The background of the slide is a vibrant, abstract image. It features a central, bright yellow and white light source that creates a strong lens flare effect. This light is surrounded by swirling, ethereal patterns in shades of deep blue, teal, and purple, giving the impression of a cosmic or spiritual journey. In the lower center, a small, dark silhouette of a person is seen from behind, walking away from the viewer along a path that leads directly towards the central light. The overall mood is one of hope, aspiration, and divine presence.

**The Manifested Sons of God** John Franco,2013-06 If you will search within yourself you will find that within you there is a hunger for the supernatural Not only to witness it but also to participate in its performance How many times have you thought that there must be more to life The work routines the laundry baskets filing taxes We all feel a need to find fullness and meaning rather than merely existing We reach out into the universe for a better state of being we feel an unidentified pull that is outside of what we are familiar with Worst of all is that we are Christians and we have heard so much about how life with God is supposed to be a kaleidoscope of extraordinary experiences The Bible is full of adventure danger intrigue and one story after another of how God s children stood out amongst the inhabitants of the earth We look at our stories only to see how commonplace and redundant our church goings and comings can be John Franco will open your mind to the ways of thinking that keep you in motion but offers much momentum With God inspired exposition on the inheritance of power and authority Jesus gave us Franco shows that living out our salvation in all its glory is as much about our choices as making the decision for Christ in the first place There will always be things that get us down but with the right perspective even the negative aspects of life can be utilized to further our growth The Almighty s forgiveness and healing work all things for our good Break out of the monotony and inactivity step up to the plate armed with God s word about who you are and what you can do then knock this life out of the park

overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope      **Visions of the Coming Days** R.
