**The Cause That Failed: Communism in American Political Life**

Guenter Lewy,1990-09-13 From a height of almost 100 000 members during the Depression when politicians workers and intellectuals were drawn into its orbit the American Communist Party has descended into irrelevance and isolation failing even to run a presidential candidate in 1988 Indeed as Guenter Lewy writes in this critical account of American Communism despite decades of feverish activity and ferocious discipline it was a cause doomed to fail from the very beginning In The Cause that Failed Lewy offers an incisive narrative of the American Communist Party from the days of John Reed to the advent of glasnost He traces its origins and development underscoring how its devotion to Moscow and inflexible Marxist ideology isolated it from the American scene in fact most of its first members were Eastern European immigrants During the left wing tide of the Depression the Communist Party reached the peak of its influence as it joined labor unions and progressive organizations in a Popular Front But Lewy reveals the deceptive antidemocratic self defeating tactics the Communists pursued even then as they manipulated front organizations seized control of political parties peace groups and labor unions and enforced political conformity among members and sympathizers He follows the Party through its inexorable decline in the succeeding decades up to its current position as one of the last Stalinist parties left in a world of glasnost and perestroika Lewy also provides a sharply critical discussion of the encounter between Communism and liberal and mainstream America He examines such groups as the ACLU and SANE arguing that the years when these organizations were tolerant toward Communists were also the times when they neglected their original purpose in favor of partisan causes He shows how Communists have manipulated well meaning citizens in the peace movement and in Wallace s 1948 Progressive Party presidential campaign One of the great ills Americans suffer he writes is an overreaction to McCarthyism an atmosphere of anti anticommunism which blinds them to the wrongs wrought by international Communism and makes them ignore the deceptive role played by the American Communist Party which even today still keeps eighty percent of its membership secret The Cause that Failed presents an intensively researched and trenchantly argued historical analysis of Communism in America Guenter Lewy s provocative account provides a new understanding of Communism s machinations in U S politics and how Americans from across the political spectrum have responded to its challenge *Three American*

*Radicals* Sender Garlin,2019-08-22 Sender Garlin is a veteran journalist and pamphleteer who has interviewed such figures as Theodore Dreiser Clarence Darrow and Emma Goldman and was present at all the Moscow purge trials of the 1930s Here he writes on three Americans involved in forging a new political force before and just after the turn of the century **The**

**Good Life of Helen K. Nearing** Margaret O. Killinger,2007 A lively biography of the famous homesteader and author Helen Knothe Nearing **Stories of Home** Devika Chawla, Stacy Holman Jones,2015-09-17 Stories of Home Place Identity Exile

offers a window into the distinct ways that home is theorized and conceptualized across disciplines The essays in this volume

consider how people speak and story home in their everyday lives why home is central to our notion of who we are and how making home a unit of analysis in research makes a strong conceptual contribution to the field of communication This collection engages home from diverse contexts and disparate philosophical underpinnings at the same time the essays converse with each other by centering their foci on the relationship between home place identity and exile Home how we experience it and what it says about the selves we come to occupy is an exigent question of our contemporary moment Stories of Home Place Identity Exile delivers timely and critical perspectives on these important questions The Intercollegiate Socialist Society, 19051921 Max Horn,2019-07-16 The Intercollegiate Socialist Society prototype of the modern American student movement and the ancestor of Students for a Democratic Society SDS was the first nationally organized student group that had a distinct political and ideological orientation Its social and economic concerns among them the labor and women s suffrage movements encompassed most of the issues agitating a rapidly changing society during the first two decades of this century The ISS started a tradition of student political awareness and protest that has persisted to our day For more than 15 years it provided a forum for a group of gifted young men and women who then and later exercised influence far out of proportion to their numbers This first full scale study of the ISS follows the society from its birth in 1905 to its decline during World War I and the postwar period Relying largely on original sources Horn examines the structure ideology program and tactics of the ISS and assesses its impact on students faculty and college administrators

