Hunt, Thomas R. Martin, Barbara H. Rosenwein, R. Po-Chia Hsia, 2001-11-28 **The Making of Urban America** John

William Reps, 2021-10-12 This comprehensive survey of urban growth in America has become a standard work in the field From the early colonial period to the First World War John Reps explores to what extent city planning has been rooted in the nation's tradition showing the extent of European influence on early communities Illustrated by over three hundred reproductions of maps plans and panoramic views this book presents hundreds of American cities and the unique factors affecting their development **Sources of The Making of the West, Volume I: To 1750** Katharine J. Lualdi, 2012-01-12

Sources of The Making of the West provides written and visual documents closely aligned with each chapter of The Making of the West This two volume collection reinforces the major political economic social and cultural developments in the textbook by allowing students to engage directly with the voices of those who experienced them Over thirty new documents and visual sources highlight the diversity of historical voices including both notable figures and ordinary individuals that shaped each period To aid students in approaching and interpreting documents each chapter contains an introduction document headnotes and questions for discussion *The Making of Oliver Cromwell* Ronald Hutton, 2021-08-10 The first volume in a

pioneering account of Oliver Cromwell providing a major new interpretation of one of the greatest figures in history Oliver Cromwell 1599 1658 the only English commoner to become the overall head of state is one of the great figures of history but his character was very complex He was at once courageous and devout devious and self serving as a parliamentarian he was devoted to his cause as a soldier he was ruthless Cromwell's speeches and writings surpass in quantity those of any other ruler of England before Victoria and for those seeking to understand him he has usually been taken at his word In this remarkable new work Ronald Hutton untangles the facts from the fiction Cromwell pursuing his devotion to God and cementing his Puritan support base quickly transformed from obscure provincial to military victor At the end of the first English Civil War he was poised to take power Hutton reveals a man who was both genuine in his faith and deliberate in his dishonesty and uncovers the inner workings of the man who has puzzled biographers for centuries **The Making of**

Western Indology Rosane Rocher, Ludo Rocher, 2014-06-17 Drawing on new sources this book evaluates the importance of Henry Thomas Colebrooke an East India Company civil servant who became the father of modern Indology Written by renowned academics in the field of Indology and drawing on new sources this book shows how he embodies the significant passage from eighteenth century colonial expansion to the professional transnational ethos of nineteenth century intellectual life and scholarly enquiry **The Making of European Music in the Long Eighteenth Century** D R M Irving, 2024 In

this book author D R M Irving traces the emergence of such large scale categories as European music and Western music showing how they originate from self fashioning in contexts of intercultural comparison outside the European continent rather than the resolution of national aesthetic differences within it Taken as a whole this study demonstrates how reductive

labels for the musics of a continent or a hemisphere often imply homogeneity and essentialism and how a renewed critique of primary sources can help dismantle historiographical constructs that arose within narratives of musical pasts involving Europe

Imperialism, Reform and the Making of Englishness in Jane Eyre S. Thomas, 2015-12-11 This new study demonstrates the precision of Brontë's historical setting of *Jane Eyre* Thomas addresses the historical worlding of Brontë and her characters mapping relations of genre and gender across the novel's articulation of questions of imperial history and relations reform racialization and the making of Englishness

The Making of the British Landscape Francis Pryor, 2010-06-03 This is the changing story of Britain as it has been preserved in our fields roads buildings towns and villages mountains forests and islands From our suburban streets that still trace out the boundaries of long vanished farms to the Norfolk Broads formed when medieval peat pits flooded from the ceremonial landscapes of Stonehenge to the spread of the railways evidence of how man's effect on Britain is everywhere In *The Making of the British Landscape* eminent historian archaeologist and farmer Francis Pryor explains how to read these clues to understand the fascinating history of our land and of how people have lived on it throughout time Covering both the urban and rural and packed with pictures maps and drawings showing everything from how we can still pick out Bronze Age fields on Bodmin Moor to how the Industrial Revolution really changed our landscape this book makes us look afresh at our surroundings and really see them for the first time

Studies in the Making of Islamic Science: Knowledge in Motion Muzaffar Iqbal, 2017-05-15 Situated between the Greek Indian and Persian scientific traditions and modern science the Islamic scientific tradition received enriched transformed and then bequeathed scientific knowledge to Europe The articles selected for this volume explore the fascinating process of knowledge in motion between different civilizations

The Making of the Black Working Class in Britain Ron Ramdin, 2017-08-22 This is the first comprehensive historical perspective on the relationship between Black workers and the changing patterns of Britain's labour needs It places in an historical context the development of a small black presence in sixteenth century Britain into the disadvantaged black working class of the 1980s The book deals with the colonial labour institutions slavery indentureship and trade unionism and the ideology underlying them and also considers the previously neglected role of the nineteenth century Black radicals in British working class struggles Finally the book examines the emergence of a Black radical ideology that has underpinned the twentieth century struggles against unemployment racial attacks and workplace grievances among them employer and trade union racism

The Making of a Christian Aristocracy Michele Renee Salzman, 2009-06-30 What did it take to cause the Roman aristocracy to turn to Christianity changing centuries old beliefs and religious traditions Salzman takes a fresh approach to this much debated question by focusing on a sampling of individual aristocratic men and women as well as on writings and archeological evidence

Sharia and the Making of the Modern Egyptian Reem A. Meshal, 2014 In this book the author examines sijills the official documents of the Ottoman Islamic courts to understand how sharia law society and the early modern

economy of sixteenth and seventeenth century Ottoman Cairo related to the practice of custom in determining rulings In the sixteenth century a new legal and cultural orthodoxy fostered the development of an early modern Islam that broke new ground giving rise to a new concept of the citizen and his role These issues resonate today several centuries later in the continuing discussions of individual rights in relation to Islamic law **Nobility and the Making of Race in**

Eighteenth-Century Britain Tim Mc Inerney,2023-09-07 Nobility and the Making of Race in Eighteenth Century Britain focuses on 18th century Britain and Ireland at a time when race theory as we know it today was steadily emerging in the realm of natural philosophy to examine the structural relationship between nobility and race This ground breaking book examines texts from the fields of naturalism political philosophy medicine and colonial venture as well as interrogating works of drama and literature in order to track how climate based understandings of human variety at this time became increasingly imbued with noble traditions of genealogical purity and hierarchies of descent This process the book argues allowed British naturalists and wider society to understand global populations according to an already familiar pattern of genealogical inequality and offered the proponents of race theory a ready made model of natural supremacy In this highly original and meticulously researched book Tim McInerney explains why nobility and race developed in the way they did and how the premise of each promoted a certain idea of superiority The result is a necessary in depth understanding of how genealogical exclusivity works as a power strategy vital to students and scholars alike **The making of the constitution**
