## **The Making Of The New Testament Documents:**

*The Making of the New Testament Documents* Edward Earle Ellis, 2002 This volume identifies and investigates literary traditions and their implications for the authorship and dating of the Gospels and the letters of the New Testament Ellis argues that the Gospels and the letters are products of the corporate authorship of four allied apostolic missions and not the creation of individual authors

*The Making of the New Testament Documents* E. Earle Ellis, 2021-10-25 The Making of the New Testament Documents investigates literary tradition and their implications for the authorship origin and dating of the New Testament Gospels and letters Building upon earlier research it identifies and compares preformed pieces that in the letters call into question the traditional view that the letters were the sole product of an individual whose authorship could be vetted by internal criteria of vocabulary style and theological expression The numerous and diverse epistolary traditions many non authorial argue for a kind of corporate authorship that until now has been unappreciated and apparently unknown to critical scholarship A comparison of the traditions and of the common opposition they sometimes have in view supports a synchronic relationship of the various New Testament documents all of which with the exception of John s Gospel and letters reflect the pre AD 70 period It thus challenges the tradition of F C Baur still widely followed that apart from a few Pauline letters dates New Testament writings from the last decades of the first century to the first half of the second The author contends that the New Testament is the product of four contemporaneous and cooperating apostolic missions each of which produced a Gospel and a number of letters and each of which faced the same judaizing gnosticizing countermission These four allied missions shared both Gospel and epistolary traditions even as they pursued their discrete tasks in the service of the church The arguments of this book if persuasive will require a reassessment of the history of early Christianity This publication has also been published in paperback please click here for details

**The Making of the New Testament** Arthur G. Patzia, 2011-01-03 This revised and expanded edition of *The Making of the New Testament* is a fascinatingly detailed introduction to the origin collection copying and canonizing of the New Testament documents Here Arthur Patzia explains how biblical scholars have studied the trail of clues and pieced together the story of these books

**The Making of the New Testament** Arthur G. Patzia, 1995-05-25 In affirming the divine inspiration of Scripture we too often forget the human side of the story The narratives letters and Apocalypse of our New Testament were shaped by worn pens gripped by calloused ink stained fingers Their authors ears were more likely assaulted by the urban clatter of busy intersections and bustling markets than attuned to a still small voice Scrolls that bumped across cobbled Roman roads and pitched through rolling Mediterranean seas found their destination in stuffy dimly lit crowded Christian house churches in Corinth or Cenchreae There they were read aloud and reread handled and copied forwarded and collected studied and treasured Their ordinary story is true to their extraordinary message the mystery of the Word that became flesh *The Making of the New Testament* is a textbook study of the origin collection copying and canonizing of the New Testament documents Like shrewd

detectives reading the subtle traces of evidence biblical scholars have studied the trail of clues and pieced together the story of these books

**THE NEW TESTAMENT DOCUMENTS** Edward D. Andrews, 2020-06-17 What are the churchgoers the Bible college students and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different or worse still several Bible scholars are giving you several different opinions on one particular Bible issue What makes it even more unsettling is when the Christian is not well informed in that area of study only having basic knowledge How can the Christian possibly know which of the Bible scholars are correct Worse still the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar s views and then the atheist or Bible critic responds to the Christian with no your evidence is outdated as recent research points to \_\_\_\_\_ and then they offer another answer that put the Bible in a bad light What is the Christian to do What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament how that evidence impacts our Bible translations and an in depth look at Bible difficulties as well This can be used to build your faith to save someone who may have begun to doubt the trustworthiness of the Bible and many reading responses that can be used on social media and other forms of your ministry Andrews is an author of more than 140 books many of which are a defense of God s Word

Powell, 2025-06-20 This book expands on scholarly arguments that the Gospel of Luke and Acts of the Apostles was originally intended as a single unified work It offers fresh insights by addressing overlooked perspectives and further exploring the literary theological and historical connections between the two volumes Central to this study is the argument that the ascension narratives at the end of Luke and the beginning of Acts form a chiastic structure uniting and conjoining both volumes Rather than redefining Luke Acts as First and Second Luke this study affirms their distinct literary genres Luke s Gospel rightly belongs among the canonical Gospels and Acts bridges the Gospels with the Epistles acting similar to a historical narrative It does not seek to alter their canonical separation but asserts that Luke deliberately composed them as a continuous interdependent account By examining how this pivotal event structures the text it provides compelling evidence of Luke s intentional design demonstrating that the ascension is the hinge that seamlessly connects both

