

FERDINAND MOUNT  
THE MAN WHO  
RODE AMPERSAND

*'Loving, devastatingly sensitive, crowded with rich  
and lovely scenes, the product of an extremely vulnerable  
and divided perception – three cheers for Ampersand'*

JOHN LE CARRÉ

# The Man Who Rode Ampersand

**Ferdinand Mount**

## **The Man Who Rode Ampersand:**

**The Man who Rode Ampersand** Ferdinand Mount,1975      *Of Love And Asthma* Ferdinand Mount,2011-11-30 We should have awakened to the sun streaming in from across the valley but this is not a story about things as they should be and it was a dark blustery morning blasting the blossom off the may Only in the shelter of the high hedgerows down in the lanes streaked with red mud was there an escape from the wind and the rain Just as we were putting on our boots I pinned down the unidentified fear of the night before I had slept without my asthma pillow It was not the first time But this was the first time I had slept without it and not properly noticed until the morning after This must I though be love Would it be punished to      **Making Nice** Ferdinand Mount,2021-09-30 The deliciously sharp new novel from Ferdinand Mount author of the Sunday Times Book of the Year *Kiss Myself Goodbye* Ferdinand Mount's stinging satire plunges into the dubious world of London PR firms the back rooms of Westminster and the campaign trail in Africa and America We follow the hapless Dickie Pentecost redundant diplomatic correspondent for a foundering national newspaper together with his stern oncologist wife Jane and their daughters Flo an aspiring ballerina and the quizzical teenager Lucy The whole family find themselves entangled in an ever more alarming series of events revolving around the elusive Ethel full name Ethelbert dynamic founder of the soaring public relations agency Making Nice With echoes of Evelyn Waugh and *The Thick of It* Making Nice is a masterly take on the madness of contemporary society and the limitless human capacity for self deception      [Jem \(and Sam\)](#) Ferdinand Mount,2010-08-31 How does Jeremiah Mount the dealer in pornography come to be the lover of the Duchess of Albemarle and the colleague of the great Samuel Pepys In Pepys Diary Jem Mount plays a shadowy role but in Jem's own memories Sam looms large Friends and drinking partners at first they become vicious rivals for fame and women In his struggle to survive and triumph over his adversary in a racket world Jem stumbles into many trades chemist butler soldier secretary and now and then lover This newly discovered autobiography with its disconcerting echoes of our own time takes its dubious hero from the shaky days of Cromwellian England through the unbuttoned license of the Restoration to the panic of Monmouth's Rebellion and the Jamaica sugar boom      *The New York Public Library Literature Companion* Staff of The New York Public Library,2001-11-06 Pick up The New York Public Library Literature Companion to check the dates of Marcel Proust's *Remembrance of Things Past* or to find out how James Joyce's *Ulysses* changed U S obscenity laws and you may find yourself hours later absorbed in the imaginary worlds of Camelot and The Matrix or sidetracked by the fascinating history of The New Yorker Designed to satisfy the curious browser as well as the serious researcher this exciting new resource offers the most up to date information on literature available in English from around the world from the invention of writing to the age of the computer Interwoven throughout the more than 2 500 succinct and insightful entries on Creators Works of Literature and Literary Facts and Resources are the fascinating facts and quirky biographical details that make literature come alive Readers will discover for instance that Walt Whitman was fired from his government job after his personal copy of

Leaves of Grass was discovered in his desk by the Secretary of the Interior who was scandalized by it that James Baldwin remembered listening to blues singer Bessie Smith playing her till I fell asleep when he was writing his first book and that a publisher turned down the serialization rights to *Gone with the Wind* saying Who needs the Civil War now who cares Looking for information about book burning or how many Nobel laureates have come from Japan You ll find it here Trying to remember the name of that movie based on a favorite book Read the Variations section you ll be amazed at the pervasive presence of great literature in today s entertainment From Aristophanes to Allende from Bergson to Bloom the biographical entries will inform readers about the men and women who have shaped and are shaping the literary world Look into Works of Literature to discover the significance of Beowulf The Fountainhead Doctor Zhivago and nearly 1 000 other titles Check the Dictionary of Literature to find out what the critics and theorists are talking about And if you wish to delve even deeper Websites for Literature and Literary Factbooks and Handbooks are just two of the bibliographies that will point readers in the right direction Unique in scope and design and easy to use The New York Public Library Literature Companion will be at home on every reader s shelf Whether you are immersed in Stephen King or King Lear this book has the insights facts and fascinating stories that will enrich your reading forever With four major research centers and 85 branch libraries The New York Public Library is internationally recognized as one of the greatest institutions of its kind Founded in 1895 the library now holds more than 50 million items including several world renowned collections of literary manuscripts and rare books Among the books published from the library in recent years are The New York Public Library Desk Reference 1998 The Hand of the Poet 1997 Letters of Transit Reflections on Exile Identity Language and Loss 1999 A Secret Location on the Lower East Side Adventures in Writing 1960 1980 1998 and Utopia The Search for the Ideal Society in the Western World 2000

**Full Circle** Ferdinand Mount, 2010-05-27 So much about the society that is now emerging in the twenty first century bears an astonishing resemblance to the most prominent features of what we call the classical world its institutions its priorities its entertainment its physics its sexual morality its food its politics even its religion The ways in which we live our rich and varied lives correspond almost eerily so to the ways in which the Greeks and Romans lived theirs Whether we are eating and drinking bathing or exercising or making love pondering admiring or enquiring our habits of thought and action our diversions and concentrations recreate theirs It is as though the 1500 years after the fall of Rome had been time out from traditional ways of being human This eye opening book makes us look afresh at who we are and how we got here Full Circle is not only wonderfully witty and brilliantly astute but also profound and often disquieting Ferdinand Mount effortlessly peels back 2000 years of history to show how much we are like the ancients how in ways both trivial and crucial we are them and they are us *English Voices* Ferdinand Mount, 2016-05-05 A sheer delight Times Literary Supplement Ferdinand Mount has spent many years writing articles columns and reviews for prestigious magazines newspapers and journals Whether reviewing great published works by some of England s finest authors and poets both alive and dead including Kingsley Amis

