The Making of a Man of God Alan Redpath, 2004-03-01 The conversion of a soul is the miracle of a moment the manufacture of a saint is the task of a lifetime The turbulent and triumphant incidents in the life of the shepherd king David illustrate that truth most clearly Despite his faults great and small David became a man who wondrously understood and reflected the mind of a perfect God Beloved author Alan Redpath brings David to life and shows us how we can learn from a man who was utterly human but reached for the divine Richly blending insights from 1 and 2 Samuel 1 Chronicles and portions of the Psalms Redpath demonstrates how God shapes those who are responsive to His love even through times of trial and despair Through an understanding of David s great faith in the midst of trouble and tranquility we can draw closer to God and come into a better understanding of His grace and salvation *The Making of a Man of God* Alan Redpath, 1962

*The Road Warrior After God's Own Heart* Bryan Paul Buckley, 2023-10-16 The road Those that travel for business know what I mean by the challenge of the road The road is hard from staying in shape eating and getting any rest to keeping up with the work connecting with your family back home and just finding a few minutes to yourself to think and catch your breath Then you add the relentless distractions and temptations that only a road warrior knows and experiences The evil one whispers everything from Nobody will ever know to It s the cost of doing business to win or keep the deal so it s okay right The guilt shame and regret of the spiritual road warrior are all too often overwhelming and paralyzing One of my biggest challenges on the road is not only finding time alone with God but specially reading something that can relate to my life as a business traveler Until now So why David And what does he have to do with the life of a business traveler Plenty

Samuel Each person has strengths as well as weaknesses which proves that they were real people God makes sure to show the good and the bad things that happened in David s life so that we can learn from them and hopefully not repeat his mistakes in our own lives Do you love God but feel that you have made too many mistakes in your life for God to ever use you to do something great David was said to be a man after God s own heart and yet he still made bad choices This book proves that you can never make any mistake that God cannot forgive God looks for people with willing hearts not perfect people Are you willing to hear what God has to say If so join me in studying the life of David and I guarantee that God will speak to you

Paterson Smyth, Uphilas their bishop when translating the Old Testament for the Goths long ago omitted altogether the four books of Samuel and Kings lest the stories of battle should stimulate too much the fierce spirit of the barbarians In facing the task before me now I could almost wish that it were possible to imitate Bishop Uphilas though for a very different reason For what is one to do with this vast mass of sacred literature nearly thirty books more than three fourths of the whole Old Testament that is covered by the story of the Prophets and Kings How can one deal with it in a single Book of Lessons One might perhaps tell of the kings alone but it would be of little value leaving out their prophets Besides I want to make the prophets stand out in their places each in his own environment each under his own kings to make the pupil acquainted with them and interested in them as men in the hope that he may thus be more induced to acquaint himself and interest himself in some of their writings and also be more likely to understand what they had in their minds The prophets except Isaiah are very little read Groups of sermons and speeches taken out of their setting in time and place with little or no indication as to author or environment are not likely to be interesting Now this is a very large undertaking Covering so wide a field lessons in detail are clearly impossible After full consideration I have decided to treat the whole subject in bold broad outline omitting all but the salient features and trying to keep the personal interest by making it into a series of biographies **Ipsa Facto** Don Leichel,2012-12 An antidote to THE DA VINCI CODE unravels concealed messages in prophetic texts identifying Jesus as the Messiah using a scholarly approach in tackling some of the most challenging questions surrounding the emergence of Christianity *Lessons from the Old Testament* ,1922 **The Standard** ,1901

The Life Of David As Reflected In His Psalms Alexander Maclaren, 2023-12-01. The Life of David by Alexander Maclaren is a thorough and incisive analysis of one of biblical history's most memorable figures. Maclaren's study digs into the life, character, and spiritual journey of King David, ancient Israel's beloved and complex ruler. Maclaren's writing is distinguished by a genuine regard for the biblical story and a rigorous attention to detail. He takes readers on a riveting trip through David's life, from his humble beginnings as a shepherd to his rise as a warrior, poet, and eventually the acclaimed king of Israel. Maclaren presents profound spiritual and moral insights throughout the book, pulling lessons from David's accomplishments and disappointments. He emphasizes David's psalms, emphasizing their enduring spiritual value. The premise that David's life serves as a strong metaphor of God's grace, forgiveness, and the possibility of spiritual growth and restoration is central to Maclaren's narrative. He depicts David as a highly flawed yet genuinely contrite character whose unwavering faith in God defines his legacy. *Gospel Herald*, 1923. The Church School Journal, 1876.
