

The Mangler

Kristopher Woofter, Will Dodson

The Mangler:

Adapting Stephen King Joseph Maddrey, 2023-08-04 Stephen King's fiction has formed the basis of more motion picture adaptations than any other living author. His earliest short stories collected in the *Night Shift* anthology have been adapted into hit features including *Creepshow*, *Children of the Corn*, *Cat's Eye*, *Maximum Overdrive*, *Graveyard Shift*, *Sometimes They Come Back*, and *The Mangler*. Through his *Dollar Baby* program, King licensed several *Night Shift* stories to aspiring filmmakers for just one dollar each, resulting in numerous student film adaptations. This book critically examines and contextualizes adaptations of the *Night Shift* short stories from big box office features to relatively unknown student films. It illuminates how each film is a uniquely and intricately collaborative endeavor and charts the development of each adaptation from first option to final cut. Through old and new interviews with the creators, the work explores how filmmakers continue to reinvent, reimagine, remake, and reboot King's stories.

Screening Stephen King Simon Brown, 2018-02-28 Gathers together the unruly mess of King adaptations and places it within the sociocultural and industrial context of four decades of horror. Philip L. Simpson, author of *Psycho Paths*, starting from the premise that Stephen King has transcended ideas of authorship to become his own literary, cinematic, and televisual brand. *Screening Stephen King* explores the impact and legacy of over forty years of King film and television adaptations. Simon Brown first examines the reasons for King's literary success and then, starting with Brian De Palma's *Carrie*, explores how King's themes and style have been adapted for the big and small screens. He looks at mainstream multiplex horror adaptations from *Cujo* to *Cell*, low budget DVD horror films such as *The Mangler* and *Children of the Corn*, franchises, non-horror films including *Stand by Me* and *The Shawshank Redemption*, and TV works from *Salem's Lot* to *Under the Dome*. Through this discussion, Brown identifies what a Stephen King film or series is or has been, how these works have influenced film and TV horror, and what these influences reveal about the shifting preoccupations and industrial contexts of the post-1960s horror genre in film and TV. Well written. It really is the most exhaustive analysis of Stephen King on the screen that has ever been written. Cinepunx. This book is not only essential as a study of Stephen King and his works adapted to the big and small screen; it is also an exemplary study of the evolution of the horror genre in its ebb and flow from literary adaptation to gore-laden saturation and beyond since the mid-1970s. Sorcha Ní Fhlainn, author of *Postmodern Vampires*.

American Twilight Kristopher Woofert, Will Dodson, 2021-06-01 Tobe Hooper's productions, which often trespassed upon the safety of the family unit, cast a critical eye toward an America in crisis. Often dismissed by scholars and critics as a one-hit wonder thanks to his 1974 horror classic *The Texas Chain Saw Massacre*, Hooper nevertheless was instrumental in the development of a robust and deeply political horror genre from the 1960s until his death in 2017. In *American Twilight*, the authors assert that the director was an auteur whose works featured complex monsters and disrupted America's sacrosanct perceptions of prosperity and domestic security. *American Twilight* focuses on the skepticism toward American institutions and media and the articulation of uncanny spaces so integral to Hooper's vast

array of feature and documentary films made for television movies television episodes and music videos From Egg Shells 1969 to Poltergeist 1982 Djinn 2013 and even Billy Idol s music video for Dancing with Myself 1985 Tobe Hooper provided a singular directorial vision that investigated masculine anxiety and subverted the idea of American exceptionalism **New York Magazine** ,1995-03-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Death by Drive-By** Tony DiLeonardo,2020-12-04 Prematurely retired after suffering a stroke San Francisco detective Vinny Oliveto s life turns upside down when he finds himself stuck at the Gold Doors nursing home in the middle of Kansas His fortunes change however when he encounters two wheelchair bound octogenarians who secure a detective s license for him in the hopes he can solve a ticket scam and a series of petty thefts Death by Drive By follows the exploits of Vinny Oliveto an unconventional sleuth who attempts to solve multiple mysteries ranging from theft to murder in an action packed roller coaster ride laced with humor After the drive by shooting of a beloved long time resident the desperate Gold Doors director seeks Vinny s help Vinny unleashed launches multiple investigations across several states in a chase for the manipulator behind the murder All things are not as they seem Bubba's Rules for Country Living Joseph R Miller ,2011-06-25 Bubba s Rules for Country Living comes from my own experience at the country Store at Lake Kickapoo in Northern Archer County in North Texas I moved to a small place at the Lake when disability forced me away from medical practice A wonderful life awaited me I was born in Ohio and raised all over the Midwest but had the lasting good fortune to move to Texas and to marry South My mother acted Yankee nearly all her life even when she lived with us at Kickapoo but my father countered her harshness with a Welsh sense of humor that fit in no matter where he was or who was listening His stories had a cadence to them a rhythm that rivaled what I heard at Kickapoo Listening to him when I was a child I learned that art as well Not like my father never that grand But I could tell a story and I could listen without interrupting or looking away or letting my attention wander And those wonderful men at the store at Kickapoo accepted me They invited me to sit at the table labeled Stammtisch and allowed as how if there happened to be a pause that signaled the end of a story and I could jump in fast enough I might could tell a story of my own Just might could mind you Nothing was certain at the table labeled Stammtisch at the store at Kickapoo except Bubba s rules for living **The Book Didn't Mention Aliens** Cher Palmer,2014-09-17 Lauren finds herself up a tree dressed only in her undies not the way she usually dresses to go out A millennium in the future Elisias newest and youngest perfect finds an anomaly a fifteenth century monk describes a most improbable holy relic which sounds suspiciously like a bra and pair of pants Katya her unusually aggressive guard an even less appealing alien and sundry other handicaps set out to rescue Lauren Times a funny thing It doesnt just pass Sometimes

