Hill, Holly Wyatt, 2013-08-20 Americans are getting fatter A third of them are now obese not just a few pounds overweight but heavy enough to put their health in jeopardy But one state bucks the trend Colorado is the leanest state in the nation but not because of something in the air or the water Rather it's where diet activity and environment perfectly intersect From their Denver based research facility leading weight loss experts Dr James Hill and Dr Holly Wyatt set out to discover why Coloradans are so slim and how they stay that way They studied the patients in their weight loss clinic along with the lean people of Colorado They also looked for clues in the National Weight Control Registry a scientific database of thousands of successful losers across the country who have dropped an average of 70 pounds and kept it off for 6 years Their comparison of these groups led to an aha moment the discovery of 6 simple habits that keep people in a state of slim With proof that you can live like a lean Coloradan anywhere Hill and Wyatt used those 6 habits as the foundation for their revolutionary plan the Colorado Diet Unlike most diets this one reveals the secrets of people who are in the state of slim whether it's because they've always been slender or because they've lost weight and kept it off over the long term This is critical because what you need to do to for long term weight maintenance is different from what you do to lose weight You must repair your metabolism If you don't you can drop pounds but you won't keep them off The NWCR participants and Colorado residents had intuitively uncovered the right blend of food activity and habits that keep metabolism in top working order Follow their lead and you'll be able to actually eat more food and still stay at a healthy weight The Colorado Diet is divided into three phases with very clear objectives Reignite Rebuild and Reinforce your metabolism In the Reignite and Rebuild phases you'll drop 20 pounds in just 8 weeks as you discover how to eat and move so that you are working with rather than against your body's metabolism With a new flexible metabolism you'll progress into the Reinforce phase where you'll continue to lose weight and solidify your new lifestyle Along the way you'll learn how to make changes in your environment and your mind set so they support rather than thwart your success By following the Colorado Diet you'll get your body into a State of Slim for good **Cooking Thin with Chef Kathleen** Kathleen Daelemans, 2002 Chef Kathleen shares her sassy philosophy and the secrets of her weight loss success story while giving you the tools to make healthy changes for yourself **Trim Healthy Mama Cookbook** Pearl Barrett, Serene Allison, 2015-09-15 In their debut cookbook the Trim Healthy Mamas share hundreds of delicious healthy recipes to help readers successfully slim down while eating well This companion cookbook to the bestselling Trim Healthy Mama Plan is just what readers have been waiting for It features simple mouthwatering recipes for breakfast lunch and dinner including slow cooker and one pot meals hearty soups and salads omelets and waffles pizzas breads and more No Trim Healthy Mama should be deprived so there are also favorite snacks delectable desserts and the smoothies sippers and teas fans love With pantry stocking advice time saving tips and information on how to cook for the entire family the Trim Healthy
