The Making Of Charles Dickens:

The Making of Charles Dickens Christopher Hibbert,1983 The Making of Charles Dickens Christopher Hibbert,1967 This biography of Dickens relates his life to his fiction by comparing sections of his work with personal situations in his life **Charles Dickens: A Pictorial History of the World's Greatest Storyteller** Phil Carradice ,2014-03-24 Charles Dickens was a phenomenon a demonically hardworking journalist the father of ten children a tireless walker and traveller a supporter of liberal social causes but most of all a great novelist the creator of characters who live immortally in the English imagination the Artful Dodger Mr Pickwick Pip David Copperfield Little Nell Lady Dedlock and many more At the age of twelve he was sent to work in a blacking factory by his affectionate but feckless parents From these unpromising beginnings he rose to scale all the social and literary heights entirely through his own efforts When he died the world mourned and he was buried against his wishes in Westminster Abbey Yet the brilliance concealed a divided character a republican he disliked America sentimental about the family in his writings he took up passionately with a young actress usually generous he cut off his impecunious children This pictorial history will shed a new and alternative light on this literary giant *Charles Dickens and the Making of a Christmas Carol* Michael Norris,2011-10 When first published in December of 1843 Charles Dickens s A CHRISTMAS CAROL was hailed instantly as a masterpiece Since that time the work has never been out of print As well the book has been translated into dozens of languages adapted into countless stage and film versions and even made into operas and ballets In this penetrating 10 000 word study Michael Norris tells the complete story behind Dickens s writing of the book Norris dives deep into his topic to discover the altruistic angels and monetary demons which drove Dickens the public debates and rancor which informed him and the terrible childhood memories which both haunted and inspired him Here at last we have the ideal reader s companion for Dickens s Christmas classic *The Oxford Companion to Charles Dickens* Paul Schlicke,2011-11-03 This anniversary edition of the Oxford Companion to Charles Dickens celebrates 200 years since the birth of one of Britain s most popular authors Covering his life his works his reputation and his cultural context in over 500 A Z articles this is the most reliable and accessible reference work on Dickens available **The Oxford Handbook of Charles Dickens** Robert L. Jordan,Catherine Waters,2018-09-13 The Oxford Handbook of Charles Dickens is a comprehensive and up to date collection on Dickens s life and works It includes original chapters on all of Dickens s writing and new considerations of his contexts from the social political and economic to the scientific commercial and religious The contributions speak in new ways about his depictions of families environmental degradation and improvements of the industrial age as well as the law charity and communications His treatment of gender his mastery of prose in all its varieties and genres and his range of affects and dramatization all come under stimulating reconsideration His understanding of British history of empire and colonization of his own nation and foreign ones and of selfhood and otherness like all the other topics is explained in terms easy to comprehend and profoundly relevant to global
