The Magdalene Scrolls:

The Magdalene Scrolls Barbara Wood, 2016-12-06 Barbara Wood's 1978 debut novel is now back in print in a new edition from Turner Publishing. When the first of the Magdalene Scrolls arrives, Professor Ben Messer is puzzled, intrigued, excited. What scholar of ancient languages wouldn't be when he held in his hands something even more astonishing than the Dead Sea Scrolls: a scroll just discovered to contain the life story and last confession of a man who had lived in Jerusalem just after the death of Christ. By the time the second scroll arrives, Ben's interest has begun to be more than professional. For it seems that David, the writer of the ancient scrolls, is in many ways very much like Ben, and he seems to be speaking directly to Ben across nearly 2,000 years of history. Before long, the terrifying transformation has begun, and there can be no turning back. What do the words of a Jew who lived 2,000 years ago have to do with today, and with Ben Messer, a man who had forsaken his Jewish identity years ago or thought he had? And why does David's life suddenly seem so much more real and powerful than Ben's own? Why does Ben suddenly shut himself off from the beautiful woman he intends to marry and become involved with Judy Golden, a very different kind of woman? And what will happen if Ben surrenders completely to the power of the scrolls? Before long, the terrifying transformation has begun, and there can be no turning back. **Secrets of the Magdalene Scrolls** Bettye Johnson, Jo Stockstill, 2005 **The Magdalene Scrolls** Stephen C. Norton, 2023-06-17 In 2009, a cache of 1st-century manuscripts was discovered in Southern France. Jeanne Marie de Nord, the young Canadian translator on the archeological team tasked with translating the hundreds of Gnostic and Christian documents, realizes that some of the scrolls are a woman's personal journal. The journal records a story that is hauntingly similar yet disturbingly different from what we think we know of the time. It's a tale of learning, love, conspiracy, and betrayal, and raises many questions: Why were the scrolls buried near Marseille? Who was this woman of the journal? What part did she play in the conspiracy to free Israel from Roman oppression? Why has her tale been suppressed for the last 2,000 years, and who has been suppressing it? As Jeanne translates the scrolls, looking for answers, all she finds are more questions. She had better find answers soon, or she may lose the chance forever. Others are closing in on the project, intent on burying the scrolls for another 2,000 years, and possibly Jeanne along with them. **The Gospels of Mary** Marvin W. Meyer, 2004-04-06 An analysis of the role of Mary Magdalene in the origins of Christianity presents the Gospel of Mary and other religious writings contending that the Church suppressed her story and that she was among Jesus's closest followers. **Secrets of the Magdalene Scrolls** Bettye Johnson, 2004 The Lost Gospel Simcha Jacobovici, 2014-11-12 Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now The Lost Gospel provides the first-ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social family and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm-shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of

Jesus marriage to Mary Magdalene the names of their two children the towering presence of Mary Magdalene a previously unknown plot on Jesus life thirteen years prior to the crucifixion an assassination attempt against Mary Magdalene and their children Jesus connection to political figures at the highest level of the Roman Empire and a religious movement that antedates that of Paul the Church of Mary Magdalene Part historical detective story part modern adventure The Lost Gospel reveals secrets that have been hiding in plain sight for millennia

The Resurrection of Mary Magdalene Jane Schaberg, 2002 The companion to Allister Sparks's award winning The Mind of South Africa this book is an extraordinary account from South Africa's premier journalist of the negotiating process that led to majority rule Tomorrow is Another Country retells the story of the behind the scenes collaborations that started with a meeting between Kobie Coetsee then minister of justice and Nelson Mandela in 1985 By 1986 negotiations involved senior government officials intelligence agents and the African National Congress For the next four years they assembled in places such as a gamepark lodge the Palace Hotel in Lucerne Switzerland a fishing hideaway and even in a hospital room All the while De Klerk's campaign assured white constituents nothing would change Sparks shows how the key players who began with little reason to trust one another developed friendships which would later play a crucial role in South Africa's struggle to end apartheid A gripping fast paced authoritative account of the long and mostly secret negotiations that brought South Africa's bitter conflict to its near miraculous end Sparks's description of these talks sometimes brings a lump to one's throat He shows how the participants deep mutual suspicion was gradually replaced by excitement at the prospect of making a momentous agreement and also by the dawning realization that the people on the other side were human beings perhaps even decent human beings Adam Hochschild New York Times Book Review A splendid and original history Sparks's skillful weaving of myriad strands Mandela's secret sessions with the committee the clandestine talks in England between the African National Congress and the government the back channel communications between Mandela and the A N C in exile the trepidation of Botha and the apparent transformation of his successor De Klerk possesses the drama and intrigue of a diplomatic whodunit Richard Stengel Time Sparks offers many reasons for hope but the most profound of them is the story this book tells Jacob Weisberg Washington Post The most riveting of the many accounts that have been published about the end of apartheid The Economist

