

The imagination of man is made in the image of the imagination of God. Everything of man must have been of God first; and it will help much towards our understanding of the imagination and its functions in man if we first succeed in regarding aright the imagination of God, in which the imagination of man lives and moves and has its being.

The Surprising Imagination of C. S. Lewis Jerry Root, Mark Neal, Root, 2015-09-01 Narnia Perelandra places of wonder and longing The White Witch Screwtape personifications of evil Aslan a portrait of the divine Like Turkish Delight some of C. S. Lewis's writing surprises and whets our appetite for more But some of his works bite and nip at our heels What enabled C. S. Lewis to create such vivid characters and compelling plots Perhaps it was simply that C. S. Lewis had an unsurpassed imagination Or perhaps he had a knack for finding the right metaphor or analogy that awakened readers' imaginations in new ways But whatever his gifts no one can deny that C. S. Lewis had a remarkable career producing many books in eighteen different literary genres including apologetics autobiography educational philosophy fairy stories science fiction and literary criticism And while he had and still has critics Lewis's works continue to find devoted readers The purpose of this book is to introduce C. S. Lewis through the prism of imagination For Lewis imagination is both a means and an end And because he used his own imagination well and often he is a practiced guide for those of us who desire to reach beyond our grasp Each chapter highlights Lewis's major works and then shows how Lewis uses imagination to captivate readers While many have read books by C. S. Lewis not many readers understand his power to give new slants on the things we think we know More than a genius Lewis disciplined his imagination harnessing its creativity in service of helping others believe more deeply Truly fresh rhetorically astute works about C. S. Lewis are rare but this provocative new volume by Jerry Root and Mark Neal emerges at just the right time to reinvigorate Lewis scholarship beyond the clichés we continue to repeat to each other *The Surprising Imagination of C. S. Lewis* delivers just that salvo an ingenious empathetic lavishly informed elucidation of Lewis's understanding of the life of the imagination Bruce L. Edwards Professor Emeritus of English and Africana Studies Bowling Green State University Bowling Green OH Our grasp of imagination is such a pale and paltry thing Neal and Root offer a much needed corrective by illustrating Lewis's robust use of the word The happy result is a more accurate and nuanced reading of Lewis But there is more through their careful work we are graced with a rich new vocabulary to discern and describe the many uses of creative imagination all around us Diana Pavlac Glyer Professor of English at Azusa Pacific University Azusa CA author of *The Company They Keep* C. S. Lewis and J. R. R. Tolkien as Writers in Community This fabulous book on Lewis's imagination will delight readers new to Lewis and those who like the authors have been reading him for decades It shimmers with the joy of exploration and discovery *The Surprising Imagination of C. S. Lewis* is a reliable and inspiring guide not only to Lewis but to a treasure trove of imaginative books that fired Lewis's own imagination In Robert Frost's delightful phrase this book is the occasion for a fresh think Wayne Martindale Emeritus Professor of English Wheaton College Wheaton IL Jerry Root and Mark Neal make excellent use of Lewis's literary criticism of other authors to show how he employed different varieties of imagination in his own works The result is a good book about Lewis and an even better one

on the capacity of imagination to enrich each of our lives every day Mark Noll Francis A McAnaney Professor of History University of Notre Dame Notre Dame IN For nearly four decades I have been reading books and articles in the field of Lewis studies This volume is one of the most original and fascinating books on Lewis to appear in a long time Lyle W Dorsett Billy Graham Professor of Evangelism Beeson Divinity School Samford University Birmingham AL