it turns back and bites you on the bum **Darkest Hours** Mike Thorn,2021-06-11 Between the covers of Darkest Hours you will find academics in distress humans abusing monsters demons terrorizing people ghostly reminiscences resurrected trauma and occult filmmaking Ranging from satirical to dreadful these sixteen stories share a distinct voice urgent sardonic and brutal This expanded edition includes a new foreword by Sadie Hartmann Mother Horror and author notes for every story describing Thorn s process influences and more This updated release also features seventeen of Thorn s essays on horror cinema which cover films by Tobe Hooper George A Romero Rob Zombie M Night Shyamalan Wes Craven and Dario Argento among others *Stephen King* Rebecca Stefoff,2011 Readers of the books in Today's Writers and Their Works will learn the story behind each writer's story **Stephen King** Rocky Wood,2017-02-10 This companion provides a two part introduction to best selling author Stephen King whose enormous popularity over the years has gained him an audience well beyond readers of horror fiction the genre with which he is most often associated Part I considers the reception of King s work the film adaptations that they gave rise to the fictional worlds in which some of his novels are set and the more useful approaches to King s varied corpus Part II consists of entries for each series novel story screenplay and even poem including works never published or produced as well as characters and settings Eaten Alive at a Chainsaw Massacre John Kenneth Muir,2015-07-11 The sound of chainsaws revving on haunted Halloween trails has evoked untold screams since Tobe Hooper s 1974 The Texas Chainsaw Massacre hit the cinemas Since that first take no prisoners horror movie Hooper s reputation as a master of horror has been secured by his adaptations of Stephen King Salem s Lot 1978 and The Mangler 1995 his blockbuster breakthrough Poltergeist 1982 and a variety of cult hits from the underrated Lifeforce 1985 to the remake of Invaders from Mars 1986 This reference work is divided into five parts Part I provides a history and overview of Tobe Hooper s career Part II offers entries with synopses complete credits critical reception and commentaries on every feature film by year of release Part III provides chronological information on Hooper s television movies and miniseries Part IV offers entries on his episodes from horror television series Part V is a critical essay and conclusion which places Hooper in horror film history and compares his work to all time greats such as Romero Craven and Carpenter **Night Shift** Stephen King,2025-08-26 Stephen King s first collection of short stories originally published in 1978 showcases the darkest depths of his brilliant imagination and will chill the cockles of many a heart Chicago Tribune Night Shift is the inspiration for over a dozen acclaimed horror movies and television series including Children of the Corn Chapelwaite and Lawnmower Man Here we see mutated rats gone bad Graveyard Shift a cataclysmic virus that threatens humanity Night Surf the basis for The Stand a possessed evil lawnmower The Lawnmower Man unsettling children from the heartland Children of the Corn a smoker who will try anything to stop Quitters Inc a reclusive alcoholic who begins a gruesome transformation Gray Matter and many more shadows and visions that will haunt you long after the last page is turned **Frontier Fake News** Richard Moreno,2023-03-07 When readers see the names Mark Twain and Dan De Quille fake news may not be the first thing that

comes to mind But these legendary journalists were some of the original and most prolific fake news writers in the early years of Nevada s history Frontier Fake News puts a spotlight on the hoaxes feuds pranks outright lies witty writing and other literary devices utilized by a number of the Silver State s frontier newsmen from the mid nineteenth through the early twentieth centuries Often known collectively as the Sagebrush School these journalists were opinionated talented and individualistic While Mark Twain Samuel Clemens who got his start at Virginia City s Territorial Enterprise and Dan De Quille William Wright who some felt was a better writer than Twain are the most well known members of the Sagebrush School author Richard Moreno includes others such as Fred Hart who concocted a fake social club and reported on its gatherings for Austin s Reese River Reveille and William Forbes who enjoyed sprinkling clever puns with political undertones in his newspaper articles Moreno traces the beginnings of genuine fake news from founding father Benjamin Franklin s Supplement to the Boston Independent Chronicle Number 705 March 1782 a fake newspaper aimed at swaying British public opinion to the fake news articles of New York and Baltimore papers in the early 1800s But these examples are only a prelude to the amazing accounts of petrified men freeze inducing solar armor magically magnetic rocks blood curdling massacres and other nonsense stories that appeared in Nevada s frontier newspapers and beyond

