Stovell, 2016-02-02 Motherhood provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood's meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and

theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood     On Our Way Dorothy Bass, Susan Briehl, 2018-02-01 Early adulthood is a time of possibility uncertainty decision and hope During these years individuals determine how they will approach life challenges and opportunities In On Our Way Christian Practices for Living a Whole Life writers from a variety of backgrounds address topics of particular relevance to young adults The essays are grouped in 5 sections that together express the whole living a whole life attentively together in the real world for the good of all in response to God On Our Way looks at common subjects in fresh meaningful ways It presents study for example as not synonymous with reading books or with academic reflection though it may well include these Instead this essay explains study as a particular kind of attending to Christ and the world a particular stance of curiosity vigilance and openness to learning an openness that extends even to unlearning what we have previously learned to take for granted Other chapters explore such subjects as discerning God's call friendship and intimacy care for creation knowing and loving our neighbors of other faiths doing justice As young adults move away from the confines of home school and church youth group this book will serve as an excellent resource While it speaks from a Christian perspective its broad approach makes it appealing both to Christians and to those who consider themselves spiritual but not religious Well suited for individual reading or group discussion On Our Way is an excellent companion for young adults seeking their place in today's world     **The Well-Rested Woman** Janet Kinoshian, 2002-10-01 Written by former insomniac and longtime journalist Janet Kinoshian who cured herself by using these methods The Well Rested Woman offers sixty inventive ways to help any woman get a good night's sleep Change your sleep by incorporating better habits into your daily life such as Attuning your circadian rhythms Uncovering your chronic sleep positions Writing a sleep biography Crying at night if you want to Making friends with your nightmares Using Feng Shui to bring on sleep Filled with inspiring quotes and lists of sleep promoting herbs and vitamins The Well Rested Woman is every woman's ultimate companion to a lifetime of rejuvenating restful good nights     *Parenting by Developmental Design* Vivian L.