John Osborne John le Carr Rudyard Kipling E M Forster and Alan Bennett He also analysed the works of a variety of our Masters covering the past four hundred years such as of course William Shakespeare Charles Dickens John Keats Thomas Hardy Samuel Taylor Coleridge and Samuel Pepys Whether it be holding up to account the writings of Winston Churchill or celebrating the much loved poems of Siegfried Sassoon each essay reproduced in full here has been carefully chosen by Mount to weave a unique tapestry of the wealth of writings that have helped shape his own respected career as an author and political commentator For anyone interested and passionate about writing and poetry across the centuries in the British Isles this book will be a very welcome guide to the best one can pick up and read **The New Few** Ferdinand

Mount, 2012-04-26 This was supposed to be the era when democracy came into its own but instead power and wealth in Britain have slowly been consolidated the hands of a small elite while the rest of the country struggles financially and switches off politically We are now ruled by a gang of fat cats with fingers in every pie who squabble for power among themselves while growing richer Bored with watching corrupt politicians jockeying for power ordinary Britons are feeling disconnected from politics and increasingly cynical about the back scratching relationship between politicians and big business The New Few shows us what has led to this point and asks the critical questions why has Britain become a more unequal society over the past thirty years Why have the banks been bailed out with taxpayers money while bankers are still receiving huge bonuses Why have those responsible not been held accountable for the financial crash Why has power in Britain become so concentrated in the hands of corrupt politicians who have been exposed cheating their constituents in the expenses scandal Despite this bleak diagnosis there are solutions to the rise of the new ruling class in the modern West The New Few sets out some of the ways in which we can restore our democracy bringing back real accountability to British business and fairness to our society **Mill and Liberalism** Maurice Cowling, 1990-01-26 When first published in 1963 this interpretation of Mill's thought caused much controversy

**The Tears of the Rajas** Ferdinand Mount, 2015-03-12 The Tears of the Rajas is a sweeping history of the British in India seen through the experiences of a single Scottish family For a century the Lows of Clatto survived mutiny siege debt and disease everywhere from the heat of Madras to the Afghan snows They lived through the most appalling atrocities and retaliated with some of their own Each of their lives remarkable in itself contributes to the story of the whole fragile and imperilled often shockingly oppressive and devious but now and then heroic and poignant enterprise On the surface John and Augusta Low and their relations may seem imperturbable but in their letters and diaries they often reveal their loneliness and desperation and their doubts about what they are doing in India The Lows are the family of the author's grandmother and a recurring theme of the book is his own discovery of them and of those parts of the history of the British in India which posterity has preferred to forget The book brings to life not only the most dramatic incidents of their careers the massacre at Vellore the conquest of Java the deposition of the boy king of Oudh the disasters in Afghanistan the Reliefs of Lucknow and Chitral but also their personal ordeals the bankruptcies in Scotland and

Calcutta the plagues and fevers the deaths of children and deaths in childbirth And it brings to life too the unrepeatable strangeness of their lives the camps and the palaces they lived in the balls and the flirtations in the hill stations and the hot slow rides through the dust An epic saga of love war intrigue and treachery The Tears of the Rajas is surely destined to become a classic of its kind Subversive Family Ferdinand Mount,2010-06-15 British politician and writer Ferdinand Mount challenges contemporary beliefs about society and family including the history of divorce childcare and the concept of the nuclear family In Subversive Family politician and writer Ferdinand Mount argues that society is shaped by a series of powerful revolutionary movements the leaders of which whether they be political ideologues theologians feudal lords or feminist writers have done their utmost to render the family a subordinate instrument of their purpose but that in spite of it all the family endures Mount maintains that many widely held contemporary beliefs about the family are based on a willful misreading of the evidence among the myths are that arranged marriages were the norm until this century that child care is a modern innovation that in earlier societies children were treated as expendable objects that the nuclear family is not a 20th century invention and that romantic love never existed before the troubador poets glorified adultery Divorce he contends is no great novelty either he shows that in many times and places it has been almost as easy to obtain as it is today Far from diminishing the general desire and respect for family life Mount contends that the provision for divorce has been popularly regarded as an integral part of any sensible system of family law This study should jolt the reader into a re assessment of one of the most familiar and ancient institutions and encourage greater consideration for policies today that support the family

The British Constitution Now Ferdinand Mount,2011-12-13 In this book the former head of Mrs Thatcher s policy unit looks at the state of the British Constitution at a crucial time in its history arguing that recent years have seen an increased willingness to monitor itself on the part of the Establishment but that more audacious reforms are needed to restore full confidence in Parliament government and the legal system *The Atlantic Monthly* ,2002 *The Statesman* ,1974

**Encounter** ,1978 **Writer's Choice** Linda Sternberg Katz,William A. Katz,1983 *World Authors, 1995-2000* Mari Rich,Olivia J. Smith,Clifford Thompson,2003 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author s principal works with date first published a list of major critical works and a portrait or photograph where available *Book Review Digest* ,2008 The Spectator ,1981

Ampersand D. S. Martin,2018-02-14 D S Martin s new poetry collection Ampersand brings together portraits observations where the poet reflects upon artists saints reformers poets his own elderly parents various biblical characters including twelve poems written for each of the twelve disciples Ampersand as the title suggests brings together many disparate things giving room for diverse reflections on human experience the world in which we live
