Stories Brin Hodgskiss,Nicole Engelbrecht,2024-07-25 If you made me angry to me for that anger to go away I have to get

hold of you I have to do something to you I didn't feel myself I felt numb like a zombie like a switch had been flicked and a light had gone off These are the words of some of South Africa's most terrifying serial killers who spoke to psychologist Brin Hodgskiss in the bowels of the country's most secure prisons Hodgskiss interviewed several of the most notorious serial killers and his recordings sat gathering dust until recently when top true crime podcaster Nicole Engelbrecht found his research online The two connected and now they bring their love of storytelling to this highly readable book In *Killer Stories* Hodgskiss combines his interviews with the tenets of narrative psychology to take the reader into the minds of the killers and shares with us the ways in which his own journey as a psychologist and human being contributed to his deeper understanding of them The book intertwines the killers' versions of the truth and the true crime stories behind them re-telling their killing sprees in gripping detail Journey with the authors as they lay out how the stories these men told themselves about their lives contributed to where they ended up and how those stories aren't that different from those we all tell ourselves

The Music of Hamilton, Joe Frank & Reynolds Robert Reynolds, 2016-07-28 In the mid-60s a group of studio musicians turned an Alka Seltzer commercial into a novelty hit No Matter What Shape Your Stomach's In Unwilling to go on the road to promote it a new group was formed by Dan Hamilton Joe Frank Carollo and Tommy Reynolds who were then credited with the song When its popularity waned the three formed a new group using the name Hamilton Joe Frank Reynolds Their first record resulted in the hit song Don't Pull Your Love and earned a Gold record Reynolds unexpectedly left the band Soon Hamilton Carollo and Alan Dennison signed a contract with Playboy Records with the stipulation they keep their original band name They struck gold again with their first record for Playboy Fallin' In Love It was Playboy's only 1 pop hit This is the story about how this great soft rock group came to be It looks carefully at the group's entire music legacy and explores previously unreleased songs that were discovered during research for the book *United States Customs Court*

Reports United States. Customs Court,1977 *North by Northeast* Cherime MacFarlane,2017-06-01 Hamish Answer the feckin phone woman I m going insane here Lori Hamish warned me about nutters and opening the door without checking I should have listened In the battle of wills between Lori and her kidnapper her husband and unborn child are collateral damage She can t think about either now The man only wants one thing from her and once she gives in he ll kill her She cannot give him what he wants An inept investigator an obsessed fan and three friends all come together in a tight tale of a race up British Columbia s Pacific Coast as a husband tries to save the only thing he ever wanted his wife **Ghosts of Glencoe** Chuck Schwerin,2024-06-18 Ghosts of Glencoe is a riveting multi generational adventure of self discovery The novel spans a mere four months set at a unique junior boarding school and played out in the rugged Adirondack mountains of New York This is a hero s journey for two flawed protagonists one fifteen the other sixty three Both struggle to be accountable to themselves and to those who love them for their hubris betrayals for the shadows they created and still carry In their tortuous path to absolution both discover one is never too young to teach nor too old to learn In the fall of 2002 dramatic events engulf three ninth graders not the best of friends their passionate Scottish headmaster and an unlikely pair of escapees from a nearby prison The inevitable collision of these forces demonstrates that age and experience have no monopoly on bravery or vulnerability Only after superficial differences are peeled away can the teens summon the strength to find common ground to confront their frailties under the most trying conditions lost in the snowy mountains with rescuers urgently trying to find them and the convicts desperately plotting to eliminate them A page turning adventure set in wilderness that is as much a factor as the characters themselves Ghosts of Glencoe entertains educates and illustrates how the mountaineering mantra Fellowship of the Rope embodies the imperative that if we don t hang together we will surely hang alone *First American Into Space* Robert Silverberg,2008-04-01 Here is the spine tingling true story of that first American blast into the realm of the stars of the men who underwent rigorous training for that epic mission and of the one man who made the safe journey This is the factual account of the history of rocketry its triumphs and its failures our shame in the neglect of it and our pride in its later accomplishments Here too is a glimpse into the future as only science fiction writer Robert Silverberg could foresee orbiting space stations a man on the moon and more **Sexually Transmitted Diseases in Homosexual Men** David G. Ostrow,2013-11-11 This book is intended to educate the primary health care provider about sexually transmitted and related diseases as they present in homosexually active men But why a book discussing sexually transmitted diseases STDs in this population only Surely STDs are not limited to homosexual males The relatively high rates of incidence of many of these diseases among homosexually active men however and the large number of associated diagnostic and treatment problems have necessitated the collection into one volume of the information that is particularly relevant to the primary health care of this population A book dealing with current trends in the diagnosis and treatment of sexual diseases can by nature of the task be neither encyclopedic nor all encompassing In this volume the choice

of disease entities and the amount of material included on each are based on consideration of the amount of current information and the relative degree of uniqueness of a given problem in homosexual men rather than the absolute frequency of the disease There is therefore a considerable amount of material on hepatitis B and gonococcal infections reflecting the recent explosion of research and clinical investigation in these two areas In contrast little is said about nonspecific urethritis chancroid and lymphogranuloma venereum In the case of nonspecific urethritis although it is extremely common in homosexual men little progress has been made in diagnosis or therapy
