The Man from Ida Grove Harold Everett Hughes, Dick Schneider, 1979 Farm Boy Alcoholic Truck Driver Governor U S Senator **Thunder from the Prairie** Jerry Harrington, 2023-08-15 In *Thunder from the Prairie* Jerry Harrington explores the life of Harold E Hughes a man of working class origins who overcame severe alcoholism to become Iowa governor 1963 1969 and US Senator 1969 1974 As a Democratic governor in traditionally Republican Iowa Hughes through his charismatic leadership helped transform Iowa into a competitive two party state while modernizing state government to make it more responsive to the contemporary needs of its citizens Hughes was an outspoken leader against the Vietnam War and the American military as senator and he exposed covert operations such as the illegal bombings of North Vietnam and Cambodia Relying upon his experience with alcoholism that nearly cost him his life Senator Hughes spearheaded the creation of the National Institute of Alcohol Abuse and Alcoholism which was founded on the principle that alcoholism is a disease not a personal moral failure Hughes s moral compass was guided by his Christian beliefs steering him to politics left of center In this way Hughes was distinctive among other openly Christian politicians of his day whose theology manifested in conservative politics Jerry Harrington s detailed *Thunder from the Prairie* is the first book length treatment of Harold E Hughes The work fills major gaps in the history of Iowa and Midwestern political history as well as the history of the Long Sixties from the late 1950s to the early 1970s Hughes was an impactful actor within the rise of postwar American liberalism the conflict over the Vietnam War and the civil rights movement and led the effort to reform the Democratic Party to make it more open to women minorities and young people **Ray & Joan** Lisa Napoli, 2016-11-15 The movie *The Founder* starring Michael Keaton focused the spotlight on Ray Kroc the man who amassed a fortune as the chairman of McDonald s But what about his wife Joan the woman who became famous for giving away his fortune Lisa Napoli tells the fascinating story behind the historic couple Ray Joan is a quintessentially American tale of corporate intrigue and private passion a struggling Mad Men era salesman with a vision for a fast food franchise that would become one of the world s most enduring brands and a beautiful woman willing to risk her marriage and her reputation to promote controversial causes that touched her deeply Ray Kroc was peddling franchises around the country for a fledgling hamburger stand in the 1950s McDonald s it was called when he entered a St Paul supper club and encountered a beautiful young piano player who would change his life forever The attraction between Ray and Joan was instantaneous and instantly problematic Yet even the fact that both were married to other people couldn t derail their roller coaster of a romance To the outside world Ray and Joan were happy enormously rich and giving But privately Joan was growing troubled over Ray s temper and dark secret something she was reluctant to publicly reveal Those close to them compared their relationship to that of Elizabeth Taylor and Richard Burton And yet this volatility paved the way for Joan s transformation into one of the greatest philanthropists of our time A force in the peace movement she produced activist films books and music and ultimately gave away billions of dollars including landmark gifts

to the Salvation Army and NPR Together the two stories form a compelling portrait of the twentieth century a story of big business big love and big giving

**A New History of Iowa** Jeff Bremer, 2023-10-06 The state of Iowa is largely unappreciated and often misunderstood It has a small population and sits in the middle of a huge country It s thought of as an uninspiring place full of farms and fields of corn But Iowa represents America as surely as New York and California and Iowa s history is more dynamic complicated and influential than commonly imagined Jeff Bremer s *A New History of Iowa* offers the most comprehensive history of the Hawkeye State ever written surveying Iowa from the last ice age through the COVID 19 pandemic It tells a new and vibrant story examining the state s small town culture politics social and economic development and its many diverse inhabitants Bremer features well known individuals such as Sauk leader Black Hawk artist Grant Wood botanist George Washington Carver suffragist Carrie Chapman Catt and President Herbert Hoover But Bremer broadens the state s story by including new voices among them runaway enslaved men who joined Iowa s 60th Colored Regiment in the Civil War young female pearl button factory workers Latino railroad workers who migrated to the state in the early twentieth century and recent refugees from Southeast Asia and the Balkans This new story of Iowa provides a brisk readable narrative written for a broad audience from high school and college students to teachers and scholars to general readers It tells the story of ordinary and extraordinary people of all backgrounds and greatly improves our knowledge of a state whose history has been neglected *A New History of Iowa* is for everyone who wants to learn about Iowa s surprising complex and remarkable past

