The Make Over:

The Makeover Katherine Sender, 2012-10-29 The first book to consider the rapid rise of makeover shows from the perspectives of their viewers Watch this show buy this product you can be a whole new you Makeover television shows repeatedly promise self renewal and the opportunity for reinvention but what do we know about the people who watch them As it turns out surprisingly little The Makeover is the first book to consider the rapid rise of makeover shows from the perspectives of their viewers Katherine Sender argues that this genre of reality television continues a long history of self improvement shaped through contemporary media technological and economic contexts Most people think that reality television viewers are ideological dupes and obliging consumers Sender however finds that they have a much more nuanced and reflexive approach to the shows they watch They are critical of the instruction the consumer plugs and the manipulative editing in the shows At the same time they buy into the shows imperative to construct a reflexive self an inner self that can be seen as if from the outside and must be explored and expressed to others The Makeover intervenes in debates about both reality television and audience research offering the concept of the reflexive self to move these debates forward The Makeover in Movies Elizabeth A. Ford, Deborah C. Mitchell, 2004-04-14 The plots of many films pivot on the moment when a dowdy girl with bad hair ill fitting outdated clothing and thick glasses is changed into an almost unrecognizable glamour girl Makeover scenes such as these are examined beginning with 1942 s Now Voyager The study examines whether the film makeover is voluntary or involuntary whether it is always successful how much screen time it takes up where in the narrative structure it falls and how the scene is actually filmed Films with a Pygmalion theme such as My Fair Lady Vertigo and Shampoo are examined in terms of gender relations whether the man is content with his creation and what sort of woman is the ideal Some films publicity capitalizes on a glamorous star s choice to play an unattractive character as discussed in a chapter examining stars like Bette Davis Meryl Streep and Cameron Diaz Topics also include folk literature s Cinderella tale men as the inspiration for makeovers in teen flicks films like Clueless She s All That and Me Natalie and class repositioning in such movies as Working Girl Pretty Woman and Grease Photographs are presented in a before after format showing the change in the makeover character **Makeover TV** Brenda R. Weber, 2009-11-20 Examines the phenomenon of makeover television in order to explore how these shows participate in cultural debates about body modification empowerment gender roles and personal responsibility **The Makeover Horse** Natalie Keller Reinert, 2024-03-26 Mackenzie s life needs a complete makeover Just like her retired racehorse Halfway between a quarter life crisis and a midlife one that s where you ll find Mackenzie O Neill With the glitter of West Palm Beach and the debris of a failed marriage in her truck s rear view mirror she s heading to North Florida to start over as a groom for show jumper Basil Han and his girlfriend Kayla Moore The Sweetheart Horse With her she brings a retired racehorse she loves with all her heart and her hope of taking him to the Thoroughbred Makeover competition in Kentucky Oh and a lot of emotional baggage about controlling men She s looking

forward to healing and personal growth on a quiet farm She didn't know about the farrier renting stalls and an apartment in the same barn where she'll be living and working As Mackenzie works on repairing her life and retraining her off track Thoroughbred she finds it harder and harder to resist this quiet giant of a man who rehabs racehorses with a gentle hand But she knows better than to let a charming man past her defenses Even one who lives just across the barn aisle Even one who might be her only hope to get her beloved ex racehorse to the Thoroughbred Makeover Book Five in the heartwarming Ocala Horse Girls series brings back old friends and introduces new ones in a relatable emotional and thoroughly horsey adventure Combining the best of romantic comedy and women's fiction the Ocala Horse Girls are full of fun heart and friendship