**The Oxford Companion to American Literature** James D. Hart,Phillip Leininger,1995-10-12 For more than half a century James D Hart s The Oxford Companion to American Literature has been an unparalleled guide to America s literary culture providing one of the finest resources to this country s rich history of great writers Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters For the sixth edition editors James D Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982 To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O Brien Louise Erdrich Don De Lillo poets Rita Dove Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann In addition the Companion boasts more women s African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M F K Fisher William Least Heat Moon Ursula Le Guin and Oscar Hijuelos among many others These additions represent only some of the revisions for the new edition Of course the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever With over 5 000 total entries The Oxford Companion to American Literature reflects a dynamic balance between past and contemporary literature surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and

from Walt Whitman to William F Buckley Jr There are over 2 000 biographical profiles of important American authors with information regarding their styles subjects and major works and influential foreign writers as well as other figures who have been important in the nation s social and cultural history There are more than 1 100 full summaries of important American novels stories essays poems with verse form noted plays biographies and autobiographies tracts narratives and histories The new edition provides historical background and astute commentary on literary schools and movements literary awards magazines newspapers and a wide variety of other matters directly related to writing in America Finally the book is thoroughly cross referenced and features an extensive and fully updated index of literary and social history Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice the sixth edition of The Oxford Companion to American Literature is up to date accurate and comprehensive a delight for both the casual browser and the serious student

*Savage Peace* Ann Hagedorn, 2007-04-10 Written with the sweep of an epic novel and grounded in extensive research into contemporary documents *Savage Peace* is a striking portrait of American democracy under stress It is the surprising story of America in the year 1919 In the aftermath of an unprecedented worldwide war and a flu pandemic Americans began the year full of hope expecting to reap the benefits of peace But instead the fear of terrorism filled their days Bolshevism was the new menace and the federal government utilizing a vast network of domestic spies began to watch anyone deemed suspicious A young lawyer named J Edgar Hoover headed a brand new intelligence division of the Bureau of Investigation later to become the FBI Bombs exploded on the doorstep of the attorney general s home in Washington D C and thirty six parcels containing bombs were discovered at post offices across the country Poet and journalist Carl Sandburg recently returned from abroad with a trunk full of Bolshevik literature was detained in New York his trunk seized A twenty one year old Russian girl living in New York was sentenced to fifteen years in prison for protesting U S intervention in Arctic Russia where thousands of American soldiers remained after the Armistice ostensibly to guard supplies but in reality to join a British force meant to be a warning to the new Bolshevik government In 1919 wartime legislation intended to curb criticism of the government was extended and even strengthened Labor strife was a daily occurrence And decorated African American soldiers returning home to claim the democracy for which they had risked their lives were badly disappointed Lynchings continued race riots would erupt in twenty six cities before the year ended and secret agents from the government s Negro Subversion unit routinely shadowed outspoken African Americans Adding a vivid human drama to the greater historical narrative *Savage Peace* brings 1919 alive through the people who played a major role in making the year so remarkable Among them are William Monroe Trotter who tried to put democracy for African Americans on the agenda at the Paris peace talks Supreme Court associate justice Oliver Wendell Holmes Jr who struggled to find a balance between free speech and legitimate government restrictions for reasons of national security producing a memorable decision for the future of free speech in America and journalist Ray Stannard Baker confidant of President Woodrow Wilson who watched carefully as Wilson s

idealism crumbled and wrote the best accounts we have of the president's frustration and disappointment Weaving together the stories of a panoramic cast of characters from Albert Einstein to Helen Keller Ann Hagedorn brilliantly illuminates America at a pivotal moment

**Randolph Bourne and the Politics of Cultural Radicalism** Leslie J. Vaughan, 1997 Reassesses the short life and career of American essayist, critic and founder of cultural radicalism Bourne 1886-1918 known today mostly for his opposition to US military involvement in Europe and warnings about the military industrial complex Vaughan political science U of Minnesota Duluth argues that his stance from outside establishment perspectives was not a retreat from politics as many have claimed but a form of political engagement free from the suppositions that impede genuine debate and democratic change Annotation copyrighted by Book News Inc Portland OR

**A Political Biography of John Toland** Michael Brown, 2015-09-30 John Toland was notorious A pamphleteer, a polemicist and a prankster of the first order modern scholarship has struggled to position his writings within the debates of his day This study is the first to fully recount his remarkable biography situating his writings within the controversies that sparked and shaped them

*Research in the History of Economic Thought and Methodology* Ross B. Emmett, Jeff E. Biddle, 2010-06-14 Includes the articles that highlight research on the role of western economic advisors in China before the Communist Revolution minimum wage legislation a symposium on Clement Juglar and a comparison of the work in the history of economics and the history of science

