The Magnificent House Of Man Alone:

Freedom'S Song K. Wayne Keillor, 2014-11-25 *Freedom's Song* is both an expanded translation and a one of a kind interpretation of the life of Jesus. It is a fresh portrait of him based on primary source documents namely the four gospels of the Christian scriptures. In this story these documents are harmonized and arranged into a highly probable chronological narrative. To add depth and flavor and bring about a greater understanding of Jesus' discourses, illustrations, homilies, and deeds, cultural and political beliefs and practices of the first century are incorporated into the book. The Prologue opens with a celestial sign that appeared to Magi priests about fifteen months before Jesus was born. This is followed with a discussion of his pedigree and his person. Part I covers the Inauguration of Freedom from Jesus' unique birth to his first Passover in Jerusalem as a youth. It then jumps forward eighteen years to his baptism, personal testing as God's Liberator, recruitment of his first six disciples, and finally his first power deed. Part II focuses on the Battle for Freedom. It covers approximately two years of Jesus' ministry: his tour of Galilee with the gospel identification of himself as the God man, sermon about God's kingdom, dispatching apostles to spread the good news, teaching by parables, visiting Jerusalem, and his warning to the religious leaders of his day. Part III includes Freedom's Victory, coincidentally the denouement of Jesus' life. He is back in Jerusalem for another Passover and a final gathering with the apostles. And here he is arrested, tried, and crucified as a common criminal. The story ends with Freedom's Song: Jesus is alive. *He Stands Alone* Randy Lee Eickhoff, 2002-03-06
