The man in the moon
came down too soon,
And asked his way
to Norwich.

He went by the south
and burnt his mouth,
With supping cold pease
porridge.

The Man In The Moon And Other Poems:

The Man in the Moon and Other Poems Pascal R. Politano, 2005-02-23 Politano has this to say about his poetry This collection of poems is strictly my own work without aid or assistance from anyone I am grateful of course in a general way to the professors in the schools colleges and universities I have attended as both student and lecturer who helped provide me with a breadth and depth of knowledge without which this little book would not have been possible I am grateful also to the many authors both good and bad or merely forgettable whose work has helped to give me a sense of balance in my poetry But I am most grateful for the fact that I have lived long enough and participated sufficiently in the business of life to make some sense of certain matters concerning the human condition about which in my earlier years I was absolutely mystified and at times even terrified Diane Wakowski author of more than sixteen volumes of poetry and Michigan State University Professor and Writer in Residence said this Pascal R Politano s poetry offers gracefully presented traditional language is well ordered rhythmic and concise It avoids prosy explanations poeticized cliches and the mundane sentimental phrases that can often mar a poem s possible elegance *Pickett's Charge and Other Poems* Fred Emerson Brooks, 1902 **The Man with the Hoe, and Other Poems** Edwin Markham, 2023-11-12 Edwin Markham s *The Man with the Hoe and Other Poems* is a poignant exploration of the human spirit and the struggles of the working class Markham s verse imbued with a romantic sensibility is characterized by vivid imagery and emotive language creating a lyrical yet accessible style that resonates with the reader s heart The titular poem inspired by Jean Fran ois Millet s painting serves as a powerful indictment of social inequities while the collection as a whole reflects the broader context of early 20th century American literature wherein themes of labor social justice and the dignity of the human condition emerge as paramount concerns amid burgeoning industrialization Markham a prominent voice of the early labor movement drew from his own experiences as a teacher and social activist deeply engaging with the plight of those marginalized in society His upbringing in a humble environment and his journey through various professions significantly shaped his empathetic worldview which is palpably evident in his writing Moreover his connections with contemporaneous intellectuals and reformers underscore his commitment to using poetry as a means of social critique and advocacy This collection is essential reading for anyone interested in the intersections of art and social justice Markham s verses invite readers to reflect on the challenges of modernity urging us to consider both the intimate and universal struggles of humanity *The Man with the Hoe and Other Poems* is not only a testament to the power of verse to inspire change but also a call to recognize the dignity inherent within every individual

In *A Hidden Life and Other Poems* George MacDonald delves into the intricate tapestry of human emotion and spirituality merging lyrical beauty with profound philosophical inquiry. The collection is characterized by its Victorian sensibility, rich imagery, and a lyrical cadence that resonates with the traditions of romanticism. MacDonald's works often reflect themes of nature, faith, and the eternal search for meaning, positioning this collection within the larger context of 19th-century poetry that grapples with both personal and universal truths.

George MacDonald (1824-1905) was a Scottish author, poet, and theologian whose contributions to fantasy literature and poetry were deeply influenced by his Christian beliefs and a keen observation of the human condition. His pioneering role in the genre has often been overshadowed by contemporaries, yet his exploration of fantasy and reality sheds light on the moral dilemmas and spiritual quests that define humanity. His own struggles with faith and identity undoubtedly informed the poignant themes presented in this collection.

Readers seeking a lyrical and introspective experience will find *A Hidden Life and Other Poems* to be a rewarding read. MacDonald's ability to illuminate the subtleties of existence and the sacredness of the everyday invites reflection and offers a poignant exploration of the hidden depths of life that resonate even today.
