675 Ways to Develop Yourself and Your People Laurel Alexander, 2015-03-01. Increase your understanding of facilitation and learn interventions and exercises you can use with others. This resource manual provides managers, trainers, and consultants a format based on the core skills facilitators need to develop, as well as the issues they will face at work. The Fast Facilitator shows the difference facilitation skills can make in helping people learn, be more self-aware, be more flexible in their thinking and behavior, and build their self-confidence. The manual is organized into three parts covering a huge amount of groundwork: Essential facilitation, group and team facilitation.

50 Activities for Developing Leaders Lois Borland Hart, 2003. **The Managers Pocket Guide to Creativity** Alexander Hiam, 1998. Use this guide to unleash the creative potential in others by understanding the key enablers and barriers to creativity. Directed creativity is possibly the most important problem-solving skill. Is there a secret to creativity? Can a simple change in the way we think about problems dramatically cut the cycle time for generating state-of-the-art solutions? Yes. And this book will show you how. It presents practical tools and suggestions for creative thinking while never losing touch with the essential components of the process: its looseness, its freedom, its risk-taking. You'll learn how the elements of creative thinking, the methods that help us get unstuck, can themselves be creative. What better way to drive home the power of the creative thought process than to go out on a limb and be creative about creativity? Includes: Personal Creativity Assessment; Checklist of common workplace behaviors that block creativity; A realistic, useful model of the creative thought process; Creative thinking methods; process tools that help you do creative thinking; Training Transfer Assessment.