The Secret Teachings of Mary Magdalene Claire Nahmad, Margaret Bailey, 2012-01-01 This in depth commentary on the lost material of The Gospel of Mary Magdalene presents Jesus most important and misunderstood disciple as you've never seen her before Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary's teachings from the original Greek and Coptic offers a unique new perspective authors Claire Nahmad and Margaret Bailey utilized inner listening to uncover lost material and they present Mary's ideas in the form of a dialogue between the risen Savior and His disciples Most importantly The Secret Teachings of Mary Magdalene includes a description by Mary of special revelations given to her by Jesus Nahmad and Bailey argues that

Mary was not just the consort of Christ but the feminine Christ herself and in their view the partnership between Jesus and Mary exemplifies the crucial balance of male and female in spiritual and corporeal life It s an interpretation that uncovers a rich subtext in Mary s words offering wisdom on an extraordinary range of concerns from the origins of the human race to the pathway to Christlike consciousness *The Everything Mary Magdalene Book* Meera Lester,2006-02-07 With *The Everything Mary Magdalene Book* you ll unravel the mystery of the Bible s most misunderstood woman As an eyewitness to Jesus resurrection and the turbulent birth of Christianity Mary Magdalene played a crucial yet unexamined role in the Bible until now In this comprehensive investigative guide to the life of Mary Magdalene you ll explore Complete and concise analyses of Mary Magdalene in the New Testament Mary Magdalene s appearance in the Gnostic gospels The shaky basis for the interpretation of Mary Magdalene as a repentant prostitute The modern discoveries and representations of Mary Magdalene as a vital follower of Jesus early movements Mary Magdalene s inspirational role in the world today From her misrepresentation as a fallen woman to her growing impact on modern Christianity *The Everything Mary Magdalene Book* details the Bible s most enigmatic of Jesus followers putting some myths to rest and bringing the truth to light **The Expected One** Kathleen McGowan,2007-04-03 A gripping thriller and a profound spiritual journey that reveals the greatest story never told Two thousand years ago Mary Magdalene hid a set of scrolls in the rocky foothills of the French Pyrenees a gospel that contained her own version of the events and characters of the New Testament Protected by supernatural forces these sacred scrolls could be uncovered only by a special seeker one who fulfills the ancient prophecy of l attendue *The Expected One* When journalist Maureen Paschal begins the research for a new book she has no idea that she is stepping into an ancient mystery so secret so revolutionary that thousands of people have killed and died for it She becomes deeply immersed in the mystical cultures of southwest France as the eerie prophecy of *The Expected One* casts a shadow over her life and work and a long buried family secret comes to light Ultimately she comes face to face with Jesus Christ Mary Magdalene John the Baptist Judas and Salome in the pages of a deeply moving and powerful new gospel the life of Jesus as told by Mary Magdalene CONTAINS NEW UNPUBLISHED MATERIAL FROM THE ARQUES GOSPEL **Secret Scrolls** Robert M. Price,2010-12-27 *Secret Scrolls* is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one s religious convictions more tentatively having become genuinely vulnerable to

new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls

The Secret Scroll Andrew Sinclair, 2012-09-28 This is the story of how a little known manuscript in a Masonic Lodge in Kirkwall has become one of the most important historical documents of the Middle Ages It is also the story of the Templars who were its guardians and of what happened to them after the Crusades Although references to this famous order of military knights rarely appears in standard histories of the time a great deal of information about them can be gleaned from other more esoteric sources such as sculpture and architecture Suppressed by Philip of France out of greed the Templars were gradually driven underground in more and more European countries Yet they continued to exist still guarding the knowledge and relics that they had gathered for the defence of the Holy Land It is this that connects all this to Henry St Clair Earl of Orkney and Grand Master of the Knights Templar and discoverer of America All of these threads come together in one extraordinary scroll still in Kirkwall which reveals in full the secrets of the Knights Templar

