Egbokhare, 2000 This collection of seventy prose narrative samples represents the only published record of the oral tradition of the Emai people of southern Nigeria. The narratives are presented in both Emai orthography and English translation. They tend to portray everyday cultural practices of the Emai with human characters or their animal personification. As such, they provide an initial glimpse of Emai cosmology, cultural values, and social norms, as well as a firm impression of how Emai grammatical resources function in spontaneous narrative discourse. Ronald P. Schaefer is Professor at the College of Arts and Sciences, Department of English Language and Literature at the Southern Illinois University at Edwardsville. Francis O. Egbokhare teaches at the University of Ibadan in Nigeria. **The Pistoleer - Invasion** Skye Smith, 2019-04-16 Cover Flap In the winter of 1642-43, while King Charles was hiding in Oxford, his wife Henrietta was in The Hague, pawning the English crown jewels, buying an army, and chartering ships to invade England. Two of the leading Reformers, Admiral Rich and Colonel Waller, moved quickly to secure all of the ports along the south coast. Denied the south coast, the invasion convoy sailed up the North Sea coast. They were first spotted off the coast of Lowestoft by the crew of a small patrol ship. The crew included Daniel Vanderus, his clansmen, and a dragoon captain named Robert Blake. About the Author Skye Smith is my pen name. In 1630, some of my Manchester Puritan ancestors sailed away to Massachusetts on one of Robert Rich's ships. The Pistoleer is a series of historical adventure novels set in Britain in the 1640s. I was encouraged to write them by fans of my Hoodsman series. This is the sixth of the series, and you should read at least the first novel, Hellburner, before you read Invasion, because it sets the characters and scene for the entire series. The sequence of the books follows the timeline of the Republic of Great Britain. The chapter headings identify the dates and places. The Appendix gives historical insight in the form of an FAQ. Enjoy! Other Novels By The Same Author: The Hoodsman, 12 historical adventures set in the Norman conquest; Maya's Aura, 8 new-age adventures while tripping around the world; Knut, many historical adventures set in the Viking Era; The Pistoleer, 9 historical adventures set in the English Civil War.
