The Management And Presentation Of Field Monuments:

The Management and Presentation of Field Monuments Michael Hughes, Linda Rowley, 1986 *Management Planning for Archaeological Sites* Jeanne Marie Teutonico, Gaetano Palumbo, Getty Conservation Institute, Loyola Marymount University, 2002 This volume reports on the proceedings of a workshop held in Greece near the ancient site of Corinth to discuss challenges faced by archaeological sites in the Mediterranean and to examine management planning methods that might generate effective conservation strategies **The Oxford Handbook of Public Archaeology** Robin Skeates, Carol McDavid, John Carman, 2012-01-05 The Oxford Handbook of Public Archaeology seeks to reappraise the place of archaeology in the contemporary world by providing a series of essays that critically engage with both old and current debates in the field of public archaeology Divided into four distinct sections and drawing across disciplines in this dynamic field the volume aims to evaluate the range of research strategies and methods used in archaeological heritage and museum studies identify and contribute to key contemporary debates critically explore the history of archaeological resource management and question the fundamental principles and practices through which the archaeological past is understood and used today **The Past in Contemporary Society: Then, Now** Peter Fowler, 2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company British and Irish Archaeology ,1994 **The Stonehenge Environs Project** Julian Richards, 2014-04-15 This report summarises the results of a programme of archaeological investigation carried out between 1980 and 1984 in the immediate vicinity of Stonehenge Whilst the ceremonial and ritual aspects of this landscape had been extensively studied in the past efforts to trace and analyse the character of prehistoric settlement in the area had not been thoroughly pursued The programme s main objective therefore was to identify prehistoric settlements in the area This it was hoped would lead to strategies for their preservation and management Surface collection of finds from a wide area first pinpointed the concentration of prehistoric material and identified areas for more intensive survey both by further fieldwalking and by small scale excavation The project demonstrated that there are traces of considerable Neolithic and Bronze Age domestic and industrial settlement and other activities to add to the framework of funerary and ceremonial monuments which characterise the Stonehenge area The concept of this as a landscape reserved solely for ritual is therefore no longer tenable *Companion Encyclopedia of Archaeology* Graeme Barker, 2002-08-13 This comprehensive fully illustrated Companion answers the need for an in depth archaeology reference that provides authoritative coverage of this complex and interdisciplinary field The work brings together the myriad strands and the great temporal and spatial breadth of the field into two thematically organized volumes In twenty six authoritative and clearly written essays this Companion explores the origins aims methods and problems of archaeology Each essay is written by a scholar of international standing and illustrations complement the text *Archaeological Resource Management in the UK* John Hunter, Ian Ralston, 1997 This introduction to the structure and context of archaeology in Britain reviews the vital issues facing archaeologists during a

period in which the discipline has become increasingly complicated and diverse The authors offer an analysis of the crucial questions of principle and practice that have arisen In particular they examine the implications for the archaeological profession of heritage management and legislation stricter planning controls changing land use and the pressure of public interest and concern An Intellectual Adventurer in Archaeology: Reflections on the work of Charles Thomas Andy M Jones, Henrietta Quinnell, 2018-06-30 Charles Thomas 1928 2016 was a Cornishman and archaeologist whose career from the 1950s spanned nearly seven decades This period saw major developments that underpin the structures of archaeology in Britain today in many of which he played a pivotal part *Archaeology and Tourism* Dallen J. Timothy, Lina G. Tahan, 2020-06-10 This book provides a global and thematic examination of the relationships between archaeology and tourism and a critical analysis of thinking in the area of archaeology based tourism It focuses on the differences and similarities between archaeology based tourism and heritage tourism and highlights the interdependence and dissonance between tourism and archaeology and archaeological traditions The volume offers a systematic investigation of current issues and implications in the relationship between tourism and archaeology from both tourism and archaeological perspectives It is a key academic resource for students researchers and practitioners in tourism archaeology cultural heritage management and anthropology **Heritage Interpretation** Marion Blockley, Alison Hems, 2013-01-11 An essential guide to present practice and policy concerning issues in heritage management Heritage Interpretation draws on the accumulated expertise and international reputation for excellence of the UK heritage industry to describe and analyze best practice in heritage interpretation The contributors all responsible for developing best practices come from a range of heritage organizations including English Heritage The National Trust Historic Scotland CADW and National Parks They draw on examples from throughout the UK from public art and twentieth century military remains to cathedrals and urban heritage and discuss the range of interpretive options available and how they can be appropriately tailored to specific places and audiences Providing practical guidance on interpretive techniques the book provides insights into the philosophies and thinking that underpins their adoption in particular contexts This clear and easy guide is an valuable addition to the reading list of any student of history or heritage studies Public Archaeology Nick Merriman, 2004-08-02 This much needed volume scrutinises in detail the relationship between archaeology heritage and the public Featuring case studies from around the world Golden Gate National Recreation Area (N.R.A.), Muir Woods National Monument, General Management Plan , 2011 **British Archaeological Abstracts** , 1986 **Corporate Responsibility for Cultural Heritage** Fiona Starr, 2013 This book examines the relationship between two divergent fields corporate activity and heritage conservation linking the financing of conservation and its benefits with the corporate social responsibility CSR goals of the private sector Through discussion of physical conservation benefits to heritage site visitors sustainable development impacts and corporate benefits such as improved reputation this book outlines the shared value of corporate support for cultural heritage sites and

encourages financial and in kind support for conservation and responsible activity by the private sector Providing a convincing commercial rationale for CSR managers to engage with cultural heritage sites this book suggests how companies may reap the benefits of CSR for heritage Author Fiona Starr offers advice for companies looking to specialize in a unique CSR endeavor especially those looking to engage with emerging markets The book also provides useful strategies for heritage managers to attract CSR and financial support offering new look at the financing of heritage conservation at both international and local levels and providing a new approach to the future of financing of cultural heritage conservation **A**
