Small In The Eye Of A River:

Small in the Eye of a River Frank Mele, 1999-08 These unique essays and stories celebrate a life in which fly fishing is the central ingredient from the magical qualities of a blue dun neck to the intermingling of love music fly fishing and the haunting life of rivers The nine tales and reflections are characterized by a restless searching quality Each piece is different Each registers a unique point of view In some cases Mele speculates about the elusive properties of the blue dun necks as he searches for some ultimate shade and texture some way to define their delicacy at other times he seeks the perfect bamboo fly rod one that will meet all of his exacting dry fly demands At times the world of fly fishing leads him to explore the life of close friends like Dan Brennan or old masters like Theodore Gordon and at times that same world becomes inextricable with the need to protect rivers or his love and practice of music Frank Mele brought a new voice to angling literature delicate elusive earthy witty and ultimately wise Fly fishers everywhere will enjoy this unusual and memorable book 53 4 X 81 2 162 pages
