The Lure of San Francisco Elizabeth Gray Potter, 2016-11-30 Excerpt from The Lure of San Francisco A Romance Amid Old Landmarks The average visitor considers California's claim to historic recognition as dating from the discovery of gold Her children both by birth and adoption have a hazy pride in her Spanish origin but are too busy with today's interests to take much thought of it They know that somewhere over in the Mission is the old adobe church They rejoice that it escaped the fire but have no time to visit it They will proudly tell their eastern friends of its existence and that the Presidio received its name from the Spaniards but further narration of the heritage is lost in exclamations over the beauty of the drives and the views while the historic significance of Portsmouth Square is smothered in the delight over Chinese embroideries bronzes and cloisonne About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Routledge Library Editions: Urban History Various Authors, 2021-02-25 The volumes in this set originally published between 1940 and 1994 draw together research by leading academics in the area of welfare and the welfare state and provide a rigorous examination of related key issues The volumes examine welfare policy equality poverty class government social policy unemployment and social services whilst also exploring the general principles and practices of welfare and the welfare state in various countries This set will be of particular interest to students of sociology health and political studies respectively **Women of the West** Max Binheim, Charles A.