**Citizens of the Empire** Robert Jensen, 2004-04 As we approach the elections of 2004 U S progressives are faced with the challenge of how to confront our unresponsive and apparently untouchable power structures With millions of antiwar demonstrators glibly dismissed as a focus group and with the collapse of political and intellectual dialogue into slogans and soundbites used to stifle protest Support the Troops We Are the Greatest Nation on Earth etc many people feel cynical and hopeless Citizens of the Empire probes into the sense of disempowerment that has resulted from the Left's inability to halt the violent and repressive course of post 9/11 U S policy In this passionate and personal exploration of what it means to be a citizen of the world's most powerful affluent and militarized nation in an era of imperial expansion Jensen offers a potent antidote to despair over the future of democracy In a plainspoken analysis of the dominant political rhetoric which is intentionally crafted to depress political discourse and activism Jensen reveals the contradictions and falsehoods of prevailing myths using common sense analogies that provide the reader with a clear thinking rebuttal and a way to move forward with progressive political work and discussions With an ethical framework that integrates political, intellectual and emotional responses to the disheartening events of the past two years Jensen examines the ways in which society has been led to this point and offers renewed hope for constructive engagement Robert Jensen is a professor of media law, ethics and politics at the University of Texas Austin He is the author of *Writing Dissent: Taking Radical Ideas from the Margins to the Mainstream* among other books He also writes for popular media and his opinion and analytical pieces on foreign policy, politics and race have appeared in papers and magazines throughout the United States

**A Radical Political Theology**

**for the Anthropocene Era** Ryan LaMothe,2021-11-18 Given the fierce urgency of now this important book confronts and addresses key problems and questions of political theology with the aim of proposing a radical political theology for the Anthropocene Age LaMothe invites readers to think and be otherwise in living lives in common with all other human beings and other than human beings that dwell on this one earth     The Earth for All Jeremy E. C. Genovese,2025-01-23

Throughout history groups of people disillusioned with society have tried to create utopian communities organized on new principles Typically they hold some or all of their property in common Often they are motivated by religious convictions or by some type of socialist ideology While many of these communities collapsed some in a matter of months a few of them continued for decades and even generations This book analyzes what makes a utopian group successful and what can be learned from their example Among the most successful of these utopian experiments were those inspired by the teachings of American economist Henry George George s vision of expanded individual freedom coupled with economic justice gives us a map towards a better world     *Yasir Arafat : A Political Biography* Barry Rubin,Judith Colp Rubin,2003-08-14 Yasir Arafat stands as one of the most resilient recognizable and controversial political figures of modern times The object of unrelenting suspicion steady admiration and endless speculation Arafat has occupied the center stage of Middle East politics for almost four decades Yasir Arafat is the most comprehensive political biography of this remarkable man Forged in a tumultuous era of competing traditionalism radicalism Arab nationalism and Islamist forces the Palestinian movement was almost entirely Arafat s creation and he became its leader at an early age Arafat took it through a dizzying series of crises and defeats often of his own making yet also ensured that it survived grew and gained influence Disavowing terrorism repeatedly he also practiced it constantly Arafat s elusive behavior ensured that radical regimes saw in him a comrade in arms while moderates backed him as a potential partner in peace After years of devotion to armed struggle Arafat made a dramatic agreement with Israel that let him return to his claimed homeland and transformed him into a legitimized ruler Yet at the moment of decision at the Camp David summit and afterward when he could have achieved peace and a Palestinian state he sacrificed the prize he had supposedly sought for the struggle he could not live without Richly populated with the main events and dominant leaders of the Middle East this detailed and analytical account by Barry Rubin and Judith Colp Rubin follows Arafat as he moves to Kuwait Syria Jordan Lebanon Tunisia and finally to Palestinian ruled soil It shows him as he rewrites his origins experiments with guerrilla war develops a doctrine of terrorism fights endless diplomatic battles and builds a movement constantly juggling states factions and world leaders Whole generations and a half dozen U S presidents have come and gone over the long course of Arafat s career But Arafat has outlasted them all spanning entire eras with three constants always present he has always survived he has constantly seemed imperiled and he has never achieved his goals While there has been no substitute for Arafat the authors conclude Arafat has been no substitute for a leader who could make peace     **American Radicals and the Mexican Revolution, 1900-1925** Diana K. Christopulos,1982     Citizenship and Democratic Doubt Bob

