DuPree, 2013-09-13 First Published in 1996 Those of us who aspire to know about the black church in the African American experience are never satisfied We know so much more about the Christian and church life of black Americans than we did even a dozen years ago but all the recent discoveries whet our insatiable appetites to know it all That goal will never be attained of course but there do remain many conquerable worlds Sherry Sherrod DuPree set her mind to conquering one of those worlds She has persisted with the results detailed here A huge number of items are available to inform us about Holiness Pentecostal and Charismatic congregations and organizations in the African American Christian community **Arizona** Mary Jo

Churchwell,2007 The author relates her seven month experience when at age 63 she set off to see Arizona in her Saturn sedan making and breaking camp hiking official and unofficial trails fly fishing for Apache trout and wandering around Arizona s little towns soaking up regional history      **The Mystic Healers** Paris Flammonde,1999 In this thoroughly revised and updated edition Paris Flammonde traces the history of alternative medicine from the deeds of the earliest shaman right up to the practices of such contemporary healers as Deepak Chopra and Benny Hinn      **One If by Land** William R. Daniel,2012 For over twenty years ranchers on our southern border have been overrun with smugglers criminals illegal immigrants and terrorists Law enforcement personnel have joined the ranchers to expose the government policies that have maintained an open lawless and deadly border      **The Evangelicals** Robert Krapohl,Charles H. Lippy,1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing      *The Milagro Beanfield War* John Nichols,2013-12-10 The Milagro Beanfield War is the first book in John Nichols s New Mexico trilogy Gentle funny transcendent The New York Times Book Review later adapted to film by Robert Redford Joe Mondragon a feisty hustler with a talent for trouble slammed his battered pickup to a stop tugged on his gumboots and marched into the arid patch of ground Carefully and also illegally he tapped into the main irrigation channel And so began though few knew it at the time the Milagro beanfield war But like everything else in the dirt poor town of Milagro it would be a patchwork war fought more by tactical retreats than by battlefield victories Gradually the small farmers and sheepmen begin to rally to Joe s beanfield as the symbol of their lost rights and their lost lands And downstate in the capital the Anglo water barons and power brokers huddle in urgent conference intent on destroying that symbol before it destroys their multimillion dollar land development schemes The tale of Milagro s rising is wildly comic and lovingly tender a vivid portrayal of a town that half stumbling and partly prodded gropes its way toward its own stubborn salvation      Mortal Evidence Cyril H.
