fates of three men intertwine in Vietnam *Three Novels of World War II* Jeff Shaara, 2011-12-05 Jeff Shaara has written vivid perceptive portraits of America's wars that have thrilled and mesmerized readers across generations. Collected for the first time in this eBook volume are Jeff Shaara's epic New York Times bestselling novels of World War II: *The Rising Tide*, *The Steel Wave*, and *No Less Than Victory*. As the United States wades into the shifting tides of war, Shaara details every move the tank battles along the Mediterranean coast, the audacious invasion at Omaha Beach, the deadly final spasms of the Third Reich. He brings to life such figures as Eisenhower and Patton as well as the courageous men on the front lines of battle. On full display throughout is the inimitable style and striking narrative range that have made Jeff Shaara such an esteemed and essential chronicler of the American age. Palsson, 2016-09-16 The island nation of Iceland is known for many things: majestic landscapes, volcanic eruptions, distinctive seafood, but racial diversity is not one of them. So the little-known story of Hans Jonathan, a free black man who lived and raised a family in early nineteenth-century Iceland, is improbable and compelling—the stuff of novels. In *The Man Who Stole Himself*, Gisli Palsson lays out the story of Hans Jonathan, also known as Hans Jónatan, in stunning detail. Born into slavery in St. Croix in 1784, Hans was taken as a slave to Denmark where he eventually enlisted in the navy and fought on behalf of the country in the 1801 Battle of Copenhagen. After the war, he declared himself a free man, believing that he was due freedom not only because of his patriotic service but because while slavery remained legal in the colonies, it was outlawed in Denmark itself. He thus became the subject of one of the most notorious slavery cases in European history, which he lost. Then Hans ran away; never to be heard from in Denmark again, his fate unknown for more than two hundred years. It's now known that Hans fled to Iceland where he became a merchant and peasant farmer, married and raised two children. Today he has become something of an Icelandic icon, claimed as a proud and daring ancestor both there and among his descendants in America. *The Man Who Stole Himself* brilliantly intertwines Hans Jonathan's adventurous travels with a portrait of the Danish slave trade, legal arguments over slavery, and the state of nineteenth-century race relations in the Northern Atlantic world. Throughout the book, Palsson traces themes of imperial dreams, colonialism, human rights, and globalization, which all come together in the life of a single remarkable man. Hans literally led a life like no other. His is the story of a man who had the temerity, the courage to steal himself. **Transactions and Proceedings of the New Zealand Institute** New Zealand Institute, 1894
