The Burden of the Ancients Allen J. Christenson,2016-10-11 In Maya theology everything from humans and crops to gods and the world itself passes through endless cycles of birth maturation dissolution death and rebirth Traditional Maya believe that human beings perpetuate this cycle through ritual offerings and ceremonies that have the power to rebirth the world at critical points during the calendar year The most elaborate ceremonies take place during Semana Santa Holy Week the days preceding Easter on the Christian calendar during which traditionalist Maya replicate many of the most important world renewing rituals that their ancient ancestors practiced at the end of the calendar year in anticipation of the New Year s rites Marshaling a wealth of evidence from Pre Columbian texts early colonial Spanish writings and decades of fieldwork with present day Maya The Burden of the Ancients presents a masterfully detailed account of world renewing ceremonies that spans the Pre Columbian era through the crisis of the Conquest period and the subsequent colonial occupation all the way to the present Allen J Christenson focuses on Santiago Atitl n a Tz utujil Maya community in highland Guatemala and offers the first systematic analysis of how the Maya preserved important elements of their ancient world renewal ceremonies by adopting similar elements of Roman Catholic observances and infusing them with traditional Maya meanings His extensive description of Holy Week in Santiago Atitl n demonstrates that the community s contemporary ritual practices and mythic stories bear a remarkable resemblance to similar cultural entities from its Pre Columbian past [Christian lyrics: chiefly selected from modern authors \[by L.