Eugene Boring, 2012-01-01 A user friendly introduction to the New Testament for beginning students     **The New Testament Documents** George Milligan, 1913     *Luke among the Ancient Historians* John J. Peters, 2022-05-24 For centuries scholars have analyzed the composition of Luke Acts presupposing that the reference to many accounts in Luke s Preface indicates the written texts which served as the author s primary sources of information To justify this portrait of Luke as a text based author scholars have appealed to analogies with the text based authors Dionysius of Halicarnassus Diodorus Siculus Plutarch and Arrian Luke among the Ancient Historians challenges this portrait of Luke s method through surveying the origins and development of ancient Greek historiography in chapters on Herodotus Thucydides Polybius Josephus and Luke By focusing on the values and practices of ancient historians Peters demonstrates not only that ancient authors following the model of Thucydides regarded the testimony of eyewitnesses as opposed to texts as the proper sources for historians but that Luke emulated the values practices and craft terminology of the contemporary historiographical tradition Taking seriously the self presentation of Luke as a reporter of contemporary events who claims to write on the basis of eyewitnesses from the beginning and personal investigation this book argues against analogies with text based historians who wrote about non contemporary events and instead situates Luke within a portrait of the values and practices of historians of contemporary events     **Rethinking the Dates of the New Testament** Jonathan Bernier, 2022-05-03 This paradigm shifting study is the first book length investigation into the compositional dates of the New Testament to be published in over forty years It argues that with the notable exception of the undisputed Pauline Epistles most New Testament texts were composed twenty to thirty years earlier than is typically supposed by contemporary biblical scholars What emerges is a revised view of how quickly early Christians produced what became the seminal texts for their new movement     **Coping with Violence in the New Testament** Pieter G.R. de Villiers, Jan Willem van Henten, 2012-01-20 The present publication aims to contribute to the recent scholarly debate about the interconnections between violence and

monotheistic religions by analysing the role of violence in the New Testament as well as by offering some hermeneutical perspectives on violence as it is articulated in the earliest Christian writings

*The Pauline Corpus in Early Christianity* Benjamin P. Laird, 2022-12-01

The Pauline Corpus in Early Christianity Its Formation Publication and Circulation offers a comprehensive and wide ranging examination of the canonical development of the collection of writings associated with the Apostle Paul The volume considers a number of clues from the New Testament writings ancient literary conventions related to the composition and collection of letters and a variety of early witnesses to the early state of the corpus such as biblical manuscripts canonical lists and the testimony of writers As a conclusion to these inquiries Laird argues that at least three major archetypal editions of the Pauline corpus those containing 10 13 and 14 letters appear to have been collected and edited as early as the first century These major archetypal editions Laird concludes circulated simultaneously for many years until editions containing 14 letters became nearly universally recognized by the fourth century The volume serves as a valuable resource of information for those engaged in the study of the early state of the New Testament canon and offers a fresh perspective on the process that led to the formation of the Pauline corpus

*The Gospels in Islamic Context* Georgina L. Jardim, Ida Glaser, Shirin Shafaie, 2025-09-30

Bringing together scholars from across the world this publication shows Christians and Muslims individually or together reading the canonical Gospels of the New Testament in conversation with Islamic texts and contexts In the discovery of meaning between text context and praxis this volume asks what are the texts doing in contexts as far flung as Indonesia the Hijaz of early Islam in Persian poetry of medieval times or modern Sunni interpretation in north America This second edited volume in the series Reading the Bible in Islamic Context continues the pioneering venture in contextual and intertextual reading It shows the richness of cooperative scholarship that results from reading the New Testament in Islamic context and exploring how the Gospel is understood in various religious traditions The Gospels in Islamic Context will be of interest to scholars students and practitioners encouraging them to explore new methods for taking into account intertextual factors as well as the history of Muslim Christian relations that arises from them It is a venture in which Muslims and Christians travel side by side and in conversation with each other although with significantly different perspectives and often different agendas
