African American Folksong and American Cultural Politics Bruce M. Conforth, 2013-05-16 In African American Folksong and American Cultural Politics The Lawrence Gellert Story scholar and musician Bruce Conforth tells the story of one of the most unusual collections of African American folk music ever amassed and the remarkable story of the man who produced it Lawrence Gellert Compiled between the World Wars Gellert's recordings were immediately adopted by the American Left as the voice of the true American proletariat with the songs largely variants of traditional work songs or blues dubbed by the Left as songs of protest As both the songs and Gellert's standing itself turned into propaganda weapons of left wing agitators Gellert experienced a meteoric rise within the circles of left wing organizations and the American Communist party But such success proved ephemeral with Gellert contributing to his own neglect by steadfastly refusing to release information about where and from whom he had collected his recordings Later scholars as a result would skip over his closely held largely inaccessible research with some asserting Gellert's work had been doctored for political purposes And to a certain extent they were correct Conforth reveals how Gellert at least assisted in the creation of some of his more political material But hidden behind the few protest songs that Gellert allowed to become public was a vast body of legitimate African America folksongs enough to rival the work of any of his contemporary collectors Had Gellert granted access to all his material scholars would have quickly seen that it comprised an incredibly complete and diverse collection of all African American song genres work songs blues chants spirituals as well as the largest body of African American folktales about Irish Americans what were referred to as One Time Irishman tales It also included vast swaths of African American oral literature collected by Gellert as part of the Federal Writers Project In African American Folksong and American Cultural Politics Conforth brings to light for the first time the entire body of work collected by Lawrence Gellert establishing his place and the place for the material he collected within the pages of American folk song scholarship In addition to shedding new light on the concept of protest music within African American folk music Conforth discusses the unique relationship of the American Left to this music and how personal psychology and the demands of the American Communist party would come to ruin Gellert's life African American Folksong and American Cultural Politics will appeal to students and scholars in the fields of American social and political history African American studies the history of American folk music and ethnomusicology

The Cambridge History of South African Literature David Attwell, Derek Attridge, 2012-01-12 South Africa's unique history has produced literatures in many languages in both oral and written forms reflecting the diversity in the cultural histories and experiences of its people The Cambridge History offers a comprehensive multi authored history of South African literature in all eleven official languages and more minor ones of the country produced by a team of over forty international experts including contributors from all of the major regions and language groups of South Africa It will provide a complete portrait of South Africa's literary production organised as a chronological history from the oral traditions existing

before colonial settlement to the post apartheid revision of the past In a field marked by controversy this volume is more fully representative than any existing account of South Africa s literary history It will make a unique contribution to Commonwealth international and postcolonial studies and serve as a definitive reference work for decades to come *Social Life in the Movies* James J. Dowd,2020-10-27 Through an analysis of hundreds of Hollywood movies this book examines some of the most contentious social issues of our time including racism social inequality sexism and gerontophobia With studies of some of the most enduring film genres in Hollywood s history including romantic films such as Casablanca war movies from World War II through the Iraq and Afghanistan conflicts alienation films including Five Easy Pieces and Lost in Translation the school movie from Goodbye Mr Chips to other films set in academia including Dead Poets Society and Dangerous Minds the book outlines and demonstrates the sociological approach to viewing films and highlights the socially conservative nature of much Hollywood movie production which draws on common stereotypes and reinforces dominant cultural values but is also capable of challenging and serving to change them *Yearbook of Comparative and General Literature* ,2000

Muster der Ambivalenz Judith Bihr,2016-12-15 Die Strategie der kritischen Unterwanderung vorgefasster Kategorien ist eine wirksame subversive künstlerische Praktik der innerhalb des postkolonialen Kunstdiskurses eine besonders wichtige Bedeutung zukommt Wie Judith Bihr anhand zeitgenössischer Kunst aus Ägypten darlegt begegnen viele Künstler_innen der Problematik der eigenen Verortung indem sie stereotype Vorstellungen scheinbar bedienen um diese zugleich künstlerisch zu unterminieren Am Beispiel der Verwendung ornamentaler Strukturen wird gezeigt wie sich die Arbeiten einer eindeutigen Zuschreibung entziehen und so gerade ihre eigene Ambivalenz zum Thema machen Damit liefern sie zugleich einen wesentlichen Beitrag zur Debatte um eine global formulierte Kunstgeschichte *Alif* Ferial Ghazoul,2001 This issue of *Alif* explores the lyrical drive in its myriad manifestations its formal presence in poems epics and songs and its informal dissemination in narratives philosophy painting calligraphy music and even in broken and discarded objects The issue covers many languages and touches on a variety of cultures Mesopotamian Nile Valley Greco Roman South African and North African English and Irish Greek and French American and Arabic Persian and Turkish Urdu and German Beside academic articles this issue includes creative essays poetry and art all combine to analyze or embody the lyrical impulse
