**Western Film Highlights** Henryk Hoffmann, 2015-07-11 Westerns may have had their heyday but they remain popular. The greatest films from 1914 when *The Squaw Man* and *The Virginian* were among the genre's best through 2001 when *American Outlaws* and *Texas Rangers* were tops are the subject of this work. For each year the author names the outstanding western films in the following categories: picture, screenplay, original and adaptation, direction, cinematography, music, male and female leading roles, and male and female supporting roles. Also for each year the author lists the westerns that received Academy Award nominations and those that won. Makes note of the births and deaths of notable actors, directors, producers, composers, cinematographers, authors, and other such personalities and describes the genre's significant achievements.

**The Man from the Broken Hills** Louis L'Amour, 1996-06-01 For years Milo Talon had been riding the outlaw trail looking for a man who had betrayed his family. Only Hank Rossiter wasn't the man he had been. Old now and blind, Rossiter was trying desperately to hold on to a small ranch to support his daughter Barbara. Suddenly Talon found himself in the middle of a range war, siding with the man he'd marked for payback. But had Rossiter really changed? And could his daughter be trusted by either of them? For Milo, getting to the truth meant a long, hard fight to separate his enemies from his friends and forgiveness from revenge.

Thomas Cripps: Endlessly absorbing as an excursion into cultural history and national memory. Arthur Schlesinger Jr.      *Tenbow* Matt Braun, 2007-04-01 At the foot of the Wind River Mountains and just east of the continental divide was Tenbow Valley, eighty miles of rich watered graze on the way to Oregon territory. From Cheyenne Jack Stillman has come to Tenbow to solve a string of murders. Each victim was a landowner in the valley and each killing was carried out with a deadly long range rifle. Taking on the guise of a gambler, Stillman is quick to line up his suspects and start prying open their secrets. But while greed is the likeliest reason for the murders, the killer keeps striking even when Stillman has his eye on the suspects. Suddenly in a land of wild honeysuckle, snowy mountain peaks, and the spirits of native warriors, the veteran lawman realizes he's made a fatal mistake and missed a motive as old as time itself. Now it may be too late because an expert at murder has Stillman in the crosshairs of his gun.

**Bandit Heaven** Tom Clavin, 2024-10-22 From multiple New York Times bestselling author Tom Clavin comes the thrilling true story of the most infamous hangout for bandits thieves and murderers of all time and the lawmen tasked with rooting them out Robbers Roost Brown's Hole and Hole in the Wall were three hideouts that collectively were known to outlaws as Bandit Heaven During the 1880s and 90s these remote locations in Wyoming and Utah harbored hundreds of train and bank robbers horse and cattle thieves the occasional killer and anyone else with a price on his head Clavin's *Bandit Heaven* is the entertaining story of these tumultuous times and the colorful characters who rode the Outlaw Trail through the frigid mountain passes and throat parching deserts that connected the three hideouts well guarded enclaves no sensible lawman would enter There are the star residents like gregarious Butch Cassidy and his mostly silent sidekick the Sundance Kid and an array of fascinating

supporting players like the cold blooded Kid Curry and Black Jack Ketchum who had the dubious distinction of being decapitated during a hanging among others Most of the hard riding action takes place in the mid to late 1890s when Bandit Heaven came to be one of the few safe places left as the law closed in on the dwindling number of active outlaws Most were dead by the beginning of the 20th century gunned down by a galvanized law enforcement system seeking rewards and glory Ultimately only Cassidy and Sundance escaped to meet their fate 6000 miles away becoming legends when they died in a fusillade of lead Bandit Heaven is a thrilling read filled with action indelible characters and some poignance for the true end of the Wild West outlaw