The Magdalene Legacy Laurence Gardner, 2007-03-31 From the best selling author of *The Bloodline of the Holy Grail* and *Lost Secrets of the Sacred Ark* comes an explosive historical detective story presenting secret archives on the mysterious life of Mary Magdalene the hidden lineage of Jesus and Mary and the real two thousand year old conspiracy involving the entire history of Christianity Mary Magdalene is described in the New Testament as Jesus' close companion a woman he loved and his financial sponsor And yet in contrast the Church teaches that she was a prostitute who became repentant Why the discrepancy between scripture and dogma Why does Mary appeal so romantically to artists who have painted her throughout the centuries as something much more significant than the Church traditionally portrays What is the secret of Mary Magdalene and how much do we really know about her relationship with Jesus Were they married Did they have children and if so who makes up the messianic lineage Laurence Gardner takes us on a detective trail to piece together the true controversial significance of the Magdalene story and its astonishing implications These include the real da Vinci connection the true meaning behind Leonardo da Vinci's paintings and why the Renaissance Church censored portrayals of the Magdalene and information on the sacred marriage of Jesus and Mary Magdalene Plus the truth about the enigmatic Templar society called the Priory of Scion and the underground stream that protected the sacred heritage of the messianic descendents And much more

The Gospel of Mary of Magdala Karen L. King, 2003 Lost for more than fifteen hundred years the Gospel of Mary is the only existing early Christian gospel written in the name of a woman Karen L King

tells the story of the recovery of this remarkable gospel and offers a new translation This brief narrative presents a radical interpretation of Jesus teachings as a path to inner spiritual knowledge It rejects his suffering and death as a path to eternal life and exposes the view that Mary Magdalene was a prostitute for what it is a piece of theological fiction The Gospel of Mary of Magdala offers a glimpse into the conflicts and controversies that shaped earliest Christianity The Magdalene Lars Muhl,2017-06-13 This real life gnostic thriller offers an esoteric biography of Mary Magdalene her training in the Egyptian mystery school her marriage to Jesus and her escape to France after his death A story that for too long has been crying out to be told Henry Lincoln author of Holy Blood Holy Grail Mary Magdalene is arguably one of Jesus best known disciples and yet we know very little about her From the writing of the New Testament to the filming of The Da Vinci Code her image has been repeatedly conscripted contorted and contradicted Mary is considered by many as an outcast underserving of Jesus s love In this follow up book to The Seer we join Lars Muhl as he seeks to find out more about the intimate relationship between Jesus Yeshua and Mary Magdalene This is the story of a forgotten feminine power recounted in parallel to the author s journey The Magdalene is the second book in the Grail Trilogy otherwise known as The O Manuscript

Red Sea Scrolls Trebor St. Dragon,2014-03-17 The Book is a revision to the standard Biblical Version of the Old and New Testaments It is theoretical version of a scroll written by a long lost Hebrew tribe known as the Baabs and their work was discovered by Trebor St Dragon and transcribed by him with some comments added by my brothers participants and with explanatory notes **The Quest For Mary Magdalene** Michael Haag,2016-03-17 Mary Magdalene is a larger figure than any text larger than the Bible or the Church she has taken on a life of her own She has been portrayed as a penitent whore a wealthy woman Christ s wife an adulteress a symbol of the frailty of women and an object of veneration And to this day she remains a potent and mysterious figure In the manner of a quest this book follows Mary Magdalene through the centuries explores how she has been reinterpreted for every age and examines what she herself reveals about woman and man and the divine It seeks the real Mary Magdalene in the New Testament and in the Gnostic gospels where she is extolled as the chief disciple of Christ It investigates how and why the Church recast her as a fallen woman it traces her story through the Renaissance when she became a goddess of beauty and love and it looks at Mary Magdalene as the feminist icon she has become today The Meaning of Mary Magdalene Cynthia Bourgeault,2010-09-14 The author of The Wisdom Jesus takes readers on a journey to discover the real Mary Magdalene and finds a powerful ancient model for 21st century spirituality Mary Magdalene is one of the most influential symbols in the history of Christianity yet if you look in the Bible you ll find only a handful of verses that speak of her How did she become such a compelling saint in the face of such paltry evidence In her effort to answer that question Cynthia Bourgeault examines the Bible church tradition art legend and newly discovered texts to see what s there She then applies her own reasoning and intuition informed by the wisdom of the ages old Christian contemplative tradition What emerges is a radical view of Mary Magdalene as Jesus s most important disciple the one he

considered to understand his teaching best That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity how Christians and others can through her find their way to Jesus s original teachings and apply them to their modern lives Song of the Magdalene Donna Jo Napoli,2015-09-01 The story of a teenage Mary Magdalene here called Miriam is finally told When the world goes dark and her mind explodes within her Miriam s future is shattered In ancient Israel such seizures make her unclean If anyone finds out about them she will be an outcast Only Abraham the son of Hannah her caretaker shares her secret Abraham too is afflicted a perfect mind in an imperfect body and to the villagers he is an idiot To Miriam he is a savior **In Search of Mary Magdalene** Diane Apostolos-Cappadona,American Bible Society,2002 Examines the multiple personae of Mary Magdalene illustrated throughout the canon of Western art
