences of movement Using a critical framework drawn from the mobility turn in the social sciences it analyses a range of performances that explore what it means to be in transit
