*MindField* John Egbert, 2006-11-22 What would happen if most of the people in America became deaf almost overnight Chaos Financial collapse Anarchy None of the above *MindField* is a thrill ride with a message a premise torn right out of today's headlines A terrorist cell ignites an aerosol dispersion of what is thought to be deadly bacteria spinal meningitis It quickly spreads from a small town in Montana to nearly 30 states eventually affecting more than three million people an epidemic of nation threatening proportions However the problem isn't death it's deaf The physical symptoms of the disease disappear after three weeks the only remaining tragedy is all those who are stricken become permanently deaf a common side effect of spinal meningitis The United States is turned inside out now a country where millions of the inhabitants can't hear An underground government is formed deep beneath the NORAD facilities in Colorado A catastrophe of unimaginable proportions or is it *MindField* is a fast paced plot driven suspense novel with a pleasant surprising and incredibly potent message about the way we might live our lives if we all had to listen with our eyes and hearts and how the world might be a much better place for it

Michael Bertiaux, 2007-07-01 A long awaited new edition of the seminal text on the spiritual system that is a convergence of Gnosticism and Haitian voodoo The Voudon Gnostic Workbook is a singular sacred work that is comprehensive in scope from how to be a lucky Hoodoo to how magick and voodoo intersect energetically to esoteric time travel Complete with charts and graphs and instructive interdimensional physics The Voudon Gnostic Workbook is an object

of desire among students of the occult Weiser's long anticipated republication of this rare text will be an event in the annals of esoteric publishing as the book itself is somewhat of an unholy grail There are listservers devoted to it and much discussion of the mysteries held within its pages While The Voudon Gnostic Workbook has remained a controversial book considered important for masters of metaphysics it recently came into popular culture and renewed popularity when Grant Morrison revealed it had been the inspiration for his cult comics The Invisibles using the cribbed time travel from Bertiaux's masterwork Voodoo is not an evil religion and is much misunderstood It derives from the Dahomean Gods called the Loa Esoteric voodoo is actually a highly practical procedure for leading us into making contact with the deepest levels of our being and most ancient modes of consciousness Michael Bertiaux's Voudon Gnostic Workbook is the most comprehensive and illuminating contemporary book on the subject Launched out of a correspondence course and series of classes for students and followers of Voudon Gnosticism and the OTO this seminal text is at once one of the most mysterious and magnificent of all esoteric books
