**Puppet and Spirit: Ritual, Religion, and Performing Objects** Claudia Orenstein,Tim Cusack,2024-10-17 This anthology of essays a companion to Puppet and Spirit Ritual Religion and Performing Objects Volume I aims to explore the many types of relationships that exist between puppets broadly speaking and the immaterial world The allure of the puppet goes beyond its material presence as historically and throughout the globe many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence The flip side of the puppet s troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities Where do we see such connections in contemporary artistic work in various mediums How do puppets open avenues for discussion in a world that seems to be increasingly polarized around religious values How do we describe analyze and theorize the present moment What new questions do puppets address for our times and how does the puppet s continued entanglement with these concerns trouble or comfort us The essays in this book from scholars and practitioners provide a range of useful models and critical vocabularies for addressing this aspect of puppet performance further expanding the growing understanding and appreciation of puppetry generally This book along with its companion volume offers for the first time robust coverage of this subject from a diversity of voices examples and perspectives Lasting Change Made Simple

**Depersonalization and Creative Writing** Matthew Francis,2022-07-18

Depersonalization and Creative Writing Unreal City explores the common psychological symptom of depersonalization its influence on literature and the insights it can provide into the writing process Depersonalization is a distressing symptom in which sufferers feel detached from their own selves and the world Often associated with psychological disorders it can also affect healthy people at times of stress Beginning with a first hand account of the experience the book goes on to argue that many well known literary texts including Camus s The Outsider and Sartre s Nausea evoke a similar psychological state It shows how a concept of depersonalized writing can be found in the work of literary theorists from widely different traditions including T S Eliot Roland Barthes and Viktor Shklovsky Finally it maintains that creative writers can make use of the lessons learned from a study of depersonalization to arrive at a deeper understanding of writing Given this knowledge the controversial writing teacher s maxim show don t tell so often misapplied or misunderstood can be repurposed as a practical instruction for taking students writing to a new level of sophistication and wisdom
