**The Man Who Couldn't Die** Olga Slavnikova, 2019-01-29 In 1990s Russia the wife and stepdaughter of a paralyzed veteran conceal the Soviet Union's collapse from him in order to keep him and his pension alive Olga Slavnikova's *The Man Who Couldn't Die* tells the story of how two women try to prolong a life and the means and meaning of their own lives by creating a world that doesn't change a Soviet Union that never crumbled After her stepfather's stroke Marina hangs Brezhnev's portrait on the wall edits the Pravda articles read to him and uses her media connections to cobble together entire newscasts of events that never happened Meanwhile her mother Nina Alexandrovna can barely navigate the bewildering new world outside especially in comparison to the blunt reality of her uncommunicative husband As Marina is caught up in a local election campaign that gets out of hand Nina discovers that her husband is conspiring as well to kill himself and put an end to the charade Masterfully translated by Marian Schwartz *The Man Who Couldn't Die* is a darkly playful vision of the lost Soviet past and the madness of the post-Soviet world that uses Russia's modern history as a backdrop for an inquiry into larger metaphysical questions Darkly sardonic oddly timely for there are all sorts of understated hints about voter fraud graft payoffs and the endless promises of politicians who have no intention of keeping them Slavnikova is a writer American readers will want to have more of Kirkus Reviews starred review A funhouse mirror worth looking into especially in today's United States with its alternative facts unpoetic assertions and morbid relationship with the past Leeore Schnairsohn Los Angeles Review of Books

Ron Hubbard,2014-06-23 Imagine a young Laurence Olivier cast as a scholarly Oxford professor an academic snatched out of his bookish world and pressed into service aboard Lord Nelson s legendary British fleet in the position of schoolmaster Such is the life of the land loving seafaring Mister Tidwell Gunner Thrust into service at the height of the Napoleonic Wars Tidwell soon finds himself directly in the line of fire and way out of his depth Fate has cast him into a terrible and terrifying spot alone on deck to face the fearsome approach of a French man o war The professor is about to get an object lesson in war self reliance and survival Overwhelmed by the smell of gunpowder the sound of cannons and the sight of death he will either experience the sweet taste of victory or the bitter taste of his own blood In an essay called Search for Research Hubbard wrote about how he came up with story ideas I want one slim forgotten fact From there a man can go anywhere In one old volume for instance I discovered that there was such a thing as a schoolmaster aboard Nelson s ships When did this occur The Napoleonic Wars Drawing on this single obscure discovery Hubbard delved deeper into the history and let his remarkable imagination do the rest Complete after a few days of search I had my Mister Tidwell Gunner Also includes the sea adventures The Drowned City the story of two deep sea divers who set out in search of a long lost treasure only to find that the waters are full of treacherous currents and even more treacherous men and Submarine in which a young sailor on leave enjoys a quiet interlude with his girlfriend only to have it interrupted by a call to duty and danger **The Leisure Hour** ,1873 **Everybody's** ,1926 **Everybody's Magazine** ,1921 The Slip Series Collection Gwyn McNamee,2019-01-21 It s everyone s worst nightmare a wardrobe malfunction that exposes you to the world Laugh cringe

and swoon through three stories of such embarrassing moments with the complete Slip Series Collection Dicksip One wardrobe malfunction Two lives forever changed Playing in a star studded charity basketball game should be fun and it is until I literally go balls out to show up my arch nemesis When I dive for the basketball and my junk slips out of my gym shorts I know my life and career are over There s no way the network can keep my kids show on the air after I ve exposed myself to millions of people I don t know how Andy the new CEO can go to bat for me with such passion I also never anticipate how hot she looks in a pair of high heels Rafe s dicksip has made my new job even more stressful It s hard enough being a woman in a man s world without dealing with sex organs being publicly displayed when someone is representing the company But he s an asset to the network not to mention hot as hell I can barely keep my eyes off him or his crotch during our meetings Defending him to the board puts my ass on the line as much as his but it s worth it So is risking my job to fulfill the fantasies I ve had about him since he first set foot in my office Things may have started out bad but Some accidents have happy endings Nipsip One nipple A world of problems I own the runway Until my nipple pops out of my dress during New York Fashion Week and it suddenly owns me Being called a worthless gutter slut by a fuming designer is the least of my problems My career is swirling around the toilet like the other models lunches Until smoking hot Tate Decker steps in with a crazy idea about how his magazine can maybe salvage my livelihood It s less than two feet in front of me Perfect and perky and pink And the woman it s attached to looks absolutely horrified I need to help her and not just because she s beautiful and has a perfect rack Using my position in the industry to expose the volatile nature of our business puts my career in jeopardy in an attempt to save Riley s I m willing to risk that but falling for her isn t part of the plan When love and tits are involved Things can get slippery Beaver Blunder One brief mistake A world of hurt No panties No problem At least until I slip on the wet floor and go heels over head in front of my colleagues and half the courthouse Returning to consciousness can t be more awkward until I find out who my sexy argumentative and bossy knight in shining armor really is My career may not survive my beaver blunder and my heart might not survive Owen Grant Madeline Ryan tumbles into my life on a wave of perfume and public embarrassment She falls and exposes herself in front of me and I find myself falling for her despite the fact she fights me every chance she gets Being a woman in a good ol boy profession demands a certain brashness but it definitely has me thinking maybe litigators shouldn t be lovers With stressful jobs and big attitudes going commando has never been so freeing