Pepperman Taylor,2004 Much of the world today views America as an imperialist nation bent on global military economic and cultural domination At home few share this negative view Bob Pepperman Taylor however argues that US moral self righteousness may potentially imperil democratic ideals and threaten democracy University Reform Hans-Joerg Tiede,Michael Bérubé,2015-11-15 Academic freedom the intellectual bedrock of American intellectual activities was not always a shared value but one that emerged from faculty collective action This book provides a detailed history of the founding and early activities of the American Association of University Professors set into the broader societal and intellectual circumstances that affected its initial development Key to the story of course is the influential work of Arthur O Lovejoy at Johns Hopkins and John Dewey at Harvard in establishing this national association and very early professional trade union The professionalization of the faculty which accompanied the development of the American research university identified academic freedom as a central element of professional autonomy Public debates over academic freedom occurred within the broader debate of the balance of power in the American university This debate was strongly influenced by the perspectives of the Progressive Era the goal to democratize university governance was presented frequently in terms similar to the broader goal of democratizing American society These developments were central to the establishment of the Association and individual founders of the AAUP played an active part in many of them inside and outside of academe

Radical Jewish Politics Nathaniel Deutsch,Alma Rachel Heckman,Tony Michels,2025-12-09 For the first time this volume centers the rich but little known history of radical Jewish politics in the Middle East and North Africa and puts it into conversation with developments in the Americas South Africa Soviet Asia and Europe Jews were attracted to radical politics in the nineteenth and twentieth centuries to transform the societies they lived in but also out of a deep desire to belong Somewhat paradoxically then radical politics held out the enticing possibility of normalization for Jews even as it frequently resulted in their further alienation or persecution In some cases Jewish radicals sought recognition and autonomy as Jews in others Jews labored to be accepted as full fledged citizens of their home countries in still others they tried to escape Jewishness altogether Jewish experiences of modernity colonialism race nationalism emancipation war and migration serve as the connective tissue that binds together radical Jewish politics from Baghdad to Buenos Aires **The Real Gladstone: An Anecdotal Biography** J. Ewing Ritchie,2021-04-25 In The Real Gladstone An Anecdotal Biography J Ewing Ritchie presents a captivating exploration of one of Britain s most enigmatic political figures William Ewart Gladstone Utilizing a narrative style that seamlessly blends anecdote and analysis Ritchie delves into the complexities of Gladstone s character offering readers a nuanced portrayal that extends beyond the typical biographical framework This work is nestled within the Victorian literary context reflecting the era s fascination with political celebrity and public life while simultaneously critiquing the sanctimonious perceptions often associated with Gladstone Ritchie s deft storytelling reveals a man whose political ambitions were rivaled only by the depth of his personal convictions emphasizing both his triumphs and his

shortcomings through a rich tapestry of stories and personal interactions J Ewing Ritchie a journalist and biographer possessed firsthand insights into the political landscape of his time arguably fueling his motivation to elucidate Gladstone s multifaceted nature Ritchie s career had him oscillate between journalism and literary pursuits allowing him to cultivate an intricate understanding of the relationship between public figures and their legacies His unique position afforded him access to sources and anecdotes that enrich this biography providing depth to Gladstone s public and private personas For readers intrigued by political history biographical chronicles or the intersection of personal narrative with public life The Real Gladstone is a compelling recommendation Ritchie s engaging prose and the richly woven anecdotes bring Gladstone to life rendering him a relatable figure in a time of political upheaval This biography is not merely informative but is also a profound reflection on leadership ethics and the role of the individual in shaping historical narratives

### **The Making Of A Radical A Political Autobiography A Political Autobiography Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Making Of A Radical A Political Autobiography A Political Autobiography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Making Of A Radical A Political Autobiography A Political Autobiography has opened up a world of possibilities. Downloading The Making Of A Radical A Political Autobiography A Political Autobiography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Making Of A Radical A Political Autobiography A Political Autobiography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Making Of A Radical A Political Autobiography A Political Autobiography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Making Of A Radical A Political Autobiography A Political Autobiography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Making Of A Radical A Political Autobiography A Political Autobiography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Making Of A Radical A Political Autobiography A Political Autobiography has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Making Of A Radical A Political Autobiography A Political Autobiography Books**

**What is a The Making Of A Radical A Political Autobiography A Political Autobiography PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Making Of A Radical A Political Autobiography A Political Autobiography PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Making Of A Radical A Political Autobiography A Political Autobiography PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Making Of A Radical A Political Autobiography A Political Autobiography PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Making Of A Radical A Political Autobiography A Political Autobiography PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have

restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
