The Pacific Hugh Ambrose,2010-03-02 The New York Times bestselling official companion book to the Emmy Award winning HBO miniseries Look for The Pacific miniseries now available to stream on Netflix Between America's retreat from China in late November 1941 and the moment General MacArthur's airplane touched down on the Japanese mainland in August of 1945 five men connected by happenstance fought the key battles of the war against Japan From the debacle in Bataan to the miracle at Midway and the relentless vortex of Guadalcanal their solemn oaths to their country later led one to the Great Marianas Turkey Shoot and the others to the coral strongholds of Peleliu the black terraces of Iwo Jima and the killing fields of Okinawa until at last the survivors enjoyed a triumphant yet uneasy return home In The Pacific Hugh Ambrose focuses on the real life stories of five men who put their lives on the line for our country To deepen the story revealed in the HBO miniseries and go beyond it the book dares to chart a great ocean of enmity known as the Pacific and the brave men who fought

The Hunt for KSM Terry McDermott,Josh Meyer,2025-05-01 The definitive account of the decade long pursuit and capture of Khalid Sheikh Mohammed the terrorist mastermind of 9 11 Only minutes after United 175 plowed into the World Trade Center's South Tower people in positions of power correctly suspected who was behind the assault Osama bin Laden and Al Qaeda But it would be 18 months after September 11 before investigators would capture the actual mastermind of the attacks the man behind bin Laden himself That monster is the man who got his hands dirty while Osama fled the man who was responsible for setting up Al Qaeda's global networks who personally identified and trained its terrorists and who personally flew bomb parts on commercial airlines to test their invisibility That man withstood waterboarding and years of other intense interrogations not only denying Osama's whereabouts but making a literal game of the proceedings after leading his pursuers across the globe and back That man is Khalid Sheikh Mohammed and he is still to this day the most significant Al Qaeda terrorist in captivity In The Hunt for KSM Terry McDermott and Josh Meyer go deep inside the US government's dogged but flawed pursuit of this elusive and dangerous man One pair of agents chased him through countless false leads and narrow escapes for five years before 9 11 And now drawing on a decade of investigative reporting and unprecedented access to hundreds of key sources many of whom have never spoken publicly as well as jihadists and members of KSM's family and support network this is a heart pounding trip inside the dangerous classified world of counterterrorism and espionage

John Dies at the End David Wong,2009-09-29 David Wong has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror increases it dramatically Every time I set the book down down I was wary that something really was afoot that there were creatures I couldn't see and that because I suspected this I was next Engaging comic and terrifying Joe Garden Features Editor The Onion Wong is like a mash up of Douglass Adams and Stephen King page turner is an understatement Don Coscarelli director Phantasm I V Bubba Ho-tep That rarest of things a genuinely scary story David Wellington author of Monster Island Vampire Zero JOHN DIES AT THE END has a cult following for a reason it's horrific thought provoking and hilarious all at once This is one of the most entertaining and addictive novels I've ever read Jacob Kier Publisher Permuted Press STOP You should not have touched this flyer with your bare hands NO don't put it down It's too late They're watching you My name is David Wong My best friend is John Those names are fake You might want to change yours You may not want to know about the things you'll read on these pages about the sauce about Korrok about the invasion and the future But it's too late You touched the book You're in the game You're under the eye The only defense is knowledge You need to read this book to the end Even the part with the bratwurst Why You just have to trust me The important thing is this The drug is called Soy Sauce and it gives users a window into another dimension John and I never had the chance to say no You still do I'm sorry to have involved you in this I really am But as you read about these terrible events and the very dark epoch the world is about to enter as a result it is crucial you keep one thing in mind None of this was my fault
