Goodbye Mr. Politician and African Celebration Stephen Kwame Mends, 2012-05-16 This is a simple but perennially recurring African story which must be read by women of all walks of life who have been cheated on or raped by chauvinistic men It has contemporary relevance even in America When you look at Hillary Clinton Elizabeth Edwards may she rest in peace Sandra Bullock O J Simpson s wife may she rest in peace Scott Peterson s wife may she rest in peace Oprah Winfrey Maya Angelou and Elin Woods Nordegren and many others who are not as famous you will see that cheating rape abuse and disrespect still rages in this God s country I am always drawn to a woman because she has some compassionate wisdom and tenderness which I first found in my mother and subsequently several other women My mother is a woman my sisters are women my children are girls and just as I hate my female relatives to be subjected to shame disrespect bias sexual violence domestic violence and painful divorce so do I not want any female go through these Most men are sexual aggressors However to me the only sexual activity that doesn t come with guilt is the one between the legal union of two people Sex in the unmarried union whether in the Western type of dating or rape comes with guilt and consequences No wonder there are so many failed marriages and broken homes For us human beings everything we do in truth honesty compassion and kindness makes us the genuine Homo sapiens that we should be These days we think adultery fornication some marriages and war are right I think that maybe God s commandments I have no problems with them are obsolete because there seems to be a New World Order and we should pray to him to bring new ones to reflect all these follies As I have always realized Homo sapiens should actually be called Homo stultus because we appear to be more foolish wicked and unforgiving than even animals Without women the continuity of humankind will be put to a halt Women suffer Mary suffered a lot to see her son crucified by sinful men and that is enough This is the tragic story of Agya Sei a bigamist It is set in Ghana and involves the eternal themes of power and the corruption of the individual and a society enthralled with its attainment It is a colorful fluid and ultimately engaging story
