Slavery Revisited Blacks And The Southern Convict Lease System 1865-1993:

Kill It to Save It Dolgon, Corey, 2017-04-05 How have powerful Americans convinced their fellow citizens to support policies beneficial only to the wealthy Why have so many given up on public education safe food and safe streets living wages even on democracy itself Kill it to Save it lays bare the hypocrisy of US political discourse by documenting the story of capitalism's triumph over democracy As the Progressive Left tries to understand how President Trump came to power Corey Dolgon documents his historical political and cultural road map Dolgon argues that American citizens now accept policies that destroy the public sector and promote political stories that feel right in the gut regardless of science or facts Covering the post Vietnam era to present day Dolgon dismantles US common sense cultural discourse and explains why the endless crisis in US policy will continue until American citizens recognize what has been lost and in whose interest

Slavery Revisited Milfred C. Fierce, 1994 **One Dies, Get Another** Matthew J. Mancini, 1996 In his seminal study of convict leasing in the post Civil War South Matthew J Mancini chronicles an institution of unrelieved brutality Devastated by war bewildered by peace and unprepared to confront the problems of prison management Southern states sought to alleviate the need for cheap labor a perceived rise in criminal behavior and the bankruptcy of their state treasuries Mancini describes the leasing of convicts to corporations and individuals as a policy that in addition to reducing prison populations and generating revenues offered a means of racial subordination and labor discipline He identifies commonalities that despite the seemingly uneven enforcement of convict leasing across state lines bound the South together in reliance on one of the harshest most exploitative labor systems in American history Examining the practice from both regionwide and state by state perspectives Mancini explores convict leasing in Georgia Tennessee Mississippi Alabama North Carolina South Carolina Florida Texas Louisiana Arkansas and Virginia He describes prisoners daily existence profiles the individuals who leased the convicts and reveals both the inhumanity of the leasing laws and the centrality of race relations in the establishment and perpetuation of convict leasing He takes issue with the widespread notion that convict leasing was an aberration in a generally progressive history of criminal justice and offers a convincing explanation for the institution's dramatic demise

Twice the Work of Free Labor Alexander C. Lichtenstein, 1996 For the first time in a generation chain gangs have reappeared on the roads of the American South Associated in the past with racial terrorism this cruel and unusual punishment should invoke strong memories But in the rush to embrace ever harsher sanctions the American public has ignored the troubling history of Southern punishment *Twice the Work of Free Labor* is the first book length study of the history of the Southern convict lease system and its successor the chain gang For nearly a century after the abolition of slavery convicts labored in the South's mines railroad camps brickyards turpentine farms and then road gangs under abject conditions The vast majority of these prisoners were African Americans In this timely book Alex Lichtenstein reveals the

origins of this vicious penal slavery explains its persistent and widespread popularity among whites and charts its unhappy contribution to the rebirth of the South in the decades following the Civil War The book also offers an original analysis of the post Civil War South s political economy Lichtenstein suggests that after emancipation forced black labor was exploited not by those who yearned for the social order of the slave South but by the region s most ardent advocates of progress The convict lease and chain gang allowed a New South to rise while preserving white supremacy *The Silent South, Together with the Freedman's Case in Equity and the Convict Lease System* George Washington Cable, 1899 **The Silent South** George W.
