**S. S. Pugh**

## The Magic Bridle:

**The Magic Bridle**, 1992      *Walks and Wanderings in the World of Literature* James Grant, 1839      The Magic Bridle, and Other Folk Tales from Great Britain and Ireland Forbes Stuart, 1974      *The Magic Bridle*,      **The Magic Kingdom of Landover Volume 1** Terry Brooks, 2009-08-18 Capture the fantasy thrills and far flung adventure of the first three novels in Terry Brooks's enchanting Magic Kingdom of Landover series now for the first time in one gripping volume Chicago lawyer Ben Holiday can't fathom what lies ahead when he purchases Landover a magical kingdom of chivalry and sorcery from Meeks the mysterious seller who placed the ad. Weary and jaded Ben clings to the ad's promise. Escape into your dreams. But Landover is not the enchanted idyll he expected. The kingdom is in ruin. The barons refuse to recognize Ben as King. A dragon is decimating the countryside and a demon lord has challenged any prospective ruler to a fatal duel. To make matters worse the Paladin renowned champion of the Kings of Landover seems to be merely a legend. Ben's only allies are a bumbling court magician, a talking dog turned court scribe and the beautiful Willow who is part girl part tree. With his friends in tow Ben sets out to claim the throne. But when Meeks decides he wants Landover back Ben will face supernatural foes of every stripe to prove himself worthy of the kingship. The question is Can he survive      *The Horse in Magic and Myth* M. Oldfield Howey, 1923      **The Ocean of Story** Somadeva Bhaṭṭa, 1926      The Dublin University Magazine, 1867      **Tales of Heroes and Great Men of Old** S. S. Pugh, 1872      Tales of heroes and great men of old, by the author of 'Stories and pictures from Church history'. S. S. Pugh, 1873      *University Magazine*, 1867      South from Hell-fer-Sartin Leonard W. Roberts, 2021-11-21 South from Hell fer Sartin a short creek flowing into the Middle Fork of the Kentucky River lies one of the of the most isolated regions in Kentucky. There on the north slope of the Pine Mountain range in Leslie and Perry counties probably the last stronghold of white English language folk tales in North America Leonard W Roberts recorded this rich collection more than three decades ago. To a people who at that time watched dancing hearth fires more often than television the adventures of Jack in the land of witches and giants monsters and beautiful princesses provided first class entertainment. Here are such old favorites as Sleeping Beauty and The Golden Arm retold in the idiom of the Kentucky mountains. Here are hauntingly beautiful cantes fables and earthy Irishman jokes. Here are encounters with Indians and marvelous hunting escapades. Roberts introduces his collection first published in 1955 with a sympathetic description of the mountain way of life. He notes especially the bewildering and rapid changes that came to the Pine Mountain watershed in that decade as the highways and electric lines at last brought in a sophistication that preferred the soap opera to the folk tale. Although the stories Roberts recorded were still a firm part of folk tradition at the time he believed that within a decade or two they would be forgotten a prediction sadly by now no doubt fulfilled. Any lover of the vanishing art of tale telling will relish this rich treasury of folklore and humor. Full notes on sources types motifs parallels and possible origins of the tales make this collection valuable also for folklorists      *The Anniversary* Allan Cunningham, 1829      The Anniversary; Or, Poetry and

Prose for 1829. Edited by Allan Cunningham Allan Cunningham, 1829      *The Old Magic of Christmas* Linda

Raedisich, 2025-08-05 'Tis the Season for Witches, Elves and a Legion of Ghosts Not so very long ago Yuletide was as much a chilling season of ghosts and witches as it was a festival of goodwill. In *The Old Magic of Christmas* you'll rub elbows with veiled spirits, learn the true perils of elves and discover a bestiary of enchanted creatures. Rife with the more frightful characters from folklore and the season's most petulant ghosts, this book takes you on a spooky sleigh ride from the silvered firs of a winter forest to the mirrored halls of the Snow Queen. Along the way, you'll discover how to bring the festivities into your home with cookie recipes and craft instructions, as well as tips for delving more deeply into your relationship with the unseen. Praise steeped in history and adorned with a bit of enchantment, *The Old Magic of Christmas* is the perfect book to read by a winter's fire with a mug of mulled cider in hand. Deborah Blake, author of *The Witch's Broom*. A fascinating journey into the stories behind the tinsel and bows. Doreen Shababy, author of *The Wild Weedy Apothecary*. An intriguing little tome that explores the darker side of the Yuletide holiday. Ellen Dugan, author of *The Enchanted Cat*.      **The Sorcerer's**

**Apprentice** Jack Zipes, 2017-03-27 A diverse new anthology that traces the meaning and magic of the sorcerer's apprentice tale throughout history. The Sorcerer's Apprentice might conjure up images of Mickey Mouse from the Disney film *Fantasia* or of Harry Potter. As this anthology reveals, however, sorcerer's apprentice tales in which a young person rebels against or complies with an authority who holds the keys to magical powers have been told through the centuries in many languages and cultures from classical times to today. This unique and beautifully illustrated book brings together more than fifty sorcerer's apprentice stories by a plethora of writers including Ovid, Sir Walter Scott, and the Brothers Grimm. From Goethe's *The Pupil in Magic* to A. K. Ramanujan's *The Guru and His Disciple*, this expansive collection presents variations of a classic passed down through countries and eras. Readers enter worlds where household objects are brought to life and shape-shifting occurs from human to animal and back again. We meet two types of apprentice: The Humiliated Apprentice, a foolish bumbler who wields magic ineffectively and promotes obedience to authority; and The Rebellious Apprentice, who through ambition and transformative skills promotes empowerment and self-awareness. In an extensive introduction, esteemed fairy tale scholar Jack Zipes discusses the significance and meaning of the apprentice stories, the contradictions in popular retellings, and the importance of magic as a tool of resistance against figures who abuse their authority. Twenty specially commissioned black and white illustrations by noted artist Natalie Frank bring the stories to visual life. The Sorcerer's Apprentice enlightens and entertains readers with enduring spellbinding tales of sorcery that have been with us through the ages.      **The Magic of**

**Scotland - 70+ Scottish Historical Novels, Adventure Classics & Romance Novels** Robert Louis Stevenson, John Buchan, George MacDonald, Walter Scott, J. M. Barrie, 2023-12-14 *The Magic of Scotland: 70 Scottish Historical Novels, Adventure Classics, Romance Novels* weaves a rich tapestry of narrative ingenuity, echoing the rugged landscapes and tumultuous history of Scotland. Spanning a wide array of literary styles from heart-pounding adventures to poignant

romances this collection presents a captivating journey through Scotland's cultural and historical fabric. Each piece contributes its own unique shade to the mosaic, immersing readers in Scotland's mythical past and its vibrant storytelling tradition. The anthology showcases the collective prowess of renowned authors such as Robert Louis Stevenson, John Buchan, George MacDonald, Walter Scott, and J. M. Barrie. Their works, steeped in the historical and cultural ethos of Scotland, speak to the literary movements that have shaped Scottish literature. Despite their varied backgrounds, these authors collectively portray Scotland's complex identity, offering perspectives that range from romantic idealism to gritty realism and deeply imbued with adventure and fantasy. Their collective voices highlight the enduring spirit and the timeless allure of Scottish tales. Readers are invited to explore this compendium for an unparalleled literary journey that spans centuries of Scottish storytelling. The anthology not only entertains but also educates, offering a profound insight into the enduring cultural narratives that shape our understanding of Scotland. It provides an invaluable opportunity to witness the convergence of perspectives and literary styles, inviting readers to experience the magic that these quintessentially Scottish stories evoke.
