directed my gaze towards them and what I saw made me for the time being forget the agony of the pain that racked my swollen arm and rheumatical body **The Problems of Psychical Research** Hereward Carrington, 2022-09-04 DigiCat Publishing presents to you this special edition of The Problems of Psychical Research Experiments and Theories in the Realm of the Supernormal by Hereward Carrington DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature Booksellers catalogues Walter T.
