

THE MAIMED

HERMANN UNGAR

The Maimed Dedalus European Clabics

M Lipman

The Maimed Dedalus European Clabics:

The Boy from Boskovice Vicky Unwin, 2021-01-21 Vicky Unwin had always known her father an erstwhile intelligence officer and respected United Nations diplomat was Czech but it was not until a stranger turned up on her doorstep that she discovered he was also Jewish So began a quest to discover the truth about his past one that perhaps would help answer the niggling doubts she had always had about her perfect father Finally persuading him to allow her to open a closely guarded cache of family books and papers Vicky discovered the identity of her grandfather the tormented author and diplomat Hermann Ungar hugely controversial in both life and in death who was a protégé and possible lover of Thomas Mann and a friend of Berthold Brecht and Stefan Zweig How much of her father's child was Vicky and how much of his father's child was he As Vicky worked to uncover deeply buried family secrets she would find herself slowly unpicking the lingering power of survivors' guilt on the generations that followed the Holocaust and would learn via a deathbed confession of the existence of a previously unknown sister Together the sisters attempted to come to terms with what had made their father into the deeply flawed complex yet charismatic man he has always been journeying together through grief and heartache towards forgiveness

The Dedalus Book of Austrian Fantasy, 1890-2000 Mike Mitchell (Translator), 2003 Ever since the fin de siècle Austrian literature has been fertile ground for fantasy in the widest sense and the genre was taken up again by new generations after the Second World War The Dedalus Book of Austrian Fantasy 1890-2000 contains stories from authors of the 1890s Schnitzler Hofmannsthal the years around the First World War Kafka Meyrink the post war era when Kafka was rediscovered Jeannie Ebner Ilse Aichinger to the present day H C Artmann Michael Koehlmeier The stories range from the Freudian to the Kafkaesque to the surreal grotesque comic occult and straightforwardly supernatural A S Byatt described it in The Guardian as one of the best anthologies she has ever read

Forthcoming Books Rose Arny, 2002 **The Class** Hermann Ungar, 2004 Josef Blau is a high school teacher who comes from a poor background poorer than that of most of his pupils The insecurity this causes him leads to an obsession with order and discipline He senses his pupils watching him waiting for the slightest weakness the least infringement he feels will lead to the complete collapse of this tightly ordered world The other focus of his obsession is his attractive wife Despite all the evidence and her assurances he cannot believe she will be faithful to him He forces her to shave her hair and wear clothes that are no more than shapeless sacks yet still cannot conquer his fears Catastrophe is looming and once the first breach is made inevitable We are all schoolchildren Blau says in one great class

Simplicissimus Johann Grimmelshausen, 2010-11-14 Mike Mitchell's translation of Simplicissimus was shortlisted for the Oxford Weidenfeld Translation Prize It is a violent and often all too realistic picaresque set in war-torn Europe during the 17th century Thirty Years War Simplicissimus is the eternal innocent the simple minded survivor and we follow him from a childhood in which he loses his parents to the casual atrocities of occupying troops through his own soldiering adventures and up to his final vocation as a hermit alone on an island It is Rabelasian in some respects but more

down to earth and melancholy Phil Baker in The Sunday Times It is the rarest kind of monument to life and literature for it has survived almost three centuries and will survive many more It is a story of the most basic kind of grandeur gaudy wild raw amusing rollicking and ragged boiling with life on intimate terms with death and evil but in the end contrite and fully tired of a world wasting itself in blood pillage and lust but immortal in the miserable splendour of its sins Thomas Mann

The Maimed Hermann Ungar, 2002 Franz Polzer is a man who is dominated by irrational fears even a friendly smile seems to conceal a hidden menace He keeps the world at bay by organising his life according to the meticulous routine of his work as a bank clerk He even rejects promotion because it brings the unknown that will threaten to upset his ordered existence But this precarious order is disturbed by the sexual demands of his landlady Once the first breach has occurred he is dragged inexorably down into an abyss of degradation which ends in a grisly murder The horror of Polzer's fall is emphasised by the matter of fact sobriety of Ungar's narrative style For Stefan Zweig The Maimed was wonderful and horrible captivating and repulsive unforgettable although one would be glad to be able to forget it Dedalus European classics , **The Literary World** , 1848 **TŁS, the Times Literary Supplement** , 1992 **Women, Violence, and English Renaissance Literature** Paul A. Jorgensen, 2003 **Arts & Humanities Citation Index** , 2001

If you ally compulsion such a referred **The Maimed Dedalus European Clabics** ebook that will offer you worth, acquire the definitely best seller from us currently from several preferred authors.
