Hydrographic Office, 1917 **Jacopo Carucci Da Pontormo, His Life and Work** Frederick Mortimer Clapp, 1916 **Three Light-Years** Andrea Canobbio, 2014-07-01 Cecilia and Claudio are doctors at the same hospital. They eat lunch together almost every day; they talk, sometimes even share secrets. Each is enmeshed in a complicated, painful relationship that has technically ended but isn't really over. She is newly separated with two small children; he's stuck in the apartment building where he grew up, where his senile mother, not to mention his ex-wife and her new family, all still live. Cecilia and Claudio are attracted to each other magnetically, powerfully. But life has taught them to treat that attraction with suspicion. Then a chance encounter between Claudio and Cecilia's sister, Silvia, shifts the precarious balance of the relationship between the two colleagues. Claudio begins to recognize the damage caused by his wary stance toward everything around him. He has hidden a hunger for life and experience beneath a veneer of apathy, a mask that also conceals a deep well of anguish. And just when Cecilia comes to the realization that she loves Claudio and is ready to commit to a genuine relationship, fate steps in once again. The complicated tale is unraveled by the son born of this love triangle, a man attempting to understand both himself and his past. In lucid, enchanting prose, supplely rendered into English by Anne Milano Appel, Andrea Canobbio's *Three Light Years* sketches a fable of love poisoned by the indecision born of fear, laying bare the dangers of playing it safe when it comes to matters of the heart. **NON-EVENING LIGHT** Sergiy N. Profoundly moving wise and ultimately redemptive an inspiring personal memoir of hope and forgiveness and an unforgettable testament to the healing power of Angels Growing up in the suburbs of Dublin Aidan Storey was the youngest of seven a much loved happy child who enjoyed family life But there was one difference between Aidan and his friends When everyone left Angels visited Aidan Unafraid of the beautiful luminous spirits that watched over him it wasn't until much later that Aidan realized not everyone could see what he could and not everyone shared his exceptional gift for healing In this remarkable memoir Aidan vividly recalls how the presence of Angels sustained him through years of great turmoil when his happy carefree world turned into one of misery and torment As he recalls the sexual and mental abuse he suffered at the hands of two teachers in his Christian Brothers primary school and the isolation which followed Aidan tells how the Angels helped him find his way back to life and through the power of divine healing taught him how to bring light and love into his life and the lives of many others      *This Little Light of Mine* Claire Horne,2016-12-20