*The Age of Evangelicalism* Steven Patrick Miller, 2014 At the start of the twenty first century America was awash in a sea of evangelical talk *The Purpose Driven Life* Joel Osteen *The Left Behind* novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline *The Age of Evangelicalism* chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America s born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey s doomsday prophecies and Marabel Morgan s sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between *The Age of Evangelicalism* contained multitudes it was the age of Christian hippies and the silent majority of Footloose and *The Passion of the Christ* of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as

Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions Americans came to terms with their times

*Faith and the Presidency From George Washington to George W. Bush* Gary Scott Smith, 2006-10-12 In the wake of the 2004 election pundits were shocked at exit polling that showed that 22% of voters thought moral values was the most important issue at stake People on both sides of the political divide believed this was the key to victory for George W Bush who professes a deep and abiding faith in God While some fervent Bush supporters see him as a man chosen by God for the White House opponents see his overt commitment to Christianity as a dangerous and unprecedented bridging of the gap between church and state In fact Gary Scott Smith shows none of this is new Religion has been a major part of the presidency since George Washington's first inaugural address Despite the mounting interest in the role of religion in American public life we actually know remarkably little about the faith of our presidents Was Thomas Jefferson an atheist as his political opponents charged What role did Lincoln's religious views play in his handling of slavery and the Civil War How did born again Southern Baptist Jimmy Carter lose the support of many evangelicals Was George W Bush as his critics often claimed a captive of the religious right In this fascinating book Smith answers these questions and many more He takes a sweeping look at the role religion has played in presidential politics and policies Drawing on extensive archival research Smith paints compelling portraits of the religious lives and presidencies of eleven chief executives for whom religion was

particularly important Faith and the Presidency meticulously examines what each of its subjects believed and how those beliefs shaped their presidencies and in turn the course of our history

**Understanding the Alcoholic's Mind : The Nature of Craving and How to Control It** Arnold M. Ludwig Evalyn A. Edwards Professor of Psychiatry University of Kentucky School of Medicine,1987-11-26 Despite the immense obstacles they face many alcoholics do manage to recover The question is how In this groundbreaking book a doctor with over 25 years experience working with alcoholics gets inside their minds and explains the behaviors and thought processes they use to get sober and stay sober In most instances Arnold Ludwig has found that a lasting recovery can only begin after certain crucial attitude changes Regardless of the motivation of alcoholics powerful forces lure them back to drink To remain sober alcoholics must recognize these forces and the dangerous frame of mind that fuels them Then they must use a variety of techniques that have been demonstrated to be effective for resisting temptation particularly during the early phases of recovery In time individuals will need to develop a set of attitudes values and behaviors which the author describes in detail that perpetuate and strengthen their sobriety Being sober is far more than simply not drinking it is a new way of life Over the years the author has worked with over 1000 alcoholics from all walks of life and within many different settings hospital clinics Alcoholics Anonymous meetings detoxification centers and private homes about one fourth of whom had quit drinking for significant periods of time Incorporating the findings of other researchers into his own and including many clinical vignettes and personal anecdotes he explores the basic principles necessary for achieving a successful recovery Ludwig has especially concerned himself with the nature of alcoholic craving and loss of control and describes the techniques that can help individuals to conquer their urges and also to lessen the chances of relapse This book does not use the word treatment Instead it talks about what is really at the heart of the matter sobriety and how to achieve it It will give new hope and insight not only to the recovering alcoholic but also to their families counselors and doctors