Horror Films of the 1990s John Kenneth Muir,2011-10-06 This filmography covers more than 300 horror films released from 1990 through 1999 The horror genre s trends and cliches are connected to social and cultural phenomena such as Y2K fears and the Los Angeles riots Popular films were about serial killers aliens conspiracies and sinister interlopers new monsters who shambled their way into havoc Each of the films is discussed at length with detailed credits and critical commentary There are six appendices 1990s cliches and conventions 1990s hall of fame memorable ad lines movie references in *Scream* 1990s horrors vs *The X Files* and the decade s ten best Fully indexed 224 photographs

What Do You Want to Do, Break Your Mother's Heart? Wayne F. Danka,2009-03 Danka pens a collection of short stories about growing up coming of age maturity and immaturity during the three greatest decades of the 20th century the 1950s 1960s and 1970s

Hollywood's Stephen King Tony Magistrale,2003-11-22 Tony Magistrale explores many of the movie versions of Stephen King s works and provides important insights into both the films and the fiction on which they are based

Witch of the Golden Veil Maria DeVivo,2024-11-01 Long Live the New Flesh Alex Deville is stuck in a rut She s a paranormal journalist from New York City who doesn t believe in the paranormal This gig was meant to be a stepping stone to real hard hitting investigative journalism but it is looking like a dead end To make matters worse her boyfriend is cheating on her After receiving a tip from a mysterious stranger called Trent Blackwood Alex drops everything to travel to a convent in Italy It s not the rumor that the nuns of the Golden Veil are performing exorcisms without the Vatican s approval that intrigues her it s the man at the center of the ritual Oskar Klepp a serial killer Alex has reported on Inspired by true events *Witch of the Golden Veil* follows Alex as she uncovers a massive conspiracy one that could change her life forever

Three-Dimensional Attached Viscous Flow Ernst Heinrich Hirschel,Jean

Cousteix, Wilhelm Kordulla, 2013-10-29 Viscous flow is treated usually in the frame of boundary layer theory and as two dimensional flow Books on boundary layers give at most the describing equations for three dimensional boundary layers and solutions often only for some special cases This book provides basic principles and theoretical foundations regarding three dimensional attached viscous flow Emphasis is put on general three dimensional attached viscous flows and not on three dimensional boundary layers This wider scope is necessary in view of the theoretical and practical problems to be mastered in practice The topics are weak strong and global interaction the locality principle properties of three dimensional viscous flow thermal surface effects characteristic properties wall compatibility conditions connections between inviscid and viscous flow flow topology quasi one and two dimensional flows laminar turbulent transition and turbulence Though the primary flight speed range is that of civil air transport vehicles flows past other flying vehicles up to hypersonic speeds are also considered Emphasis is put on general three dimensional attached viscous flows and not on three dimensional boundary layers as this wider scope is necessary in view of the theoretical and practical problems that have to be overcome in practice The specific topics covered include weak strong and global interaction the locality principle properties of three dimensional viscous flows thermal surface effects characteristic properties wall compatibility conditions connections between inviscid and viscous flows flow topology quasi one and two dimensional flows laminar turbulent transition and turbulence Detailed discussions of examples illustrate these topics and the relevant phenomena encountered in three dimensional viscous flows The full governing equations reference temperature relations for qualitative considerations and estimations of flow properties and coordinates for fuselages and wings are also provided Sample problems with solutions allow readers to test their understanding

Surviving Stephen King Rebecca Frost, 2021-10-22 Stephen King frequently places his human characters in danger against a supernatural antagonist These characters being realists of the late 20th and early 21st centuries must first overcome their disbelief at what is happening to them and then decide what to do about it Both their explanations for the strange happenings and their attempts to deal with them can be divided into four main categories cultural appropriation Christianity especially Catholic rites attempts at utter destruction and a resignation to simply live or die with the supernatural intact This book examines over 30 of King's works revealing that the overall success of the characters in removing the supernatural threat from their towns or perhaps defeating it entirely does not depend fully on which of these four paths of action they choose It is possible for any attempt to destroy the supernatural threat to fail and what works in one of King's books will not have the same outcome in another For King the most likely success comes when his characters can choose a course of action that allows them to stand and be true to themselves

Talgorian Prophecy Melissa Alvarez, Ariana Dupre, 2011-02-23 Embark on an exciting journey into the realm of prophecy in Talgorian Prophecy Immerse yourself in the gripping tale of Megan Cassidy a renowned psychic seer who finds herself thrust into a heart stopping battle against a relentless serial killer With her young son Robbie's life hanging in the balance Megan must summon
