Madness T.I. Riddle, 2022-11-03 Madness is an intimate journey through the life of the author as he wrestled to overcome personal challenges that kept him in a cycle of homelessness and addiction It is captivating sometimes gritty look at the complicated and confusing struggle for people suffering with mental illness It offers a real glimpse into the torment many people wrestle with from the invisible devastation of abuse and chaos and the behavior effects that result that are frequently overlooked or misunderstood both by the people who need help and those trying to help Through the author s reveals of the heartbreaking process he went through and the amazing amount of support that was needed to break free from homelessness addiction and mental illness it gives a firsthand look at the complexities of healthcare the deficiencies of the mental health system the stigma associated with mental illness and the lack of general understanding about the issues that created both the opioid and homelessness crisis plaguing the most prosperous cities in the United States Madness combines the author s unique perspective as an educated business owner a highly trained insurance professional a father and a sincere man of faith with brutally honest descriptions of the issues and mistakes he needed to face to overcome his circumstances It sheds a unique and relevant light on the urgent struggle society faces to find solutions for the rampant issue of homelessness addiction and mental illness problems that have gotten worse despite billions of dollars that have been raised to address them Madness is

sure to inspire challenge and cause you to question many assumptions you may have about what is at the root of these problems and what must be done to help

Media Madness Otto F. Wahl, 1995 From Psycho Silence of the Lambs Kojak and Melrose Place from books music

cartoons advertising and newspapers we all derive our images of mental illness. These omnipresent media portrayals are at the least insensitive, inaccurate and unfavorable and at the worst stigmatizing and pernicious. In this important book Dr Otto Wahl examines the prevalence, nature and impact of such depictions using numerous examples from film, television and print media. He documents the remarkable frequency of these images and demonstrates how the media has stereotyped the mentally ill through exaggeration, misunderstanding, ridicule and disrespect. Media Madness also shows the damaging consequences of such stereotypes: stigma, rejection, loss of self-esteem, reluctance to seek, accept or reveal psychiatric treatment, discrimination and restriction of opportunity. The forces that shape current images of mental illness are clarified as are the efforts of organizations and individuals to combat such exploitation.

Star Quality Janet Quin-Harkin, 1997. Tia and Tamera are teenage African American twins who were adopted at birth into different families. Tamera lives in an affluent suburb with her single father, a conservative businessman. Tia lives in the city with her single mother, an outspoken seamstress. When the girls discover each other at the mall one day, they persuade their very different parents that they should all live together with some very funny results. Fun-loving Tamera is tired of being in the shadow of superbrain Tia. She auditions for the school play and lands the lead role opposite a gorgeous co-star. But her moment in the spotlight is short-lived when the director replaces her with Tia.

Secret Valentine Janet Quin-Harkin, 1996. **All Rapped Up** Janet Quin-Harkin, 1997. Tia and Tamera are teenage African American twins who were adopted at birth into different families. Tamera lives in an affluent suburb with her single father, a conservative businessman. Tia lives in the city with her single mother, an outspoken seamstress. When the girls discover each other in the mall one day, they persuade their very different parents that they should all live together with some very funny results. Tamera falls for a rap-singing senior and tries to get noticed while Tia's male chauvinist maths teacher makes her doubt there is such a thing as the right guy.

Summer Daze Janet Quin-Harkin, 1997. Tia and Tamera are teenage African American twins who were adopted at birth into different families. Tamera lives in an affluent suburb with her single father, a conservative businessman. Tia lives in the city with her single mother, an outspoken seamstress. When the girls discover each other at the mall one day, they persuade their very different parents that they should all live together with some very funny results. When perfect summer jobs turn sour, Tia and Tamera find a way out as counselors at a summer camp where they can take all the great outdoors has to offer.