**Struggling with "Iowa's Pride"** Wilson J. Warren,2000 aRecognized between 1880 and 1910 by its trademark label Iowa s Pride John Morrell and Company is best known for contributing one of the most important local unions to the progressive United Packinghouse Workers of America During the 1930s and 1940s its members pursued a militant brand of unionism By the early 1950s the local s militancy became a source of contention among the membership By explaining the effect of Morrell Ottumwa s union leaders on local and state Democratic politics especially in the development of the Congress of Industrial Organizations Iowa State Industrial Union Council and the AFL CIO s Iowa Federation of Labor Wilson Warren makes an important contribution to the literature on labor s involvement in the Democratic party s ascendancy across much of the industrial North following World War II This history of Ottumwa s meatpacking workers provides insights into the development of several forms of labor relations including the evangelical Christian paternalism welfare capitalism and unionism that were distinctive to one blue collar community but that also reflected workers experiences in many other rural midwestern industrial communities By carefully analyzing all relevant labor and industrial

sources and by revealing the deeply held aspirations and concerns expressed by both workers and managers Warren constructs a window through which Iowa's industrial and labor history over the past 120 years can be viewed

**Statesmen and Mischief Makers:** Scott Crass, 2015-08-31 Historically when sweeping policy changes or legislation of indelible consequence are signed into law Presidents receive the credit There is a good reason for that Without the Chief Executive putting his pen to paper these advancements would have nary a chance of becoming reality In most cases though a President's signature is simply the culmination of a long fight to make an idea or actual proposal a reality In fact quite often it is members of Congress who nurture proposals from inception to the President's desk Like a train leaving its first station the legislative process often starts with a handful of people on board until slowly a few more passengers hop on at each stop and before long there is a full car with people standing in the aisles Often times a bill becoming a law is no different

**Prison Religion** Winnifred Fallers Sullivan, 2011-09-06 More than the citizens of most countries Americans are either religious or in jail or both But what does it mean when imprisonment and evangelization actually go hand in hand or at least appear to What do faith based prison programs mean for the constitutional separation of church and state particularly when prisoners who participate get special privileges In Prison Religion law and religion scholar Winnifred Fallers Sullivan takes up these and other important questions through a close examination of a 2005 lawsuit challenging the constitutionality of a faith based residential rehabilitation program in an Iowa state prison Americans United for the Separation of Church and State v Prison Fellowship Ministries a trial in which Sullivan served as an expert witness centered on the constitutionality of allowing religious organizations to operate programs in state run facilities Using the trial as a case study Sullivan argues that separation of church and state is no longer possible Religious authority has shifted from institutions to individuals making it difficult to define religion let alone disentangle it from the state Prison Religion casts new light on church state law the debate over government funded faith based programs and the predicament of prisoners who have precious little choice about what kind of rehabilitation they receive if they are offered any at all

**Statesmen and Mischief Makers: Volume Iii** Scott Crass, 2016-04-27 My first two volumes of Statesmen and Mischief Makers portrayed the stories of officeholders who had tremendous impact on politics at the national level either by way of Presidential proximity legislative accomplishments or simply through living a life of idiosyncrasies that made a great anecdote or two Governors and big city Mayors are no

different There were smart leaders courageous leaders visionary leaders and inevitably small minded and even unscrupulous leaders In other words leaders who were anything but Whatever the case the Governors that ushered their state structure into a modern era or the Mayors whose cities have become the cultural meccas with landmarks that attract millions are all people who deserve recognition And yes so do the people who ended up on the wrong side of the law and went to jail Volume three examines these individuals All presided within the times of Kennedy to Reagan All are Statesmen and Mischief Makers And all are told here      **Formative Years** Alexandra Minna Stern,Howard Markel,2009-12-18 Sheds light on the development of the fields of pediatrics and child health during the last century      **Members of Congress** Robert Goehlert,Fenton S.
