## **The Magic Of Ireland:**

*The Magic of Ireland* Henry Volla Morton,1978      *Witchcraft and Magic in Ireland* Andrew Sneddon,2015-08-25 This is the first academic overview of witchcraft and popular magic in Ireland and spans the medieval to the modern period Based on a wide range of un used and under used primary source material and taking account of denominational difference between Catholic and Protestant it provides a detailed account of witchcraft trials and accusation      **The Magic of Ireland** Robert Vance,2007 Ireland is clearly but indefinably different to other lands it has a strange compound of weather landscape people and that something extra the remnants of a pagan and medieval past These elements of people and place combine to give the country a magic all its own This magic can be found throughout the country it can be felt at ancient horse fairs or ruined castles and even on the streets of modern Irish towns This book encapsulates all that is wonderful about Ireland from the natural landscape to traditional shopfronts to give an overall impression of what makes Ireland magical      *The Magic of Ireland* Henry Volla Morton,1978      **The Magic Cup** Andrew M. Greeley,2008-03-04 A Quest for the Holy Grail In this novel of legendary Ireland Andrew Greeley takes you back into a long ago time of mists and magic faith and love Here you will meet Cormac MacDermot the young king destined to lead Ireland out of paganism to Christianity his aged father now on the throne and the seductive witch queen who holds the country in thrall Here also is the lovely slave girl Brigid As light footed as an Irish pixie she will help Cormac seek the magic cup that will confirm his right to be High King of Ireland Over mountain and river they will journey beset by perils But when their enemies capture Brigid and Cormac strives to save her he will see that the little slave girl is a great deal more than she seems At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      *The Magic of Ireland* Sarah E. Reese,1995      **The Magic of Ireland** H. V. Morton,1978      **The Magic Numbers of the Professor** Owen O'Shea,Underwood Dudley,2007-03-08 Numerical curiosities ranging from coincidences and the first moon walk to proposition bets involving dice and cards      *Representing Magic in Modern Ireland* Andrew Sneddon,2022-05-19 This Element argues that Ireland did not experience a disenchanted modernity nor a decline in magic It suggests that beliefs practices and traditions concerning witchcraft and magic developed and adapted to modernity to retain cultural currency until the end of the twentieth century This analysis provides the backdrop for the first systematic exploration of how historic Irish trials of witches and cunning folk were represented by historians antiquarians journalists dramatists poets and novelists in Ireland between the late eighteenth and late twentieth century It is demonstrated that this work created an accepted narrative of Irish witchcraft and magic which glossed over ignored or obscured the depth of belief in witchcraft both in the past and in contemporary society Collectively their work gendered Irish witchcraft created a myth of a disenchanted modern Ireland and reinforced competing views of Irishness and Irish identity These long held stereotypes were only challenged in the late twentieth century      *Feel the Magic!* William Soisson,2016-09-27 There are two kinds of people who wont want to miss reading *Feel the Magic* a rollicking tale by Bill

Soisson a wise cracking sixty year old man who sets out to conquer the Emerald Isle on a bicycle As Bill takes to the road for a month long assault there is no doubt in his mind that he can indeed conquer the place But many things can happen in a month and after dozens of encounters with the irresistible Gaels who call themselves Irish Soisson comes to realize that instead of conquering he has been clearly bested All along his vagabond way the Irish have out wisecracked outsmarted outlaughed and outloved him He has been enslaved by the affections of a host of delightful characters who regularly take smart aleck strangers and bring them to heel with large doses of blarney twice told tales and patented put downs Moreover he has been deeply moved by the history of that poetic people Most remarkable though is that the author put to a test by wit or kindness at every turn for a solid month has loved every moment of it equally the humbling as well as the exalting And by the time his story has been told you sense that he will never again be quite the same brash man who landed in Dublin He has been touched by many people in ways ranging from riotously funny to deeply emotional Each experience has been different but each has been very human and very well Irish In the end when he leaves that enchanted land he is overcome with the mysterious feeling that the butcher in Dublin was right on the mark when he said Who do you think sent you here and do you think it was just for a piece of meat Filled with colorful historical background peopled by warm characters and impish fairies Feel the Magic is a story that anyone who hasnt yet been to Ireland wont want to miss But who are the others Didnt I say there are two kinds of people who wont want to miss reading this book Yes I did The others of course are those who have been to Ireland

**Ireland on Show** Fintan Cullen, 2017-07-05 Looking past the apparent lack of a sustainable Irish display culture this book demonstrates that there is a very full story to tell of the way Ireland displayed its art from the late eighteenth to the early twentieth century Ireland on Show analyzes the impact of the display of art as a significant political and cultural feature in the make up of nineteenth century Ireland and in how Ireland was viewed beyond its own shores in particular in Great Britain and the United States Fintan Cullen directs much needed critical attention and analysis to a subject that has been largely overlooked from an Irish perspective This study moves beyond museums to address the range of art institutions in Irish cities that displayed art from the Royal Hibernian Academy

founded in the 1820s to Hugh Lane's Municipal Art Gallery opened in Dublin in 1908 Throughout the book explores the battle between the display of a unionist ethos and a nationalist point of view a constant that resurfaces over the period By highlighting the tension between unionist and nationalist viewpoints Cullen uses the display of art to investigate the complexities of Irish cultural life before the founding of the Free State The Journal of the Royal Anthropological Institute of Great Britain and Ireland ,1929 Includes articles of worldwide anthropological interest **Folk Tales from Ireland** F.T. **from Religion to Recreation** Ceri Houlbrook,2018-04-23 This book traces the history of ritual landscapes in the British Isles and the transition from religious practice to recreation by focusing on a highly understudied exemplar the coin tree These are trees imbued with magical properties into which coins have been ritually embedded This is a contemporary custom which can be traced back in the literature to the 1700s when it was practiced for folk medical and dedicatory purposes Today the custom is widespread with over 200 coin trees distributed across the British Isles but is more akin to the casual deposition of coins in a wishing well coins are deposited in the tree in exchange for wishes good luck or future fortune Ceri Houlbrook contributes to the debate on the historic relationships between religion ritual and popular magic in British contexts from 1700 to the present *Ireland, the Peace Conference and the League of Nations* Louis G.
