The Lupus Kid And Other Stories:

The Lupus Kid and Other Stories Robert Wendell, 2002-05-14 The Lupus Kid and Other Stories For a year Bob Wendell recorded the path his life took through illness and despair He was alive and grateful for that much But the turn his relationship would take and the downfall of those around him made Wendell question the very meaning of his existence Set under the gray skies of the Pacific Northwest The Lupus Kid and Other Stories gives more than insight into life with chronic illness it provides a glimpse into the human condition and the struggle to maintain dignity and hope And that while hope doesn't come easily it is sometimes found in the most unlikely places But tomorrow comes and even as agonizingly slowly as the days pass they nonetheless do And whether you're having the time of your life or the hell of your life they pass in a collective whole and are gone irretrievably so From The Lupus Kid and Other Stories
